Soaps Daytime Serials Of Radio And Tv:

The Soaps; Daytime Serials of Radio and TV Madeleine Edmondson, David Rounds, 1973 **The A to Z of American Radio Soap Operas** Jim Cox, 2009-07-17 The period from 1925 to 1960 was the heyday of the American Radio Soap Opera. In addition to being part of popular culture, the soap opera had important commercial aspects as well that were not only related to their production but also to the desperate need to sell products or perish. Both sides of this story are traced in this comprehensive compendium. The dictionary section made up of more than 500 cross-referenced entries provides brief vignettes of the more popular and also less well-known soaps among them: Back Stage Wife, Our Gal Sunday Pepper, Young's Family, and The Guiding Light. Other entries evoke those who brought these programs to life: the actors, announcers, scriptwriters, networks, and even the sponsors. Nor are the basic themes, the stock characters, and the gimmick forgotten. The book's introduction defines the soap opera, examines the span of the radio serial, reviews its origins and its demise, and focuses on the character types that made up its denizens. The chronology outlines the period, and the bibliography offers further reading. Together, these elements make a comprehensive reference work that researchers will find invaluable long into the future.

We Are What We Sell Danielle Sarver Coombs, Bob Batchelor, 2014-01-15 For the last 150 years advertising has created a consumer culture in the United

States shaping every facet of American life from what we eat and drink to the clothes we wear and the cars we drive In the United States advertising has carved out an essential place in American culture and advertising messages undoubtedly play a significant role in determining how people interpret the world around them This three volume set examines the myriad ways that advertising has influenced many aspects of 20th century American society such as popular culture politics and the economy Advertising not only played a critical role in selling goods to an eager public but it also served to establish the now world renowned consumer culture of our country and fuel the notion of the American dream The collection spotlights the most important advertising campaigns brands and companies in American history from the late 1800s to modern day Each fact driven essay provides insight and in depth analysis that general readers will find fascinating as well as historical details and contextual nuance students and researchers will greatly appreciate These volumes demonstrate why advertising is absolutely necessary not only for companies behind the messaging but also in defining what it means to be an American

Legitimizing Television Michael Z Newman,Elana Levine,2012-02-27 Legitimizing Television Media Convergence and Cultural Status explores how and why television is gaining a new level of cultural respectability in the 21st century Once looked down upon as a plug in drug offering little redeeming social or artistic value television is now said to be in a creative renaissance with critics hailing the rise of Quality series such as Mad Men and 30 Rock Likewise DVDs and DVRs web video HDTV and mobile devices have shifted the longstanding conception of television as a household appliance toward a new understanding of TV as a sophisticated high tech gadget Newman and Levine argue that television s growing prestige emerges alongside the convergence of media at technological industrial and experiential levels Television is permitted to rise in respectability once it is connected to more highly valued media and audiences Legitimation works by denigrating ordinary television associated with the past distancing the television of the present from the feminized and mass audiences assumed to be inherent to the old TV It is no coincidence that the most validated programming and technologies of the convergence era are associated with a more privileged viewership The legitimization of television articulates the medium with the masculine over the feminine the elite over the mass reinforcing cultural hierarchies that have long perpetuated inequalities of gender and class Legitimizing Television urges readers to move beyond the question of taste whether TV is good or bad and to focus instead on the cultural political and economic issues at stake in television s transformation in the digital age To Be Continued... Robert C. Allen,2002-01-04 To Be Continued explores the world s most popular form of television drama the soap opera From Denver to Delhi Moscow to Manchester audiences eagerly await the next episode of As the World Turns The Rich Also Weep or Eastenders But the popularity of soap operas in Britain and the US pales in comparison to the role that they play in media cultures in other parts of the world To Be Continued investigates both the cultural specificity of television soap operas and their reception in other cultures covering soap production and soap watching in the U S Asia Europe Australia and Latin America The contributors consider the nature of soap as a media text the history of the serial narrative as

a form and the role of the soap opera in the development of feminist media criticism To Be Continued presents the first scholarly examination of soap opera as global media phenomenon

Medicine's Moving Pictures Leslie J. Reagan, Nancy Tomes, Paula A. Treichler, 2007 This groundbreaking book argues that health and medical media with their unique goals and production values constitute a rich cultural and historical archive and deserve greater scholarly attention Original essays by leading media scholars and historians of medicine demonstrate that Americans throughout the twentieth century have learned about health disease medicine and the human body from movies Heroic doctors and patients fighting dread diseases have thrilled and moved audiences everywhere amid changing media formats medicine s moving pictures continue to educate entertain and help us understand the body s journey through life Perennially popular health and medical media are also complex texts reflecting many interests and constituencies including notably the U S medical profession which has often sought if not always successfully to influence content circulation and meaning Medicine s Moving Pictures makes clear that health and medical media representations are more than illustrations shows their power to shape health perceptions practices and policies and identifies their social cultural and historical contexts Contributors Lisa Cartwright Vanessa Northington Gamble Rachel Gans Boriskin Valerie Hartouni Susan E Lederer John Parascandola Martin S Pernick Leslie J Reagan Naomi Rogers Nancy Tomes Paula A Treichler Joseph Turow Leslie J Reagan is an associate professor at the University of Illinois Urbana Champaign Nancy Tomes is a professor at Stony Brook University Paula A Treichler is a professor at the University of Illinois Urbana Champaign
