Social Work Visions from Around the Globe Anna Metten, Teppo Kroger, Pirkko-Liisa Ranhalon, Anneli Pohjola, 2013-07-04 Increase the effectiveness of the services you provide to clients Social Work Visions from Around the Globe examines the fundamental principles and dilemmas of social work with people whose health is under threat This valuable resource was compiled from material presented at the Third International Conference on Social Work in Health and Mental Health in Tampere Finland The book explores key issues in social work in health and mental health from the early

historical roots of social work in health to developing a human rights perspective on the lives of men who face capital punishment Using tables figures case studies and interviews the text will help you provide holistic client based care to children men women and families Social Work Visions from Around the Globe is divided into two sections the first half discusses the position of individuals and families as users of health and mental health care services Specific cases in the book include social work situations for children with disabilities the mentally ill the elderly cancer and HIV AIDS This text includes research and findings on the challenges and solutions faced by social workers in North America Australia Europe Asia and Africa In the second half Social Work Visions from Around the Globe focuses on various approaches to social work in health and mental health that address the diversity of societies strengthening the voice of the social worker and service user the expertise of service users development of methods family life and childhood in global comparison human rights issues in social work

Developing Practice Guidelines for Social Work Intervention Aaron Rosen,Enola K. Proctor,2003-11-26 This book bridges the gap between social work knowledge and empirically based practice Although there is a significant need for the use of empirically tested and verified knowledge in social work practice the empirical basis of support is nearly absent from practitioners considerations as they make clinical decisions in routine practice The authors advocate the development of readily available accessible and professionally sanctioned practice guidelines for use by practitioners a necessity in the age of managed care and demands for greater accountability effectiveness and efficiency in practice This book features a much needed discussion of racial and ethnic differentials in relation to practice guidelines and on the relationship between practice guidelines and different aspects of service delivery

Evidence-Based Practice in Clinical Social Work James W. Drisko,Melissa D Grady,2012-04-23 Evidence Based Practice in Clinical Social Work introduces the key ideas of evidence based clinical social work practice and their thoughtful application It intends to inform practitioners and to address the challenges and needs faced in real world practice This book lays out the many strengths of the EBP model but also offers perspectives on its limitations and challenges An appreciative but critical perspective is offered throughout Practical issues agency supports access to research resources help in appraising research are addressed and some practical solutions offered Ethical issues in assessment diagnosis working with diverse families to make treatment decisions and delivering complex treatments requiring specific skill sets are also included

Bibliometrics in Social Work Gary Holden,Gary Rosenberg,Kathleen Barker,2013-01-11 Bibliometrics in Social Work examines the cross disciplinary field of bibliometrics including the multiple techniques and applications that have been described in the scholarly literature Moving beyond this general overview the authors examine applications of bibliometrics in social work Subsequent chapters detail how the technique can be used to demonstrate the eventual impact on the field of publications in selected journals These analyses are conducted using the bibliometric technique referred to as citation analysis The authors then move on to present what will be a controversial proposal to some in the field using bibliometrics techniques in making academic personnel decisions The

authors propose that hiring retention tenure and promotion decisions could be made more uniform and fair by using citation analysis A series of experts in bibliometric analyses then critically respond to these initial chapters The authors conclude by weaving their responses to these commentators with new scholarship on bibliometrics that has recently appeared This unique book is a valuable aid for social work scholars Drawing on broad interdisciplinary streams of scholarship from around the world the collection illuminates a field that is not well known to social workers While cautiously advocating for a number of applications of the technique the authors balance this position by presenting a comprehensive summary of the criticisms of the technique and by the inclusion of a series of critical commentaries by the leading experts on these issues in the field of social work Bibliometrics in Social Work both summarizes what we know and pushes the field to think about how social work professionals can use this approach to improve our scholarship and the evaluation of scholars Bibliometrics in Social Work addresses theoretical and methodological issues pros and cons from the view of numerous bibliometric scholars bibliometrics outside of social work applications within social work previously reported in the literature estimates that have been reported in the literature of how much social workers publish and how much impact those publications have had how citation analysis can be used to analyze a selection of publications in a single journal and their subsequent impact how citation analysis might be used to improve academic employment decisions concerns regarding self citation and multiple authorship measurement issues in bibliometrics e g age adjustments concentration citedness and uncitedness the Price Index lag times persistence synchronous and diachronous self citations the Multiple Author Qualifier Bibliometrics in Social Work critically examines these methods and their applications in social work The book will be an enlightening read for social work scholars and those academic administrators involved in the evaluation of social work scholars as well as academic librarians that support social work programs

