Encyclopedia of Women in Today's World Mary Zeiss Stange,Carol K. Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world **Soccer Coach Playbook** Run & Health Press,2019-12-20 Soccer Coach Book Training Notebook Match Score When you finally get to manage your very own soccer team you wear a crown that can be filled with thorns Being the coach of a team you are responsible for putting together a winning and competitive combination for your soccer team Compared to the big leagues college or high school soccer is no less in quality excitement and top class thrills but you need to have top class players as well A prompted fill in soccer team plays notebook to record all your soccer coaching notes playbook to referee record game statistics working with your teams training and drills Each page is undated allowing you to date the page as needed Features Soccer Play Drawing Field Templates Size 8X10 inches Cover Matte Softcover Interior Pages White Lined Pages Total Pages 110 total pages Gift For Soccer Coaches School Year Gift Sports and Recreation Gift Christmas Gift Birthday Gift Gift Under 10 **The assistant soccer coach** Denis Silva Puig,2020-06-13 The assistant soccer coach has existed for decades and is a standard figure within the coaching staff with specific roles functions and responsibilities However I find it strange that nobody has yet described this profession formally I used to only be a head coach until one day I was proposed to be the assistant coach of U18 team of FC Barcelona That is when I started thinking about writing this book moved by my desire to continue learning If I wanted to train in my new role I could only do it by asking others and observing training sessions But I was missing one of the pillars that has forever supported my training studying and reading With this book I hope to cover that lack of information The book is divided into two parts the first is based on describing the assistant coach in professional soccer and I have not found a more practical way to do it than through interviews with assistant coaches Each interviewee has contributed his experiences from working with the most recognized soccer coaches I am talking about people who have worked with Vicente del Bosque Ernesto Valverde Luis Enrique Pep Guardiola Mauricio Pochettino Sergio Gonz lez Quique S nchez Flores and Paulo Sousa The second part of the book is related to Youth soccer which I have experienced in clubs like

Atletico de Madrid and FC Barcelona I propose the role of the assistant coach working in Youth soccer to be more formative and educational than what is currently given and I want to direct their effort towards two dimensions the team's sporting performance which the vast majority do and the individualized analysis of the young player which very few do This second dimension is described in the last chapter to demonstrate a new vision of assistant coaches in Youth soccer who in my view have to dedicate their time to improving the players as an athlete and as a person in a more personalized and integral way
