Social Insurance In Europe

Hussin A.Rothana

Social Insurance In Europe:

Social Insurance in Europe Jochen Clasen, 1997 This comprehensive study into one of the central aspects of most welfare states provides a systematic and comparative analysis of social insurance regimes in 10 European countries with very different traditions of welfare

Introduction to European Social Security Law Frans Pennings, 2003 The social security of the European Union EU has become of vital significance for persons living or working in a EU Member State The creation of the European Economic Area and near accession of the candidate Members East European countries has further increased the relevance of this law This book describes EU social security law beginning with the rules relevant to migrant workers Coverage includes Regulations 1408/71 and 574/72 and the case law of the Court of Justice of the EC The book analyses the contributions of these judgments to the developments of coordination law and to the realisation of the objective of free movement of workers In this respect the relation of the Regulation and the EC Treaty which is shown in for instance the Kohll and Decker judgments is analysed Special attention is paid to the Proposal for Simplification and Modernisation of Regulation 1408/71 A second main part of EU social security law is the law on equal treatment of men and women The Court of Justice issued several main decisions of which the Barber judgment is a wellknown example Since then the case law has been further developed and this book helps the reader to understand the present state of affairs A separate chapter analyses the combat against social exclusion of the EU and the instruments developed for this purpose This is the completely revised and updated fourth edition of an authoritative book

Social Security in Europe, 1981

Social Security Programs Throughout The World: Europe, 2012 Social Security Administration (U.S.), 2012-10-24 Social Security Programs Throughout the World Europe 2012 provides a cross national comparison of social security systems It summarizes the five main social insurance programs old age disability and survivors sickness and maternity work injury unemployment and family allowances It is published in four regional volumes Europe Asia and the Pacific Africa and the Americas one every 6 months

European Social Security and Global Politics: EISS Yearbook European Institute for Social Security.

Conference, 2003-01-01 The twelve remarkable essays in this book explore this vital issue from a number of enlightening perspectives European Social Security and Global Politics represents a partial gleaning of the September 2001 conference held in Bergen Norway of the European Institute of Social Security a leading multidisciplinary research group and the vanguard of the debate on social security in Europe Fifteen highly committed researchers and administrators from all over Europe offer in depth analysis and conclusions in such crucial areas as how globalisation increases inequality and hinders redistribution of wealth how certain social security policies hamper the free movement of workers the elusive promise of regional social security in Europe essential elements of any proposed global social security policy various reform initiatives for the fair administration of pension schemes In addition to the invaluable individual insights advanced in each paper two notable trends seem to pervade the entire conference One is the growing divergence of social security policy within

European countries coexisting uneasily with EU measures against social exclusion the other is the sudden clarity of principle and design in the European welfare state when seen against the virtual anarchy of the globalisation model Where these trends may lead us is only beginning to come into focus and this book is among the first to sharpen the images of the possible futures in European social security that are likely to emerge in the next decade All professionals in any aspect of social security policy or study will benefit enormously from this provocative book not only in Europe but throughout the world

Social Security Programs Throughout the World: Europe, 2010, 2010-09-17 Social Security Programs Throughout the World Europe 2010 provides a cross national comparison of social security systems It summarizes the five main social insurance programs old age disability and survivors sickness and maternity work injury unemployment and family allowances It is published in four regional volumes Europe Asia and the Pacific Africa and the Americas one every 6 months

Co-ordination of Social Security in the Council of Europe Jason Nickless, Helmut Siedl, 2004-01-01 This guide reviews Council of Europe provisions on social security co ordination covering the European Convention on Social and Medical Assistance the European Convention on Social Security the Model Provisions for a Bilateral Social Security Agreement and the European Social Charter It describes the basic philosophies behind social security co ordination why it is needed and how it may be achieved as well as considering practical aspects of the range of legal instruments available and briefly introducing some of the agreements that are currently in force in Europe

Research Handbook on European Social Security Law Frans Pennings, Gijsbert Vonk, 2023-11-03 This comprehensive second edition Research Handbook discusses a wide range of timely questions and dilemmas ensuing from the present state of European social security law Presenting a kaleidoscopic concept of social security a new generation of leading experts identifies future lines of inquiry that are likely to dominate the discourse in the coming years

Social Security Pension Reform in Europe Martin Feldstein, Horst Siebert, 2009-02-15 Social Security in the United States and in Europe is at a critical juncture Through the essays assembled in Social Security Pension Reform in Europe Martin Feldstein and Horst Siebert along with a number of distinguished contributors discuss the challenges facing Social Security reform in the aging societies of Europe A remarkable range of European nations Germany France Finland the Netherlands Poland Romania Italy Sweden the United Kingdom and Hungary have implemented or are about to implement mixed Social Security systems that combine a traditional defined benefit of the pay as you go system with an individual retirement account defined contribution of a capital funded system The essays here highlight the problems that the European pension reform process faces and how it differs from that of the United States This timely volume will significantly enrich the debate on pension reform worldwide

