Song of Songs F. Scott Spencer, 2017-02-01 Arguably the biggest blockbuster love song ever composed the Song of Songs holds a unique place in Jewish and Christian canons as the holiest book in the minds of some readers and the sexiest in its language and imagery This commentary aims to interpret this vibrant Song in a contemporary feminist key informed by close linguistic literary and social cultural analysis Though finding much in the Song to celebrate for women and men in their embodied passionate lives this work also exposes tensions vulnerabilities and inequities between the sexes and among society at large just what we would expect of a perceptive poignant love ballad that still tops the charts

Songs of Songs Tremper Longman, 2001-09-24 In this commentary Longman unpacks what this ancient love poem reveals about the male female relationship and about God's love for His people Beginning with an extensive introduction to the book and its background the author discusses Song of Songs authorship date literary style language structure and theological content

[Listening to Classic American Popular Songs](#) Allen Forte, Richard Lalli, Gary Chapman, 2008-10-01 In the twenties thirties and forties now legendary American songwriters and lyricists created a repertoire of popular songs songs that have captured the hearts of generations of music lovers George Gershwin Richard Rodgers Cole Porter Jerome Kern Harold Arlen Hoagy Carmichael and many others along with such lyricists as Ira Gershwin Lorenz Hart and Dorothy Fields produced extraordinary songs of signal importance to the American musical heritage In this book Allen Forte shares his love of American popular song He discusses in detail twenty three songs ranging from Gershwin's Fascinating Rhythm 1924 to Irving Berlin's Steppin Out with My Baby 1947 guiding readers and listeners toward a deeper appreciation of this vital and engaging music Forte writes for the general reader assuming no background other than a familiarity with basic music notation Each song is discussed individually and includes complete lyrics and simple leadsheet notation Forte discusses the songs distinctive musical features and their sophisticated often touching and witty lyrics Readers can follow the music while they listen to the accompanying compact disc which was specially recorded for this volume by baritone Richard Lalli and pianist arranger Gary Chapman with Allen Forte pianist arranger for Embraceable You and Come Rain or Come Shine Learn about these favorite songs and more How Long Has This Been Going On What Is This Thing Called Love Embraceable You Autumn in New York I've Got You Under My Skin The

Song of Songs Franklin Scott Spencer, 2017 Feminist biblical interpretation has reached a level of maturity that now makes possible a commentary series on every book of the Bible It is our hope that Wisdom Commentary by making the best of current feminist biblical scholarship available in an accessible format will aid readers in their advancement toward God's vision of dignity equality and justice for all Book jacket **Song of Songs: An Introduction and Study Guide** J. Cheryl Exum, 2022-07-14 The Song of Songs also known as the Song of Solomon is an unusual book to find in the Bible As the Bible's only love poem the Song offers a unique picture of relations between the sexes in biblical times Unlike other biblical books it consists entirely of dialogue It looks at love from both a woman's and a man's point of view and shows the reader what love is like exclusively through what lovers say about it There are few issues in Song of Songs interpretation that are not open to debate which makes it a fascinating book to study In this Guide Cheryl Exum provides a concise survey of the principal questions encountered in Song of Songs scholarship She also takes the discussion beyond the traditional research questions to introduce readers to new and ongoing areas in Song of Songs research Bibliographies and suggestions for further reading at the end of each chapter provide additional resources for readers interested in pursuing specific topics and exploring new directions in the study of the Song of Songs **Song of Songs** Tremper Longman, 2001-09-24 Relationships are a wonderful mysterious often elusive sometimes painful part of the human experience The most intimate of all human relationships according to the Bible is that between a husband and a wife It is no surprise therefore that there is a book of the Bible the Song of Songs that focuses on this relationship What is surprising is how little attention is given to the Song of Songs by scholars by the church and by readers of the Bible With this volume Tremper Longman III unpacks for modern people what this ancient love poem says about the male female relationship and by analogy about God's love for his people Longman's superb study begins with a thorough introduction to the Song of Songs and its background Longman discusses the book's title authorship date literary style language structure cultural milieu and theological content He also canvasses the long history of interpretation of the Song of Songs a history too often characterized by repression of the text In the commentary itself Longman structures the Song of Songs according to its twenty three poetic units and explains its message verse by verse The exposition is made clearer by Longman's adoption of an anthropological approach to the text and by his frequent comparisons of the Song of Songs with other ancient Near Eastern literature Learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful Song of Songs to be a timeless celebration of human love and sexuality *Hit Songs, 1900-1955* Don Tyler, 2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist's and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and

free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography
