LL Leslie

Sleep No More Railway Canal And Other Stories Of The Supernatural:

Sleep No More L. T. C. Rolt, 1948 **Sleep No More** L. T. C. Rolt, 1974 *Horror Literature from Gothic to Post-Modern* Michele Brittany, Nicholas Diak, 2020-03-02 From shambling zombies to Gothic ghosts horror has entertained thrill seeking readers for centuries A versatile literary genre it offers commentary on societal issues fresh insight into the everyday and moral tales disguised in haunting tropes and grotesque acts with many stories worthy of critical appraisal This collection of new essays takes in a range of topics focusing on historic works such as Ann Radcliffe's *Gaston de Blondville* 1826 and modern novels including Max Brooks *World War Z* Other contributions examine weird fiction Stephen King Richard Laymon Indigenous Australian monster mythology and horror in picture books for young children **The Mammoth Book of Best New Horror 13** Stephen Jones, 2012-03-01 Number 13 lucky for horror fans This award winning anthology series has now reached its thirteenth spectacular volume and to mark the event Steve Jones has chosen only the very best short stories and novellas by today's finest exponents of the horror genre Contributors to this volume include Gala Blau Ramsey Campbell Dennis Etchison Charles Grant Glen Hirshberg Chico Kidd Nancy Kilpatrick Paul J McAuley Conrad Williams Also featuring the most comprehensive overview of the year a fascinating necrology and a list of useful contacts this is the one book that all lovers of the supernatural and psychological terror will want on their shelves **Space, Haunting, Discourse** Maria Holmgren Troy, Elisabeth Wennö, 2009-05-27 This anthology reflects the current interest in the concept of space as a revitalising approach to literary social mental political and discursive phenomena The contributions which examine novels films art and cultures invite the reader to consider the function of space in human constructions as symbolic representation analytical tool discursive strategy and haunting effect In a wider context they demonstrate the extent to which spatiality impacts on our lives and has ethical political historical and cultural implications The contributors represent a wide range of disciplines in the Humanities Literature Photography Art Human Geography Ethnic Studies and Cultural Studies Maria Holmgren Troy and Elisabeth Wennö are Associate Professors in English Literature at Karlstad University Sweden

Teaching the Gothic A. Powell, A. Smith, 2006-03-21 Teaching the Gothic provides a clear and accessible account of how scholarship on the Gothic has influenced the way in which the Gothic is taught The book examines a range of topics including Gothic criticism Theory Romantic Gothic Victorian Gothic Female Gothic Gothic Sexualities Gothic Film and Postgraduate developments **Gothic Travel through Haunted Landscapes** Lucie Armitt, Scott Brewster, 2022-12-06 This book argues that the process and experience of travel in Gothic literature provides a unique and transformative perspective on the relationship between fear and recurring cultural preoccupations from the late eighteenth century to the present ranging from concerns about climate change or the presence of the unseen to the negotiation of cultural difference and the apprehension produced by various modes of modern transport and unknown unknowable terrain The book follows travellers who take many fictional forms tourists commuters walkers explorers as well as the armchair tourist or reader as they encounter fascinating

strange and often disconcerting weathers climates landscapes and topographies Gothic travel epitomises the wonder excitement suspicion or incomprehension that arises from journeys through familiar and unfamiliar terrain While exposure to the wild elemental or primitive could produce the elevation of the sublime in early Gothic increasingly the experience of travel raised unsettling questions about people places and environments that lay beyond established frames of knowledge Gothic travellers are haunted never alone and the experience of journeying through these landscapes provokes fears that may shadow them even after they have returned to home ground Climates of Fear reveals the persistent ways in which Gothic narratives of travel confront fears about the environment surveillance im migration and the foreign These abiding concerns speak loudly to the present time however when the encroachments on our immediate surroundings from climate change digital communication and geopolitical dislocation seem at once remote and intimate invisible yet urgent Thus the book also asks whether recent portrayals of Gothic journeys now pose different questions to the reader

