Defending the American Way of Life Kevin B. Witherspoon,2018-12-01 Winner 2019 NASSH Book Award Anthology The Cold War was fought in every corner of society including in the sport and entertainment industries Recognizing the importance of culture in the battle for hearts and minds the United States like the Soviet Union attempted to win the favor of citizens in nonaligned states through the soft power of sport Athletes became de facto ambassadors of US interests their wins and losses serving as emblems of broader efforts to shield American culture both at home and abroad against communism In Defending the American Way of Life leading sport historians present new perspectives on high profile issues in this era of sport history alongside research drawn from previously untapped archival sources to highlight the ways that sports influenced and were influenced by Cold War politics Surveying the significance of sports in Cold War America through lenses of race gender diplomacy cultural infiltration anti communist hysteria doping state intervention and more this collection illustrates how this conflict remains relevant to US sporting institutions organizations and ideologies today

Slang American Style Richard A. Spears,1996-02-01 Fun to read and packed with information this contemporary dictionary of American slang includes terms that are likely to be heard in movies on television in the streets and on college campuses

The American Way of Writing Steven D. Stark,2019-08-28 Explains the uniquely American cultural references that appear in American English for students and professionals to increase their written command of the language Language is a window into the soul of a culture The hardest part for newcomers who want to master American English is not learning the alphabet grammar or vocabulary it s understanding the distinctive way Americans approach the world This book shows readers how to do just that The American Way of Writing guides readers through the nuances of American English providing a toolkit for non native speakers who come to the United States to study as well as international business and legal professionals who have to work and communicate with Americans in a professional or business context Understanding what makes Americans uniquely American is a challenging subject for anyone to master Such characteristics are always in flux and a source of constant debate Steven D Stark s comprehensive approach to American English in The American Way of Writing is suited to Americans and foreigners alike offering a deeper understanding of the ties that bind rather than divide

Landers, 2001-09-13 In this book both beginning and experienced translators will find pragmatic techniques for dealing with problems of literary translation whatever the original language Certain challenges and certain themes recur in translation whatever the language pair This guide proposes to help the translator navigate through them Written in a witty and easy to read style the book's hands-on approach will make it accessible to translators of any background A significant portion of this Practical Guide is devoted to the question of how to go about finding an outlet for one's translations **A History of Cant and Slang Dictionaries** Julie Coleman, 2008-10-23 This book continues Julie Coleman's acclaimed history of dictionaries of English slang and cant It describes the increasingly systematic and scholarly way in which such terms were recorded and classified in the UK the USA Australia and elsewhere and the huge growth in the publication of and public appetite for dictionaries glossaries and guides

to the distinctive vocabularies of different social groups classes districts regions and nations Dr Coleman describes the origins of words and phrases and explores their history By copious example she shows how they cast light on everyday life across the globe from settlers in Canada and Australia and cockneys in London to gang members in New York and soldiers fighting in the Boer and First World Wars as well as on the operations of the narcotics trade and the entertainment business and the lives of those attending American colleges and British public schools The slang lexicographers were a colourful bunch Those featured in this book include spiritualists aristocrats socialists journalists psychiatrists school boys criminals hoboes police officers and a serial bigamist One provided the inspiration for Robert Lewis Stevenson s Long John Silver Another was allegedly killed by a pork pie Julie Coleman s account will interest historians of language crime poverty sexuality and the criminal underworld The Dry Goods Reporter ,1915 The Christian Writer's Manual of Style

Zondervan,2010-05-11 An essential tool for writers editors proofreaders designers copywriters production managers and marketers too The Christian Writer s Manual of Style is an essential tool not only for writers of religious materials but for their editors proofreaders designers copywriters production managers and even marketers Rather than simply repeating style information commonly available in standard references this newly updated and expanded edition includes points of grammar punctuation usage book production and design and written style that are often overlooked in other manuals It focuses on information relating to the unique needs and demands of religious publications such as discussions on how to correctly quote the Bible how to capitalize and use common religious terms and how to abbreviate the books of the Bible and other religious words Also included are rarely found items such as an author s guide to obtaining permissions guidelines for using American British and Mid Atlantic styles discussions of inclusive language profanity and ethnic sensitivities discussions of Internet and computer related language style a list of problem words style issues regarding words from major world religions a discussion of handling brand names in text a list of common interjections issues of type design paper copy fit This edition has been completely updated since the 1988 edition and contains more than twice as much information as the previous edition This is the most detailed and comprehensive guide of its kind **Language in the USA** Edward

Finegan,John R. Rickford,2004-06-24 Publisher Description The American Way of Life Lawrence R. Samuel,2017-05-25 Telling the full story of the American Way of Life or more simply the American Way in the United States over the course of the last century reveals key insights that add to our understanding of American culture Lawrence R Samuel argues that since the term was popularized in the 1930s the American Way has served as the primary guiding mythology or national ethos of the United States More than that however this work shows that the American Way has represented many things to many people making the mythology a useful device for anyone wishing to promote a particular agenda that serves his or her interests A consumerist lifestyle supported by a system based in free enterprise has been the ideological backbone of the American Way but the term has been attached to everything from farming to baseball to barbecue There really is no single

identifiable American Way and never has been it becomes clear after tracing its history making it a kind of Zelig of belief systems If our underlying philosophy or set of values is amorphous and nebulous then so is our national identity and character Samuel concludes implying that the meaning of America is elastic and accommodating to many interpretations This unique thesis sets off this work from other books and helps establish it as a seminal resource within the fields of American history and American studies *Dry Goods Reporter and Midwest Merchant-economist* ,1915 *The Author & Journalist* ,1928 **Author and Journalist** ,1925 *A Centennial Commissioner in Europe, 1874-76* John Weiss FORNEY,1876
