Social Sources of Church Growth Gil Soo Han, 1994 This work presents an investigation of the growth of the church in Korea and overseas with reference to pervasive Korean culture education industrialization and other religions Social Sources of Church Growth Gil Soo Han, 1994-11-08 Social Sources of Church Growth is the product of a comprehensive scientific study conducted to unveil the unexplained explosive growth of the Korean church both in Korea and overseas Despite much discourse on this subject Han explains that previous attempts to understand growth are futile without first employing the concept of church as social institution Han investigates the growth with references to pervasive Korean culture education industrialization and other religions Contents Introduction Literature Review Conceptual Framework and Methodology THE GROWTH OF CHURCH IN KOREA The Growth of the Church in Korea Up to 1960 Church Growth Industrialization Materialism and the Birth of Religio Economic Entrepreneurship THE GROWTH OF THE KOREAN ETHNIC CHURCHES IN SYDNEY Overview of the Life of Koreans and Korean Churches in Sydney The Ethnic Dimension of Korean Churches in Sydney The Political Dimensions of Korean Churches in Sydney Summary and Conclusion **Christianity in Korea** Robert E. Buswell, Jr., Timothy S. Lee, 2007-05-31 Despite the significance of Korea in world Christianity and the crucial role Christianity plays in contemporary Korean religious life the tradition has been little studied in the West Christianity in Korea seeks to fill this lacuna by providing a wide ranging overview of the growth and development of Korean Christianity and the implications that development has had for Korean politics interreligious dialogue and gender and social issues The volume begins with an accessibly written overview that traces in broad outline the history and development of Christianity on the peninsula This is followed by chapters on broad themes such as the survival of early Korean Catholics in a Neo Confucian society relations between Christian churches and colonial authorities during the Japanese occupation premillennialism and the theological significance of the division and prospective reunification of Korea Others look in more detail at individuals and movements including the story of the female martyr Kollumba Kang Wansuk the influence of Presbyterianism on the renowned nationalist Ahn Changho the sociopolitical and theological background of the Minjung Protestant Movement and the success and challenges of Evangelical Protestantism in Korea The book concludes with a discussion of how best to encourage a rapprochement between Buddhism and Christianity in Korea *Millennialism in the Korean Protestant Church* Ŭng-gyu Pak, Ung Kyu Pak, 2005 This book explains the origin and development of premillennial eschatology in the evangelical Korean church from 1884 to 1945 It examines the eschatological implications of Korean religious thought the eschatology of American missionaries the horrific experience of Japanese occupation 1910 1945 and the enforcement of Shinto shrine worship in light of Korean Christians tenacious hold on dispensational premillennialism This book explains the place of premillennialism in the Christian life and it deals with the cultural underpinnings of Christianity in Korean history by bringing to bear the complex social political and religious elements of Korean culture Korea - A

Religious History James H. Grayson, 2013-11-05 This is an historical survey of all the religious traditions of Korea in relation to the socio cultural trends of seven different periods of Korean history The book includes a discussion of the history of the study of religion in Korea a chronological description of Korean folk religion including shamanism Buddhism Confucianism Roman Catholicism and Protestantism Islam and Korean New Religions and some final observations about the unique characteristics of religious beliefs and practices in Korea

South Koreans and the Politics of Immigration in Contemporary Australia David Hundt, 2023-08-04 The book explores the politics of immigration in Australia through an in depth study of the new generation of young Korean migrants in Melbourne States with high rates of immigration such as Australia can largely determine who enter their societies but some migrants such as younger Koreans can determine how and where they live due to desirable attributes such as their skills education and adaptability The book uses Albert Hirschman s exit voice and loyalty schema to explore the choices available to such new and would be citizens especially when faced with economic social and or political decline in their host society Through in depth interviews the book explores if young Koreans were most attracted to the options of staying in Australia loyalty changing it from within voice or leaving exit The most common experience among younger Koreans the book finds is loyalty most respondents express satisfaction with their lives in Australia and want to make it their home These findings reveal how a particular group of migrants negotiates their citizenship with a would be host society By extension the book illustrates the range and degree of strategies available to other migrants and would be migrants and how they might secure their livelihoods and well being at a time of greater restrictions on international migration This book will be of interest to scholars of multiculturalism and immigration history in Australia citizenship and migration and Korean studies