Social Work Practice in Mental Health Robert Bland, Ann Tullgren, 2020-07-16 An invaluable resource for social workers in all practice settings not just mental health and a core text for social work students Dr Valerie Gerrand former AASW representative and board member of the Mental Health Council of Australia An outstanding and very original contribution to the scholarship on mental health policy research and service Associate Professor Maria Harries AM University of Western Australia Developing the skills to work effectively with people who have mental health problems is fundamental to contemporary social work practice Practitioners face new challenges in a rapidly changing work environment including working with consumers and their families and in multidisciplinary teams Now more than ever social workers need discipline specific mental health knowledge and training This second edition of *Social Work Practice in Mental Health* continues the guiding principles of the first edition an emphasis on the centrality of the lived experience of mental illness and the importance of embracing both scientific and relational dimensions of practice The new edition reflects the latest developments in best practice including the emergence of recovery theory and the importance of evidence based approaches This is a comprehensive guide to social work practice in specialist mental health settings as well as in other fields

of practice covering the most commonly encountered mental health problems It features information on assessment case management family work and community work and reveals how the core concerns of social work human rights self determination and relationships with family and the wider community are also central to mental health practice

Handbook of Social Work with Groups Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses

Group Work Practice to Advance Social Competence Norma C. Lang, 2010 This textbook introduces social work practice with socially unskilled populations or persons who lack social competence and whose group life is likely to be chaotic or nonexistent unless professionally assisted providing guidelines for working with these socially disabled persons in group settings The author outlines the unique pre group processes of socially unskilled populations and provides a methodology for advancing social competence She also identifies the professional and agency requirements for working with pre social processes

Gerontological Social Work Practice Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more

Themes and Stories in Youthwork Practice Mark Krueger, 2012-12-06 Learn to follow the rhythms of building a relationship with youth at risk Themes and Stories in Youth Work Practice takes a refreshing look at the creative possibilities of working with youth in a variety of group care and developmental settings Author Mark Krueger presents an innovative approach to developing relationships through shared experiences that plays out like modern dance choreographed according to individual needs and strengths but always open to improvisations that follow the rhythms of life The book also

promotes a framework of understanding youth work through personal stories constructed alone and together by youth and youth workers Themes and Stories in Youth Work Practice offers a unique perspective on theory and practice as it examines human interaction as an interpersonal inter subjective and contextual process The book recounts a day in the life of a youth worker examines qualitative inquiries conducted by youth workers recalls personal stories and addresses the ways youth workers experiences influence their interactions with youth Counselors working in community centers group homes treatment centers and community and group care programs will discover how to use the interactive dance between workers and youth at risk to create human compositions advancing the story and getting a feel of where they are in moments of connection discovery and empowerment From the author Youth work is like a modern dance We bring ourselves to the moment and try to interact in synch with youths rhythms for trusting and growing As we interact we are in a sense in and passing through youth The challenge is to know ourselves so that we can know each other and this comes about in part through a constant exploration of our stories It also comes about when we are in youth work with youth learning how to dance Geared toward experienced youth workers but equally relevant for students and anyone new to the field Themes and Stories in Youth Work Practice is an enlightening read for anyone working in or for residential treatment centers group homes shelters foster care juvenile justice programs community based youth serving organizations after school programs recreation programs camps churches and neighborhood centers

Handbook of Human Behavior and the Social Environment Roberta R. Greene, Joe Schriver, 2017-07-05 Handbook of Human Behaviour and the Social Environment is a compendium of new theories for all aspects of social work practice It pulls together major theories and concepts used in the field By synthesizing this wide knowledge base via practical points of view and tracing the socio historical evolution of its content and the role of the social worker this handbook will assist social workers in achieving their primary goals fostering human well being and competent social functioning The authors describe the current social work curriculum developed by the Council on Social Work Education Commission on Educational Policy and Accreditation Standards demonstrating how client and constituency engagement assessment intervention and evaluation are guided by knowledge of human behaviour and the social environment HBSE theory The Handbook applies HBSE theories differently depending on client system size context and needs Major concepts include power oppression and identity formation This essential up to date volume formulates strategies to eliminate personal bias and to promote human rights In addition it integrates ethics research policy content diversity human rights and social economic and environmental justice issues It will serve as an insightful and influential guide to students professors and social workers

