hope to do is make eating healthy a little easier First of all I have presented an alternative to the nutrition label that you will find easier to read Then I take all the snack foods that you love and evaluate if they are healthy whether there is too much sugar or salt or high fructose corn syrup If your favorite munchies aren't too good for you I have provided a list of some healthy alternatives Enjoy and hopefully pick up some healthy eating tips on the way In this book I examine the following categories of snacks cookies granola bar crackers and chips *Snack Attack*, 2019 Snacks for Dinner Lukas
