**Rondo Soccer Drills** Chest Dugger, 2021-06-12 Have you wondered how Pep Guardiola's teams have dominated European leagues for the last two decades Not only is the answer simple it's something that you can use to take your game and your team's game leagues above your opposition The key to Pep's success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they've helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in

turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book Order Now *Soccer Drills: A 100 Soccer Drills to Improve Your Skills, Strategies and Secrets* Chest Dugger, 2017-12-22 Are you ready to take your soccer game to the next level Or just looking for ways to improve your team This book can help solve your problems **Soccer Drills** David Smith, 2014-09-30 Soccer Drills provides a wide variety of training drills for all levels of youth and adult soccer teams Each drill is broken down into step by step diagrams with possible variations on each drill given making the book a valuable resource for coaches The book is structured by drills according to age and skill level providing progressive training for teams A comprehensive resource this collection of 190 soccer drills practices and games is one of the most extensive ever produced covering all age groups and skills required Each drill has been rehearsed and refined over a period of many years and they are proven to work in developing skills and teamwork with players of all levels of ability Superbly illustrated with 582 step by step drill diagrams Circle Soccer Training Fabian Seeger, Stephan Kerber, 2019-05-01 Training players in circle playing fields develops and improves their game competence Circle Soccer Training contains an integrated game concept and provides varied training exercises for fast implementation in training practice that will benefit all players at any level The training in this book will give players and coaches a competitive edge over their opponents This book explains the main technical and tactical principles of the circle training concept It contains helpful information regarding the rules of the game coaching points how to organize each game or drill and detailed illustrations Beginning with an explanation on how to use this effective training for improving players technical abilities the book moves smoothly into the practical application presenting 100 circle games and drills that allow players to progress and develop their skills Also presented are innovative and cognitively demanding forms of play which are an integral and complex part of modern soccer The concepts of circle soccer and their application in training are important for all players at any level to develop their technical playing abilities With Circle Soccer Training players can create that competitive advantage over their opponents Soccer Training Malcolm Cook, Jimmy Shoulder, 2003 Soccer Training is the best selling coaching manual that brings together practices and routines used and recommended by some of the world's top coaches It contains over 60

games and drills aimed at developing specific skills from controlling and passing the ball to shooting and goalkeeping A fully updated training section looks at all aspects of the modern player s fitness needs     Fun Soccer Drills That Teach Soccer Skills to 5, 6, and 7 Year Olds Alanna Jones,2011 This book provides 117 drills for teaching soccer skills through fun easy to use games The drills are designed to teach the fundamentals of soccer in an enjoyable positive manner that keeps children focused engaged and entertained Your team will get a great workout maximum touches on the ball and develop the basic soccer skills needed to be successful soccer players Whether you have never coached soccer before or are an experienced coach you will find useful drills in this book to hold the attention of 5 6 and 7 year olds In addition to the 117 soccer drills found in this book you will find 107 variations so there is always a fresh way to teach or reinforce a skill Topics covered Warm up Dribbling Defending Passing Receiving Long Kicks Shooting Team Play Throw ins
