Double Homicide John Coston, 2017-07-11 Two riveting true crime sagas of a mother who murdered her two sons and a sex crazed serial killer who terrorized Montana together in one volume In this terrifying collection veteran reporter and former Wall Street Journal editor John Coston recounts the disturbing crimes of Ellen Boehm and Wayne Nance two seemingly ordinary citizens who killed for the most twisted and selfish reasons Sleep My Child Forever Single mom Ellen Boehm appeared to be a devoted mother But in reality she was unequipped for motherhood financially strapped and desperate Within a year of each other her sons ages two and four died mysteriously and Boehm's eight year old daughter suffered a near fatal accident when a hair dryer fell into the girl's bath Det Sgt Joseph Burgoon of St Louis Homicide soon unraveled a labyrinth of deception greed and obsession that revealed a cold blooded killer whose get rich quick scheme came at the cost of her children's lives To Kill and Kill Again To neighbors Wayne Nance appeared to be an affable considerate and trustworthy guy No one knew that he was the Missoula Mauler a psychopath responsible for a series of sadistic sex slayings

that rocked the idyllic town between 1974 and 1986 His victims included a preacher s wife a teenage runaway and a female acquaintance Then one September night Nance pushed his luck preying on a couple that lived to tell the tale **Child**

Homicide Lita Linzer Schwartz,Natalie Isser,2006-08-15 From governments that enact population limiting legislation or commit wholesale neonaticide to families who purposely allow a weak infirm or unfavorably gendered infant to perish rather than expend limited resources neonaticide infanticide and filicide are practiced on every continent and by every level of cultural complexity Taking **Endangered Children** Lita Linzer Schwartz,Natalie K. Isser,2011-12-13 From infancy onward children are in danger from many sources including parental and sibling abuse drug abuse and mental illness in the home parental neglect and poverty Removing an at risk child from a troubled environment brings on a host of new concerns and is not always a panacea Endangered Children Homicide and Other Crimes Second Edition focuses on the myriad threats facing children and provides insight into possible solutions Beginning with a history of child abuse the book explores this phenomenon as presented in literature and in other cultural references It then provides sociobiological and cross cultural perspectives on neonaticide It examines motives for abuse and explores how shame and denial of pregnancy can lead to the killing of an infant within moments of its birth The book examines legal ramifications to neonaticide in the U S and abroad including psychological and psychiatric defenses Additional chapters focus on shaken baby syndrome and Munchausen Syndrome by Proxy and the book includes a new chapter on postpartum depression The authors include profiles of several notorious cases including Susan Smith and Andrea Yates They also discuss issues related to abortion and euthanasia and conclude by suggesting preventive measures to child abuse and therapeutic rehabilitation Exploring a social tragedy from psychological sociological and criminological perspectives the authors attempt to answer the many questions that arise from these crimes against our most vulnerable offering readers a thought provoking resource that is sure to encourage further research and inquiry Poetry by Me and My Family Ronald J Yadusky Bs Facs, MD,Ronald J. FACS,2012-03 POETRY BY ME AND MY FAMILY About ART SCIENCE LOVE LIFE These poems are fun to read and you learn something new about art science love and life They come out of the love I have for my wife Margaret our children and our love for each other They awaken something in your heart that is beyond knowledge and they spiritually refresh because the poems say tangibly what we all feel intangibly to give finite form to the infinite The will to create and the will to love are one And so poems make love visible which uplifts and heals because in the presence of love everything is healed The mind seeks truth the heart seeks love and the spirit seeks goodness and God This creative spirit of love therefore shows us the face of God **The Murder of Asunta Yong Fang** Mark Guscini,2018-07-27 In September 2013 the body of 12 year old Asunta Basterra born in China and adopted while still a baby was found abandoned at the side of a woodland path near Santiago de Compostela in Spain Some days later her parents were arrested as the prime suspects of the murder and after a long and complicated trial which left various matters unsolved were each sentenced to 18 years in prison This is the first book in

English about the murder and trial and the only book to include the whole story as told in the author's interviews with Asunta's mother in prison the only authorized visit in her four years in prison the lawyers of both parties the policemen and women who were directly involved in the arrest and the investigation Asunta's ballet teacher and journalists who covered the story from beginning to end *When Caregivers Kill* Betty L. Alt, Sandra K. Wells, 2010-04-16 From mothers who kill their children in postpartum fugues to fathers who murder their kids for revenge against an estranged wife the stories in this book are chilling yet real and bring home the message that children are vulnerable to violence even in the care of those who should love and protect them the most Sadly child murder by parents and caregivers happens more frequently than one might guess and while each case is different there are often warning signs that something might be amiss Signs of physical abuse may precede the ultimate act of murder A mother's mental state after the birth of a child may signal true distress and the potential for extreme actions No one can predict with certainty when a parent or other caregiver may snap but here Alt and Wells examine many cases of child murder to find out what they have in common how we might prevent such violence and what more we can do to protect children in potentially explosive situations *The Life You Longed For* Maribeth Fischer, 2008-03-11 Award winning writer Fischer delivers a provocative and thrilling story about a devoted mother and the rumors or are they truths that surround her By mixing a controversial topic with gripping suspense *The Life You Longed For* is the definition of a page turner *Forever, That's How Long I'm Going to Love You* Zeke Smith, 2012-04-23 A modern day love story about a couple named Zeke and Legs Zeke sprung from a world filled with danger and secrets He was raised by two parents that instilled strong moral values in him Zeke instead began to favor the excitement of the street life Legs on the other hand was a stunning beauty from a loving family that fell victim to the negative trappings of urban life Their paths crossed as they were beginning to live a normal life Legs and Zeke fell madly in love in only a short time Their lust and desire for each became a priority They decided to marry when a child was on the way This began the drama that was their life Keep an open mind as you relive their lives The story is written with truth and detailed accounts of the many events that took place They both found God and sought redemption through Jesus the Christ Don't let the discomfort of their acts deter you from reading their entire story Remember they had to live through it too The real heroes of the story are God and Christ consequently without the resurrecting power of the almighty their lives may have remained lost I suggest you keep a Bible close by just as I did while writing the story **The Encyclopedia of Serial Killers** Michael Newton, 2006-02 The Encyclopaedia of Serial Killers Second Edition provides accurate information on hundreds of serial murder cases from early history to the present Written in a non-sensational manner this authoritative encyclopaedia debunks many of the myths surrounding this most notorious of criminal activities New major serial killers have come to light since the first edition was published and many older cases have been solved such as the Green River Killer or further investigated like Jack the Ripper and the Zodiac Killer Completely updated entries and appendixes pair with more than 30 new photographs and many new