AUDINT#Unsound:Undead Steve Goodman,Toby Heys,Eleni Ikoniadou,2019-06-18 Tracing the the potential of sound infrasound and ultrasound to access anomalous zones of transmission between the realms of the living and the dead For as long as recording and communications technologies have existed operators have evoked the potential of sound infrasound and ultrasound to access anomalous zones of transmission between the realms of the living and the dead In Unsound Undead contributors from a variety of disciplines chart these undead zones mapping out a nonlinear timeline populated by sonic events stretching from the 8th century BC the song of the Sirens to 2013 acoustic levitation with a speculative extension into 2057 the emergence of holographic and holosonic phenomena For the past seven years the AUDINT group has been researching peripheral sonic perception unsound and the ways in which frequencies are utilized to modulate our understanding of presence non presence entertainment torture and ultimately life death Concurrently themes of hauntology have inflected the musical zeitgeist resonating with the notion of a general cultural malaise and a reinvestment in traces of lost futures inhabiting the present This undead culture has already spawned a Lazarus economy in which Tupac ODB and Eazy E are digitally revived as laser lit holograms The obscure otherworldly dimensions of sound have also been explored in the sonic fictions produced by the likes of Drexciya Sun Ra and Underground Resistance where hauntology is virtually extended the future appears in the cracks of the present The contributions to this volume reveal how the sonic nurtures new dimensions in which the real and the imagined fictional hyperstitional speculative bleed into one another where actual sonic events collide with spatiotemporal anomalies and time travelling entities and where the unsound serves to summon the undead Contributors Lawrence Abu Hamdan Lendl Barcelos Charlie Blake Lisa Blanning Brooker Buckingham Al Cameron Erik Davis Kodwo Eshun Matthew Fuller Kristen Gallerneaux Lee Gamble Agn s Gayraud Steve Goodman Anna Greenspan Olga Gurionova S Ayesha Hameed Tim Hecker Julian Henriques Toby Heys Eleni Ikoniadou Amy Ireland Nicola Masciandaro Ramona Naddaff Anthony Nine The Occulture Luciana Parisi Alina Popa Paul Purgas Georgina Rochefort Steven Shaviro

Jonathan Sterne Jenna Sutela Eugene Thacker Dave Tompkins Shelley Trower and Souzana Zamfe Rocks of nation
 Shelley Trower,2015-07-17 Considers how national fantasy has been constructed through a wide range of narratives that have described rocks and landscape not merely as inert substances but moving living beings **Railways and Culture in Britain** Ian Carter,2001 The 19th century steam railway epitomized modernity's relentlessly onrushing advance Ian Carter delves into the cultural impact of the train Why for example did Britain possess no great railway novel He compares fiction and images by canonical British figures Turner Dickens Arnold Bennett with selected French and Russian competitors Tolstoy Zola Monet Manet He argues that while high cultural work on the British steam railway is thin British popular culture did not ignore it Detailed discussions of comic fiction crime fiction and cartoons reveal a popular fascination with railways tumbling from vast and hitherto unexplored stores of critically overlooked genres Historical Dictionary of Gothic Literature William Hughes,2013 Literary fashions come and go but some hang around longer than others like Gothic literature which has existed ever since The Castle of Otranto in 1764 During this long while it has spread from England to the rest of Great Britain and across to the continent and off to America and Australia filling in the gaps more recently Most of it is in English but hardly all and it has adopted all styles from romanticism to modernism to postmodernism and even adjusted to feminist and queer literature and science fiction We have all read some Gothic tales or if not read then seen them in the cinema since they adapt well to film treatment and it would be hard to find anyone who has not heard of ghosts and vampires let alone Count Dracula and Frankenstein On the other hand some of us are inveterate Gothic fans reading one book or story after the other The Historical Dictionary of Gothic Literature follows this long and winding path first in an extensive chronology and then a useful introduction which explains the nature of Gothic and shows how it has evolved Obviously the dictionary section has entries on major writers and some of the best known works but also on geographical variants like Irish Scottish or Russian Gothic and Female Gothic Queer Gothic and Science Fiction This is provided in over 200 often substantial and always intriguing entries More can be found in a detailed bibliography including general works but also more specialized ones on different styles and genres and also specific authors This book should certainly interest the fans but also more serious researchers **The Encyclopedia of the Gothic** William Hughes,David Punter,Andrew Smith,2015-10-06 The Encyclopedia of the Gothic features a series of newly commissioned essays from experts in Gothic studies that cover all aspects of the Gothic as it is currently taught and researched along with the development of the genre and its impact on contemporary culture Comprises over 200 newly commissioned entries written by a stellar cast of over 130 experts in the field Arranged in A Z format across two fully cross referenced volumes Represents the definitive reference guide to all aspects of the Gothic Provides comprehensive coverage of relevant authors national traditions critical developments and notable texts that define shape and inform the genre Extends beyond a purely literary analysis to explore Gothic elements of film music drama art and architecture Explores the development of the genre and its impact on contemporary culture

Gothic Britain William Hughes, Ruth Heholt, 2018-04-15 Coverage of canonical and less explored texts in fiction film and museology Innovative vision of how Gothic evokes the regions of Great Britain The first work to consider Gothic and the regional experience at length **The Mammoth Book of Best New Horror** Stephen Jones, Ramsey Campbell, 2002 The British Library General Catalogue of Printed Books to 1975 British Library, 1985 Canal Books Mark Baldwin, 1984
 The Bookseller ,1974 **The Threatening Object in Late Nineteenth-century American and British Fiction** Madeleine Aymone Cybèle Vala, 2004 **American Book Publishing Record Cumulative, 1950-1977: Fiction. Juvenile fiction** R.R. Bowker Company. Department of Bibliography, 1978 Short Story Index ,1974
