Lee, 2005 The milestone text integrating the disciplines of social work and divinity In everyday life spirituality and the practice of effective social work are inseparable As a result professionals and social service administrators have in recent years felt a stronger obligation to attend to the spiritual needs of clients Social Work and Divinity examines the potential of integrating the disciplines of social work with divinity to achieve positive results in practice while answering spiritual concerns Internationally respected scholars from diverse religious and ethnic backgrounds discuss the academic as well as the practical issues involved in the establishment and growth of dual degree programs Social Work and Divinity comprehensively explores both the theoretical and the practical foundations of joint professional education and practice for social work and divinity dual degree programs The book provides suggestions that will guide educators practitioners administrators and students to develop spiritually sensitive approaches to counseling people Emerging human needs are explored along with the challenges inherent in the multiple roles a counselor must adopt when developing an interdisciplinary approach Well reasoned insightful thoroughly referenced empirically reinforced with tables this is an essential text sure to become a choice educational reference Social Work and Divinity discusses the role of religion and spirituality in clinical social work the challenges for students integrating the curriculums of social work and divinity the collaboration to respond to the broader demands of emerging human needs the empirical evidence advocating the benefits of dual degree programs the challenges for educational institutions adopting dual degree programs in social work and divinity the formation of a professional identity in dual degree training and supervision the issues of teaching about organized religion in social work practical advice on integrating religion and social work the role of faith and spirituality in social work education Social Work and Divinity is a milestone textbook for graduate schools of social work and divinity and an essential resource for students and faculty involved in each discipline or in dual degree programs

Dual Degree Programs in Social Work and Divinity Beth L. Muehlhausen, 2010 There is a growing trend for graduate schools of social work to offer students the option of receiving dual degrees which gives students the ability to obtain a Master of Social Work

MSW along with a second graduate degree in less time than it would take to complete each degree individually As of 2005 there were approximately 30 different types of degrees that could be combined with graduate studies in social work one of which is a Master of Divinity M Div Very little is known about the effectiveness of such programs and the experiences of graduates completing them The aim of this study was to describe the lived experiences of persons receiving an MSW and an M Div from dual degree programs The National Association of Social Workers NASW includes religious and spiritual beliefs in its definition of culturally competent practice within the code of ethics Dual degree graduates are trained to engage in culturally competent practice by virtue of being extensively trained in the cultural context of the church through their M Div degree and extensively trained in the context of social work service delivery through their MSW degree Dual degree programs in social work and divinity are quite timely given that 96% of Americans say they believe in God or a universal spirit Phenomenology seeks to understand a particular phenomenon from the point of view of those who have experienced it With this in mind this study reports the findings resulting from interviews conducted with 16 graduates regarding their experiences while in a dual degree program One of the key phenomenological patterns that emerged in all the interviews conducted was that dual degree graduates want journey companions i e persons who share their worldview Religiously Affiliated Agencies: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.aboutobo.com **Christian Register and Boston Observer** ,1927 **British Qualifications** Kogan Page,2004 In a single volume the new edition of this guide gives comprehensive coverage of the developments within the fast changing field of professional academic and vocational qualifications career fields their professional and accrediting bodies levels of membership and qualifications and is a one stop guide for careers advisors students and parents It should also enable human resource managers to verify the qualifications of potential employees *American Universities and*