Residential Child Care in Practice Mark Smith, Leon Fulcher, Peter Doran, 2013-02-13 Written by experienced practitioners and academics this is a core text about the practice of residential child care It takes as its starting point the fact that residential child care involves workers and children sharing a common lifespace in which the quality of interpersonal relationships is key Each chapter highlights relevant policy guidance

and is developed around a practice scenario discussing key knowledge skills and values relating to its theme This highly practical book should therefore be of value to a range of students at different academic levels from VQ to Masters and to practitioners and managers in residential child care The book draws on ideas from child and youth care and social pedagogic traditions and will appeal to a worldwide audience and provides a valuable addition to the emerging literature around social pedagogy

Ubuntu Philosophy and Decolonising Social Work Fields of Practice in Africa Janestic Mwende Twikirize, Charlotte Tusasiirwe, Rugare Mugumbate, 2023-10-24 This book addresses a recurrent gap in social work literature by examining Ubuntu as an Indigenous African philosophy that informs social work beyond the largely residual and individualistic conceptualisation of social work that currently prevails in many contexts Owing to the lack of social work theories models and generally literature that is locally and contextually relevant most social work lecturers based in African context struggle to access learning materials and texts that centre local indigenous voices and worldviews It is within this context that the ubuntu philosophy has gained traction There is increasing consensus that Ubuntu as an African philosophy and way of life has the potential to be used as a decolonising framework for social work education and practice Theorising from Ubuntu can influence and be the foundation for African social work theory and knowledge social work values and ethics social work research and policy and Ubuntu informing different fields of social work practice like social work with older people children and young people ubuntu and poverty alleviation ubuntu and the environment among others Drawing together social workers engaged in education research policy practice to theorise Ubuntu and its tenets philosophies and values this book shows how it can be a foundation for a decolonised more relevant social work education and practice in African contexts

Integrating Social Work Methods Harry Specht, Anne Vickery, 2021-11-07 Throughout its history social work has been seeking a means to state its purposes and methodology as a unity that transcends the purposes and methodology applicable in particular fields of practice or sanctioned by particular legislation or practised by a particular kind of worker Recent changes in society developments in social work practice new additions to the knowledge base of social work and current reorganisation of the social services had led to an intensified interest in this integrated approach Originally published in 1977 Integrating Social Work Methods introduces the reader to the main developments in the conceptualisation of a unitary method It clarifies what it is that is being unified identifies issues involved in the attempt to unify and discusses their implications for social work practice and training As such it represented the first substantial British text in the field and was widely welcomed by social work practitioners administrators and educators at the time

Social Work Jan Fook, 2012-04-05 Social work is a human profession founded on social justice It is difficult however to negotiate this in the constantly changing context of the twenty first century Now in its Second Edition this book considers the critical tradition of social work and updates it with postmodern thinking Jan Fook draws on critical reflection to help social workers deliver flexible responsible and responsive practice and to celebrate the ageless ideals of the profession Jan Fook draws on her own

experiences to relate theoretical ideas to real life Summaries exercises and further reading are also included in each chapter

Toward Effective Social Work Practice Morley D. Glicken, 1974

The Engaging Realm of Kindle Books: A Detailed Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Flexibility Kindle books, with their inherent portability and ease of availability, have freed readers from the constraints of physical books. Gone are the days of carrying cumbersome novels or meticulously searching for specific titles in bookstores. Kindle devices, stylish and lightweight, seamlessly store an extensive library of books, allowing readers to immerse in their preferred reads whenever, everywhere. Whether traveling on a busy train, relaxing on a sun-kissed beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience. A Reading Universe Unfolded: Discovering the Wide Array of Kindle Social Work Methods Practices And Perspectives 3 Vol Set Social Work Methods Practices And Perspectives 3 Vol Set The Kindle Store, a virtual treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers preference and choice. From gripping fiction and thought-provoking non-fiction to classic classics and modern bestsellers, the E-book Shop offers an unparalleled variety of titles to explore. Whether seeking escape through engrossing tales of fantasy and exploration, diving into the depths of historical narratives, or broadening ones understanding with insightful works of scientific and philosophy, the Kindle Shop provides a doorway to a bookish world brimming with endless possibilities. A Transformative Factor in the Bookish Scene: The Enduring Influence of Kindle Books Social Work Methods Practices And Perspectives 3 Vol Set The advent of Kindle books has undoubtedly reshaped the bookish scene, introducing a paradigm shift in the way books are released, distributed, and consumed. Traditional publishing houses have embraced the digital revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a rise in the availability of Kindle titles, ensuring that readers have entry to a wide array of literary works at their fingers. Moreover, Kindle books have democratized access to literature, breaking down geographical limits and providing readers worldwide with similar opportunities to engage with the written word. Regardless of their place or socioeconomic background, individuals can now immerse themselves in the captivating world of literature, fostering a global community of readers.
