Leonard, 2011-05-18 Since 1976 newcomers and natives alike have learned about the rich history of the magnificent place they call home from Colorado A History of the Centennial State In this revised edition co authors Carl Abbott Stephen J Leonard and Thomas J Noel incorporate more than a decade of new events findings and insights about Colorado in an accessible volume that general readers and students will enjoy The fourth edition tells of conflicts new alliances and changing ways of life as Hispanic European and African American settlers flooded into a region that was already home to Native Americans Providing balanced coverage of the entire state's history from Grand Junction to Lamar and from Trinidad to Craig the authors also reveal how Denver and its surrounding communities developed and gained influence While continuing to elucidate the significant impact of mining agriculture manufacturing and tourism on Colorado this edition broadens its coverage The authors expand their discussion of the twentieth century with several new chapters on the

economy politics and cultural conflicts of recent years In addition they address changes in attitudes toward the natural environment as well as the contributions of women Hispanics African Americans and Asian Americans to the state Dozens of new illustrations updated statistics and an extensive bibliography of the most recent research on Colorado history enhance this edition Domesticating the West Brenda K. Jackson, 2005-01-01 In 1881 Thomas and Elizabeth Tannatt said a final good bye to Massachusetts and the eastern seaboard and set out in search not of land but of opportunities for social and political advancement Facing severe limitations to their goals in the depressed and disheveled postwar East the Tannatts went west to Walla Walla Washington Territory to pursue their dreams of influence and status Domesticating the West examines the motivations of late nineteenth century middle class migrants who moved west to build communities and establish themselves as leaders The West offered new opportunities for solidly middle class eastern families who endured hardship uncertainty and displacement during the Civil War and who struggled to carve out meaningful social space in the war s aftermath Brenda K Jackson places the Tannatts at the center of this movement and demonstrates how gender class and place affected the new migrants abilities to integrate into their new communities She also shows how easterners redefined themselves as leaders of a new moral western environment through volunteerism and political participation While many studies of westward expansion focus exclusively on the earliest pioneers Jackson adroitly shows how later arrivals shaped the social economic and cultural growth of the nation **Give Me Eighty Men** Shannon D. Smith, 2021-12-08 With eighty men I could ride through the entire Sioux nation The story of what has become popularly known as the Fetterman Fight near Fort Phil Kearney in present day Wyoming in 1866 is based entirely on this infamous declaration attributed to Capt William J Fetterman Historical accounts cite this statement in support of the premise that bravado vainglory and contempt for the fort s commander Col Henry B Carrington compelled Fetterman to disobey direct orders from Carrington and lead his men into a perfectly executed ambush by an alliance of Plains Indians In the aftermath of the incident Carrington s superiors including generals Ulysses S Grant and William T Sherman positioned Carrington as solely accountable for the massacre by suppressing exonerating evidence In the face of this betrayal Carrington s first and second wives came to their husband s defense by publishing books presenting his version of the deadly encounter Although several of Fetterman s soldiers and fellow officers disagreed with the women s accounts their chivalrous deference to women s moral authority during this age of Victorian sensibilities enabled Carrington s wives to present their story without challenge Influenced by these early works historians focused on Fetterman s arrogance and ineptitude as the sole cause of the tragedy In Give Me Eighty Men Shannon D Smith reexamines the works of the two Mrs Carringtons in the context of contemporary evidence No longer seen as an arrogant firebrand Fetterman emerges as an outstanding officer who respected the Plains Indians superiority in numbers weaponry and battle skills Give Me Eighty Men both challenges standard interpretations of this American myth and shows the powerful influence of female writers in the nineteenth and twentieth centuries **The**

Gendering Radicalism Beth Slutsky, 2015 In 1919 Charlotte Anita Whitney a wealthy white woman received one of the first Communist Labor Party membership cards for the charter group of the northern California Communist Labor Party Less than a decade later in Berkeley California a Jewish woman named Dorothy Ray Healey became a card carrying member of the Young Communist League Nearly forty years later in 1966 Kendra Claire Harris Alexander a mixed race woman enlisted with the Los Angeles branch of the Communist Party determined to promote class equality In Gendering Radicalism Beth Slutsky examines how American leftist radicalism was

experienced through the lives of these three women who led the California branches of the Communist Party from its founding in 1919 to its near dissolution in 1992 Separately each woman represents a generation of the membership and activism of the party Collectively Slutsky argues their individual histories tell the story of one of the most infamous organizations this country has ever known and in a broader sense represent the story of all women who have devoted their lives to radicalism in America Slutsky considers how gender politics California s political climate coalitions with other activist groups and local communities and generational dynamics created a grassroots Communist movement distinct from the Communist parties in the Soviet Union and Europe An ambitious comparative study Gendering Radicalism demonstrates the continuity and changes of the party both within and among three generations of its female leaders lives **Historical**
