**Social Evolution and Political Theory** Leonard Trelawny Hobhouse, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1911 edition Excerpt SOCIAL EVOLUTION AND POLITICAL THEORY CHAPTER I The Meaning Of Progress Like every age and every state of human society the period in which we live has its merits and defects its elements of success and failure Contemporary critics assuming the part of candid friends are perhaps more concerned with the failures and the note of pessimism sounds clearly enough in much of the literature of the day But depreciation of the present gloomy views of the future and idealization of the past are common characteristics of literary criticism rff literature is evidence we could construct a chain of testimony proving the continuous deterioration of humanity from the time of Hesiod to the present day The past when it is seen at all appears always in a halo of romance j Just as in our own personal memory many things which we should be exceedingly loath to experience anew become positively enjoyable in the mellowness of retrospect as the contrast of some great hardship forms a pleasing background for present comfort so in the memory of the race much that we should be sorry to live through again in real earnest acquires the tinge of romance when 1 viewed insistence of grim reality the corresponding elements in the past are either forgotten or are softened and transfigured by the haze of time Hence it is that our view of historical change tends to be distorted in the direction of pessimism and in any attempt at a scientific measure of social progress we must be on our guard against this bias of social memory Those who are

most zealous for social improvement will indeed be the last to minimize the evils that exist 3ut **Social Evolution and Political Theory** L T 1864-1929 Hobhouse,2016-05-11 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Social Evolution and Political Theory* Leonard T. Hobhouse,2017-08-19 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates **Social Evolution and Political Theory, By Leonard T. Hobhouse #By Leonard T. Hobhouse Hobb Itical Theory,1968** **Social Evolution and Political Theory** ,1911 Contains the substance of eight lectures given on the Beer Foundation under the faculty of Political Science division of Columbia University during April of 1911 *Social Evolution, Political Psychology, and the Media in Democracy* Peter Beattie,2018-12-13 This book analyzes why we believe what we believe about politics and how the answer affects the way democracy functions It does so by applying social evolution theory to the relationship between the news media and politics using the United States as its

primary example This includes a critical review and integration of the insights of a broad array of research from evolutionary theory and political psychology to the political economy of media The result is an empirically driven political theory on the media s role in democracy what role it currently plays what role it should play and how it can be reshaped to be more appropriate for its structural role in democracy

**Ideologies and Political Theory** Michael Freeden,1996-10-25 Ideologies play a crucial role in the way we understand and shape the political world But no one has yet satisfactorily explained the nature of ideologies themselves In this important study Michael Freeden offers a ground breaking approach to the subject Drawing on the political experience of Britain France Germany and the USA over the past two centuries the author provides an in depth examination of the key political ideologies liberalism conservatism socialism feminism and green political thought He goes on to outline a powerful and sophisticated new theory of ideologies and argues that by paying special attention to the complexity conceptual inter relationship and historical and contemporary context of ideologies we can both better understand them and reinvigorate the study of political theory From reviews of the hardback What is on offer here is both a highly original and profoundly stimulating analysis of ideological thinking Freeden s book will undoubtedly shape and redefine the field of ideological studies as it presently stands initiating fruitful lines of research for many years to come There is much to admire in this book History of European Ideas The approach is immensely illuminating The outstanding merit of Freeden s work is that he has shown what political philosophy presently lacks and has done so by demonstrating that ideologies should not be dismissed as merely the poor cousins of philosophies Both political theory and political philosophy have a great deal to learn from this book Radical Philosophy *Progress, Pluralism, and Politics* David Williams,2021-01-13 Liberal thinkers of the eighteenth and nineteenth centuries were alert to the political costs and human cruelties involved in European colonialism but they also thought that European expansion held out progressive possibilities In Progress Pluralism and Politics David Williams examines the colonial and anti colonial arguments of Adam Smith Immanuel Kant Jeremy Bentham and L T Hobhouse Williams locates their ambivalent attitude towards European conquest and colonial rule in a set of tensions between the impact of colonialism on European states the possibilities of progress in distant and diverse places and the relationship between universalism and cultural pluralism In so doing he reveals some of the central ambiguities that characterize the

ways that liberal thought has dealt with the reality of an illiberal world Of particular importance are appeals to various forms of universal history attempts to mediate between the claims of identity and the reality of difference and the different ways of thinking about the achievement of liberal goods in other places Pointing to key elements in still ongoing debates within liberal states about how they should relate to illiberal places Progress Pluralism and Politics enriches the discussion on political thought and the relationship between liberalism and colonialism     **Deep History** David Laibman,2008-01-03 Blends insights from several disciplines to offer a general theory of social evolution     *The American Journal of Sociology* Albion W. Small,Ellsworth Faris,Ernest Watson Burgess,1923 Established in 1895 as the first U S scholarly journal in its field AJS remains a leading voice for analysis and research in the social sciences presenting work on the theory methods practice and history of sociology AJS also seeks the application of perspectives from other social sciences and publishes papers by psychologists anthropologists statisticians economists educators historians and political scientists     **Publications** ,1923
