Snapshots Of A Daughter In Law:

Snapshots of a Daughter-in-Law: Poems, 1954-1962 Adrienne Rich, 1967-11-17 The risk this book quietly takes and impressively fulfills is no less than to get life said Newly freed from the metrical conventions of her earlier books Adrienne Rich has lost none of her perfect pitch for the tones of language itself Philip Booth The Christian Science Monitor First published in 1963 this book is now restored to print in a new edition containing some revisions and one hitherto unpublished poem Snapshots of a Daughter-in-law Adrienne Rich, 1970 Reading Adrienne Rich Jane Roberta Cooper, 1984 Gathering reviews and essays which examine Rich's poetry and prose this text also looks at how critical opinion about her works has changed Adrienne Rich's Personal Vision in Snapshots of a Daughter-in-law Cecelia Iandoli, 1977

Imagining Incest Gale Swiontkowski, 2003 Imagining Incest examines daughter father relations as depicted in the poetry of Anne Sexton Sylvia Plath Adrienne Rich and Sharon Olds Swiontkowski demonstrates a progression in these relations from daughter as victim of the father in Sexton and Plath to daughter as rebel against the father in Rich to daughter as successor to the father in Olds Each poet utilizes the poetic motif of incest in varying degrees to convey this developing relationship and Swiontkowski shows that the struggles and triumphs inherent in this imagined relationship parallel many of the issues raised in the recent social crisis of recovered memories Imagining Incest thus casts light on a painful social issue and extends the hope that comparing these four women poets demonstrates that women who have suffered under the tyranny of a patriarchal system can rebel and overcome by confronting and redefining the incestuous nature of their relations with the fathers of society **Snapshots of a Daughter-in-law** Adrienne Rich (Mrs. Alfred Haskell Conrad.), 1967

An American Triptych Wendy Martin, 2016-09-01 Anne Bradstreet Emily Dickinson and Adrienne Rich share nationality gender and an aesthetic tradition but each expresses these experiences in the context of her own historical moment Puritanism imposed stringent demands on Bradstreet romanticism both inspired and restricted Dickinson and feminism challenged as well as liberated Rich Nevertheless each poet succeeded in forming a personal vision that counters traditional male poetics Their poetry celebrates daily life demonstrates their commitment to nurturance rather than dominance shows their resistance to the control of both their earthly and heavenly fathers and affirms their experience in a world that has often denied women a voice Wendy Martin recreates the textures of these women's lives showing how they parallel the shifts in the status of American women from private companion to participant in a wider public life The three portraits examine in detail the life and work of the Puritan wife of a colonial magistrate the white robed reclusive New England seer and the modern feminist and lesbian activist Their poetry Martin argues tells us much about the evolution of feminist and patriarchal perspectives from Bradstreet's resigned acceptance of traditional religion to Dickinson's private rebellion to Rich's public criticism of traditional masculine culture Together these portraits compose the panels of an American triptych Beyond the dramatic contrasts between the Puritan and feminist vision Martin finds striking parallels in form An ideal of a new world

whether it be the city on the hill or a supportive community of women inspires both Like the commonwealth of saints this concept of a female collectivity which all three poets embrace is a profoundly political phenomenon based on a pattern of protest and reform that is deeply rooted in American life Martin suggests that through their belief in regeneration and renewal Bradstreet Dickinson and Rich are part of a larger political as well as literary tradition An American Triptych both enhances our understanding of the poets work as part of the web of American experience and suggests the outlines of an American female poetic

Mohammed, Frank Jacob, 2021-11-22 Marriage was historically not only a romantic ideal but a tool of exploitation of

women in many regards Women were often considered commodities and marriage was far away from the romantic stereotypes people relate to it today While marriages served as diplomatic tools or means of political legitimization in the past the discourses about marital relationships changed and women expressed their demands more openly Discourses about marriage in history and literature naturally became more and more heated especially during the long 19th century when marriages were contested by social reformers or political radicals male and female alike The present volume provides a discussion of the role of marriage and the discourses about in different chronological and geographical contexts and shows which arguments played an important role for the demand for more equality in marital relationships It focuses on marriage discourses may they have been legal or rather socio political ones In addition the disputes about marriage in literary works of the 19th and 20th centuries are presented to complement the historical debates
