HELP! I've Fallen into Old Age and I Can't Get Up! Myra Smith, 2022-03-26 Myra Smith's book about aging will tickle the funny bone of all readers but particularly members of the Baby Boomer generation From falls weight loss plans memory loss

tech issues and goofy vacation scenarios to scary doctor visits surgeries and hobbies gone bad Myra has done it all Her husband tolerates the trail of card stickers and loss of personal fortune from her card business her grown children maintain their dignity when she asks stupid questions such as What day of the week does Thanksgiving fall on and Where is the Alamo Dome They save their hysteria about the fact that their mother doesn't know she has a garage door opener and thinks cut and paste is only for elementary students Her grandkids endure her ignorance about technology and her dim knowledge of fairies Disney characters Lego construction magna tiles and superheroes They graciously instruct her on as many of these topics as her small memory allows Her friends accompany her on shopping trips and listen to her horror stories about doctor visits and surgery When she refers to their grandchildren by saying Oh she is adorable and He is getting so big they share a knowing smile They don't laugh when she sports a new blouse with the XL label in full view or shows up with lipstick smeared on her face Myra's book is a tell all about getting older but not wiser It's a funny romp through time that is flying by at record speed The bad news is that sooner or later we will all fall into old age The good news is that we can laugh at ourselves in the process

A Tree House Memoir Kathy Oades-Kelly MS LPC NCC, 2021-02-22 Growing older often catches us by surprise As I welcomed my 70th year of life everything I knew to call normal changed My husband John Kelly and I moved very unexpectedly from our house I loved into a villa in a retirement community In one of the moving boxes from my office I discovered a gift that would profoundly change my life It was from my two oldest granddaughters Ashley and Emily It was a handmade spiral bound journal with a picture of a teacup and the words Grandma tell us your story I couldn't imagine having the time or the courage to do it However I promised myself to think about it as I tucked it away for someday The coronavirus pandemic of 2020 provided me with the opportunity Writing my memoir has been both a labor of love to birth and one of the most profound experiences of my lifetime I could never have imagined myself continuing to see my clients remotely for our counseling sessions and then using the isolation and confinement of being quarantined as a gift of time to write Only God could have divinely inspired me to sift through 70 years and choose what I did to write about I learned some amazing life lessons along the way I learned to finally see and understand that God was with me and a part of everything that has happened in my life My life was meant to be a gift My memoir is filled with 70 vignettes and life lessons that span my lifetime I dedicate this book to all those I have written about and who have been so important in my journey
