Skittles, the Last Victorian Courtesan Henry Blyth,1970 The Fallen Woman in the Nineteenth-Century English Novel

George Watt,2016-07-22 A sympathetic view of the fallen women in Victorian England begins in the novel First published in 1984 this book shows that the fallen woman in the nineteenth century novel is amongst other things a direct response to the new society Through the examination of Dickens Gaskell Collins Moore Trollope Gissing and Hardy it demonstrates that the fallen woman is the first in a long line of sympathetic creations which clash with many prevailing social attitudes and especially with the supposedly accepted dichotomy of the two women This book will be of interest to students of nineteenth century literature and women in literature **The Tender Passion** Peter Gay,1999 The Tender Passion looks at the

Victorian middle classes ideal and real notions of love The Long Sexual Revolution Hera Cook,2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s **The Last of the Whigs** Patrick Jackson,1994 The other two offers were in 1886

after Hartington had broken with Gladstone over Irish home rule and had led his Liberal Unionist supporters into an alliance with the Conservatives **Women, Horse Sports and Liberation** Erica Munkwitz,2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those

interested in the broader social gendered and political histories of the nineteenth and twentieth centuries and for all equestrian enthusiasts **This Sporting Life** Robert Colls,2020 This Sporting Life offers an important view of England s cultural history through its sporting pursuits carrying the reader to a match or a hunt or a fight viscerally drawing a portrait of the sounds and smells and showing that sport has been as important in defining British culture as gender politics education class and religion ***The Accidental Tourist, Wilfrid Scawen Blunt, and the British Invasion of Egypt in 1882*** Michael D. Berdine,2020-11-25 This fascinating account highlights the extent the world s major powers will go to as they seek to insure their own interests and agendas despite the wishes of those whose countries they invade and occupy The Accidental Tourist profiles Wilfrid Scawen Blunt s involvement in the so called Arabi Revolt in 1882 It addresses Blunt s tireless efforts on behalf of the Egyptian Nationalists to mediate the differences between Britain and Egypt and prevent a British invasion of Egypt It highlights what amounted to a government cover up of the actions of certain governmental officials to precipitate the invasion by falsifying intelligence information and manipulating the press It also takes to task the scholarly tradition of maligning Blunt and questioning the accuracy of his version of the events of 1882 Blunt was branded a traitor in the House of Commons This book was written to set the record straight It is ideal reading for those interested in the field of Middle Eastern Imperial or Colonial history and will provide readers with a better understanding of the real story of imperialism that went on at the time and is still going on in the Middle East today **The Dentist and the Empress** Gerald Carson,2020-01-01 Personal intrigue and social history are combined in this fascinating account of an American dentist in nineteenth century Paris Dr Thomas W Evans a Philadelphia dentist of pioneering skill and great charm moved in the highest circles of France s Second Empire His expertise gave American dentistry a special distinction while his discretion made him the confidant of Europe s reigning families When they wished to communicate discreetly they simply made an appointment with their dentist Dr Evans was a guest in the court society presided over by the spirited and beautiful Empress Eugenie and he took part in the sparkling life of the boulevards and bohemia Dr Evans s inside knowledge of plans for the revitalization of Paris largely the Paris we see today allowed him to become a multi millionaire through well chosen investments in real estate Among the French bohemians Mary Laurent an exquisite and witty artist s model introduced him to painters and writers of genius Manet and Whistler the symbolist poet Stéphane Mallarmé the Irish writer George Moore and many others When the Second Empire fell and an angry mob stormed the Tuileries palace it was Evans who saved the Empress from prison and perhaps the guillotine in a dangerous and romantic escape to England Always a staunch American Dr Evans visited President Lincoln Secretary of State William Seward and General Grant during the Civil War and helped convince Napoleon III to remain neutral during the conflict Later Evans labored to bring the medical lessons of that war to the attention of European governments This account of the intertwined lives of a remarkable Pennsylvanian and the most elegant woman in Europe is the stuff of human drama and you were there history **Acts of Desire** Sos Eltis,2013-04-18 Acts of Desire is a study of

theatrical depictions of illicit female sexuality from seduction and prostitution to bigamy and adultery from the beginning of the nineteenth century through to the 1930s **A History of Human Beauty** Arthur Marwick, 2007-06-21 If Cleopatra's nose had been half an inch longer neither Caesar nor Mark Antony would have fallen in love with her It A History of Human Beauty treats outstanding physical attractiveness as a quality or possession comparable to power intelligence strength wealth education or family that had a marked effect on history Beauty in men and women opened opportunities to its possessors not available to the ordinary looking or ugly While in the past women have had to use the lure of sex to achieve power or wealth epitomised by royal mistresses or the Grandes Horizontales of the nineteenth century modern film stars male and female can acquire great wealth simply by the use of their images while attractiveness on television is an essential modern qualification for power as shown by Ronald Reagan and Tony Blair Victorian Women Peter Bell, 1989 **Picture World** Rachel Teukolsky, 2020-08-16 The modern media world came into being in the nineteenth century when machines were harnessed to produce texts and images in unprecedented numbers In the visual realm new industrial techniques generated a deluge of affordable pictorial items mass printed photographs posters cartoons and illustrations These alluring objects of the Victorian parlor were miniaturized spectacles that served as portals onto phantasmagoric versions of the world Although new kinds of pictures transformed everyday life these ephemeral items have received remarkably little scholarly attention Picture World shines a welcome new light onto these critically neglected yet fascinating visual objects They serve as entryways into the nineteenth century's key aesthetic concepts Each chapter pairs a new type of picture with a foundational keyword in Victorian aesthetics a familiar term reconceived through the lens of new media Character appears differently when considered with caricature in the new comics and cartoons appearing in the mass press in the 1830s likewise the book approaches realism through pictorial journalism illustration via illustrated Bibles sensation through carte de visite portrait photographs the picturesque by way of stereoscopic views and decadence through advertising posters Picture World studies the aesthetic effects of the nineteenth century's media revolution it uses the relics of a previous era's cultural life to interrogate the Victorian world's most deeply held values arriving at insights still relevant in our own media age **Chronicle of the Horse** , 1971 **Bibliography of British History, 1851-1914** American Historical Association, Royal Historical Society (Great Britain), 1976 **Женщины Викторианской Англии.
