**After a Long Winter's Sleep** Dr. Michael Bunch, 2025-03-26 Over the course of our walk with the Lord we inevitably experience many ups and downs Eventually there will come a time when we feel remote from the Lord and even at times as if we have been abandoned by Him This is far from the truth As we struggle walk run stumble and fall He is right there at our side Even when the darkness surrounds us so completely that we can see nothing except the impending doom within the darkness He is there In those times He carries us when we feel that we cannot endure anymore He wraps us in His loving arms showers us with His Shekinah glory and bathes us in His compassion This gives us renewed strength to continue to struggle on to the ultimate victory These dark moments are not pleasant but they are essential to our growth into what the Lord has planned for us to become I as the author of this book hope that at least one or more of these short stories will touch you during one of the inevitable dark moments and remind you that you are a precious child of the Lord and He has you firmly by the hand as He

Robert Kemp Philp,      Crave for light Aimar Rollan,2019-10-25 For the Sufis there is no greater punishment than to feel nostalgic for being separated from the source nor greater reward than to feel attached to it Thus the emotion that predominates in this work is nostalgia and its consequent yearning to break free from it and merge into Unity This is the story of a fall a loss a recovery and an ascension It is the story of a search for

light from the deepest darkness It is written in poetic prose with brief fragments independent of each other which can be read in isolation but that have a certain cohesion since each fragment carries or craves a little more light than the previous one It is about a man who has lost his light but who harbors a faint flash of memory of her That transience tortures his mind and makes him embark on a path of ascension to recover that precious treasure It goes through all phases of depression sadness and melancholy rejoicing in its loss In the initial phases he identifies that lost light with the love of a woman with the love of many women who are one for him and the loss of that love is the germ of his melancholy As he progresses in his tribulation he recognizes that this yearned light belongs to something more subtle and deep to the realm of his soul He recognizes that emotional pain comes from feeling separated from the primordial source This work is written in a somber language but in its background aims to convey beauty hope and joy **Tales Until Dawn** Joe Neil MacNeil, John

Shaw, 1987-07-01 MacNeil also describes his early years in a Gaelic speaking rural community where story telling is still a basic element of community life He explains how he learned the tales and the customs and practices associated with their telling He also introduces us to the families and individuals who were custodians of the tales John Shaw's introduction outlines the informant's tradition and its place in the world of the European story teller The commentaries of MacNeil and Shaw the tales the games and the other folk material offer a rich and unique perspective on the Gaelic culture generally and as it has developed on Cape Breton Island in particular **The City and Its Uncertain Walls** Haruki Murakami, 2025-09-09 NEW YORK TIMES BESTSELLER A GLOBE AND MAIL BEST BOOK OF THE YEAR A REAL SIMPLE BEST BOOK OF THE YEAR From the author of Norwegian Wood and Hard Boiled Wonderland and the End of the World comes a love story a quest an ode to books and to the libraries that house them and a parable for our peculiar times Haruki Murakami invented 21st century fiction The New York Times More than any author since Kafka Murakami appreciates the genuine strangeness of our real world San Francisco Chronicle Murakami is masterful Los Angeles Times When a young man's girlfriend mysteriously vanishes he is heartbroken and determined to find the imaginary town where he suspects she has taken up residence Thus begins a lifelong search that takes the man into middle age to a job in a remote library with mysteries of its own and on a journey between the real world and this otherworld a shadowless city where unicorns roam and willow trees grow There he finds his beloved working in a different library a dream library But she has no memory of their life together and as the seasons pass and the man grows more uncertain about the porous boundaries between these two worlds he must decide what he is willing to lose A love story a quest an ode to books and to the libraries that house them The City and Its Uncertain Walls is a parable for these strange times and singular and towering achievement by one of modern literature's most important writers Truth is not found in fixed stillness but in ceaseless change movement Isn't this the quintessential core of what stories are all about Haruki Murakami from the afterword **Everyday Life Science Mysteries** Richard
