Subcommittee on Social Security,1999      **Downsizing the Federal Government** Chris Edwards,2005-11-25 The federal government is running huge budget deficits spending too much and heading toward a financial crisis Federal spending soared under President George W Bush and the costs of programs for the elderly are set to balloon in coming years Hurricane Katrina has made the federal budget situation even more desperate In *Downsizing the Federal Government* Cato Institute budget expert Chris Edwards provides policymakers with solutions to the growing federal budget mess Edwards identifies more than 100 federal programs that should be terminated transferred to the states or privatized in order to balance the budget and save hundreds of billions of dollars Edwards proposes a balanced reform package of cuts to entitlements domestic programs and excess defense spending He argues that these cuts would not only eliminate the deficit but also strengthen the economy enlarge personal freedom and leave a positive fiscal legacy for the next generation *Downsizing the Federal Government* discusses the systematic causes of wasteful spending and it overflows with examples of federal programs that are obsolete and mismanaged The book examines the budget process and shows how policymakers act contrary to the interests of average Americans by favoring special interests      **Social Security Reform** United States. Congress. Senate. Committee on the Budget,1998      *Invoking the Invisible Hand* Robert Asen,2009-03-02 In *Invoking the Invisible Hand* Robert Asen scrutinizes contemporary debates over proposals to privatize Social Security Asen argues that a rights based rhetoric employed by Social Security s original supporters enabled advocates of privatization to align their proposals with the widely held belief that Social Security functions simply as a return on a worker s contributions and that it is not in fact a social insurance program By analyzing major debates over a preeminent American institution Asen reveals the ways in which language is deployed to identify problems for public policy craft policy solutions and promote policies to the populace He shows how debate participants seek to create favorable contexts for their preferred policies and how they connect these policies to idealized images of the nation      **The Future of Social Insurance** Peter Edelman,Dallas L. Salisbury,Pamela J. Larson,2001-12-01 A Brookings Institution Press and National Academy for Social Insurance publication In this new conference volume from the National Academy of Social Insurance experts offer differing views on what changes will and must occur to ensure the continuing viability of Social Security retirement benefits unemployment insurance Medicare and health security programs The book opens with a general overview of how economic and political forces will shape the future of social insurance In the chapters that follow contributors discuss and debate a full range of related topics including future Social Security investment returns the changing face of private retirement plans insuring longevity risk in pensions and Social Security issues in unemployment insurance long term financing governance and markets for Medicare and health care for the underserved and uninsured Contributors include William C Dudley Goldman Sachs Richard Berner Morgan Stanley Dean Witter Kilolo Kijakazi Center on Budget and Policy Priorities Fay Lomax Cook Institute for Policy Research Northwestern University Lawrence Jacobs University of Minnesota Jack VanDerhei Fox School of Business
