Kunzang Choden, 2012-06-25 These deceptively simple stories uncover both the complexity and irony of women's lives in Bhutan today They show how ordinary lives choices and experiences are both remarkable and poignant In I am a Small Person a despised woman uses her femininity as a means to control a man the young girl in I Won't ask Mother suddenly

feels empowered and confident when she makes a decision without consulting her mother. All the stories take place in rural settings to which creeping urbanisation brings gradual change and tensions surface between the new and the old or the traditional and the modern. For many rural women, being able to connect to the city and all its perceived power and glamour is a very real aspiration. This yearning is exemplified in *Look at her Belly Button* where a young woman effortlessly slips out of the role of a farmer to become a real Bhutanese urbanite. Published by Zubaan.

A daughter keeps her father's legacy alive while hiding his darkest secrets. Including five new stories written for this collection along with the first ever Chanse MacLeod short story. Faint Heart and Other Stories Jack Hopkins, 2008. Ask yourself: if you heard that Cinderella was not living happily ever after with her Prince Charming, would you want descriptions of her ballroom gowns, or would you just want to know the whys, the hows, and the did he? *Faint Heart and Other Stories* is a collection of light-hearted short stories designed to reach a satisfying conclusion before the reader has forgotten the

beginning It s perfect for bringing a smile on a miserable bus or a crowded train or a wonderful book to go to bed with The animals that often feature in these stories owe nothing to Attenborough though perhaps a little to Beatrix Potter and Chaucer There is no time for description and page turning cliffhangers that force the reader to miss their stop or move too long into valuable sleep time the aim is to get to the end with a satisfying neatly tied off bow White Nights and Other Stories Fyodor Dostoyevsky,1918 *The Cold Equations & Other Stories* Tom Godwin,2003 This is a collection of stories by a master of science fiction adventure with added dimensions of speculation and cold hard realism "And All Our Yesterdays..." and *Nine Other Stories* Kenneth C. Gardner Jr.,2014-05-22 The stories in All Our Yesterdays and Nine Other Stories continue to explore the lives of the Cockburn family and other characters in and around the fictional town of Menninger North Dakota first created in the novel *The Song Is Ended* and continued in the novel *The Dark Between The Stars* and the short stories in *Meatball Birds* and *Seven Other Stories* While the events and the characters found in the ten stories exist in rural and small town settings the themes explored have a universal appeal *The Protectors & Other Stories* Nasir Mahmood,2011-04-20 This collection of short stories takes its title from one of the stories contained in it *The Protectors* All stories are basically romantic in nature but they are not simple love stories Their themes have all the colours and their myriad shades to afford you a panoramic view of the world we live in The first story for example is that of a boy whose rebellious nature not accepting the norms of a corrupt society struggles to achieve a job on the basis of his qualification and not on the recommendation of a friend Another story deals in defence of the motherland from the vicious attack of a rival force Then there is a story which gives a graphic picture of a poverty stricken housing scheme where women forgetting about their self respect stoop so low as to adopt a life style both execrable and pitiable but there are women and there are women In brief the book touches on unemployment indignity of a religious family and inheritance inciting to murder A story each describes the horrendous custom of doing away with female foetuses the ugly face of feudalism and foundering efforts of a courtesan to escape to a righteous life Last but not least is the story of educated youth who for want of any reasonable job resort to robbery The book takes you along on a journey which unravels a picture of unspeakable misery some people are subjected to One would feel the milk of human kindness is drying up fast One could read these stories with a view to killing time but if they pause and think well that is exactly what these stories are aimed at Things Look Different in the Light & Other Stories Medardo Fraile, Ali Smith,2014-03-04 Medardo Fraile born in Madrid in 1925 is considered to be one of Spain s finest short story writers The collection *Cuentos de verdad* on which this anthology is based won him the 1965 Premio Nacional de la Cr tica While his stories have appeared in translation in other story collections this is the first complete anthology of his work to appear in English Like Anton Chekhov and Katherine Mansfield Medardo Fraile is a chronicler of the minor tragedies and triumphs of ordinary life and each short tale opens up an entire exquisite world Pushkin Collection editions feature a spare elegant series style and superior durable components The Collection is typeset in
