nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading

The texts under study here are Julia Alvarez's *Return to Sender* (2009), Norma E. Cant's *Canícula: Snapshots of a Girlhood in la Frontera* (1995), Mary Helen Ponce's *Hoyt Street: An Autobiography* (1993), and Esmeralda Santiago's *When I Was Puerto Rican* (1993) and *Almost a Woman* (1998). Unlike most representations of Latina girls, which are characterized by cultural inaccuracies, tropes of exoticism, and a tendency to associate the host society with modernity and their girls' cultures of origin with backwardness and oppression, these texts contribute to reimagining the social differently from what the dominant imagery offers. By illustrating the vexing phenomena the characters have to negotiate on a daily basis, such as racism, sexism, and displacement, these narratives open avenues for a critical exploration of the legacies of colonial modernity. This book therefore not only enables an analysis of how the girls' development is shaped by these structures of power but also shows how such legacies are reversed as the characters negotiate their identities. It breaks with the longstanding characterization of young people and especially Latina girls as voiceless and deprived of agency, showing readers that this youth group also has say in controlling their lifeworlds.
