**Ex-Wife** FX,2025-01-23 One billion I ll buy her He was the man rumored to be as cold and ruthless as the reaper himself with merciless methods and a deep seated disdain for women Yet she was the only exception he couldn t let go of After a night of passion he scoured the entire city but failed to find her until they met again by chance at an auction There he spent an astronomical sum to claim her She thought her life would forever remain humble and lowly under such circumstances but an unexpected accident erased his memory granting her freedom once more Just as she believed her life had finally returned to peace he reappeared before her staring intently and saying Woman you look familiar *Faraway Places* Albert

Trajstman,2019-02-01 Faraway Places is a collection of three novellas that goes to dark and dingy places that the faint hearted might wish are truly faraway But are they Not when you take a crazed trip with an odd ball who dreams of a faraway place while all the while he is on a slow burn to insanity Maybe he can solve the problem of living in a caravan alongside a garbage tip with a foul mouthed significant other and a companion dog That s not an easy problem to solve when you lack initiative Perhaps the frozen wastelands of pre revolutionary Russia are a change of location but still you ll find that it s that kind of faraway place where many bizarre things could be possible dogheaded people might exist a nasty con man can

become a tsar and if you want to save your skin there are people you should avoid If that s not enough then waiting to be solved is the provenance of two mysterious trunks and their contents in the basement of St Petersburg s Hermitage Finally a misconception about a killing on an isolated farm in a British colony in 1815 leads to disastrous consequences Decent men can commit abominable acts and criminals can be decent In this faraway place it s brutal times all round brutal times for the original native inhabitants for settlers and their women and for the convicts and child convicts A gripping read **Enemy of the State** Vince Flynn,Kyle Mills,2021-07-06 After 9 11 the United States made one of the most secretive and dangerous deals in its history The evidence against the powerful Saudis who coordinated the attack would be buried In return King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst When the king s own nephew is discovered funding ISIS the US president suspects that the Saudis never intended to live up to their agreement He decides that the royalty needs to be sent a message and that Mitch Rapp is just the man to deliver it The catch Rapp must do it entirely on his own **The Valley of Hope** David N.