Sustaining European social security systems in a globalised economy Council of Europe, 2012-04-10 In addition to long term demographic trends European social security systems face new challenges as a result of increased global competition and an international banking system focused on short term financial gain This report therefore explores new ways for European policy makers and

institutions to make social security systems more sustainable It investigates ways to achieve short and long term financial viability It also identifies key mechanisms that work to achieve social cohesion such as greater emphasis on social rights and social dialogue It then examines the main policy issues in sustaining major individual social security programmes such as health care social assistance and family benefits pensions unemployment and work incapacity benefits as well as long term care

The European Union and Social Security Law Jaan Paju, 2017-08-24 The aim of this book is to examine how EU law relates to and impacts on the national social security systems of the Member States It asks three key questions Firstly it looks at how the internal market and its developments have eroded Member States sovereignty over their social security systems despite the fact that the EU has limited competence in the field It then explores secondly how the Union Citizenship and thirdly the Charter of Fundamental Rights has affected the coordination of these regimes

Social Security and Solidarity in the European Union Joos P.A. van Vugt, Jan M. Peet, 2012-12-06 Since the 1970s social security in the European Union has been dominated by attempts at reform and cost control In the last decade of the twentieth century these attempts have been strengthened by the coming European Economic and Monetary Union EMU This book offers an overview of the social security system and its development in Belgium Denmark France Germany Greece Ireland Italy the Netherlands Spain and the United Kingdom The national contributions are preceded by an introduction on the development of social security in Europe till the present day with special reference to the postwar process of European integration and its effects The book is concluded by two essays The first examines the danger and opportunities of European integration for social security The second discusses ethical aspects what effect will European integration have on the quality of social security in Europe

Free Movement, Social Security and Gender in the EU Vicki Paskalia, 2007-07-31 This work examines the system of co ordination of national social security laws in the European Union from a gender perspective The central question that it raises concerns the level of social security protection enjoyed by women moving throughout the Union in cases of work interruption or marriage dissolution Women s social security protection has traditionally been based on two criteria namely economic activity and family marriage Work interruptions in particular for child rearing challenge the invocation of economic activity as an effective basis for social security rights Changing social and family conditions including the emergence of atypical relationships and increasing divorce rates challenge the criterion of family marriage Efforts have been made within the framework of the national systems of the Member States to address these challenges often unsuccessfully So how successful has the European system of co ordination the aim of which is to provide a sufficient level of protection to migrant workers and their families been in addressing these challenges The book contains comprehensive discussion of the phenomenon and legal institution of social security as well as a thorough analysis of the current state of European Community law concerning co ordination with a particular focus on gender It identifies several problematic areas where solutions must be worked out and action taken The book fills a gap in the legal literature on the social security field and will

appeal to those with an interest in social security including academics policy makers and practitioners *Ageing, Social Security and Affordability* Theodore. R Marmor, Philip. R De Jong, 2018-12-13 First published in 1998 This volume the second of a twin set grouping articles based on papers presented at seminars in Sigtuna Sweden during 1994 1996 deals with the largest spending programs of the welfare state old age pensions and medical care and their place within debates about the desirability and affordability of modern social programs The volume is divided into four parts The first part deals with general welfare state issues cross cutting themes and characterizations of whole systems within such diverse disciplines as social law sociology and economics Part two deals with old age pension reform The countries discussed have widely different geographical cultural and historical backgrounds Part three takes up a number of interesting topics under the heading of health care reform Part four deals with a substantial issue located at the juncture of aging affordability pensions and especially health care increased longevity and population aging and the associated disability and frailty What effect will these have on the future of modern welfare states **Labour Law, Fundamental Rights and Social Europe** Mia

Rönmar, 2011-09-06 This volume comprising three parts and ten chapters all of them peer reviewed essays arises from the work of the Swedish Network for European Legal Studies Its focus is on labour and social security law The chapters written by distinguished legal researchers associated with Swedish universities provide insight into a range of topical and important developments seeking new and interesting perspectives Sweden has been a member of the European Union since 1995 and EU law and European law perspectives have been well integrated into Swedish labour law and social security law research Within the European Social Model and the European Welfare State Sweden and to some degree the other Nordic countries as well can be said to represent a specific system as regards both labour law and industrial relations and social security law In terms of influential comparative typologies or models naturally flawed by a certain element of vagueness and simplification but also very helpful in analytical and pedagogical respects Sweden has been described as a representative of inter alia a Nordic legal family a Nordic labour law model a social collectivist industrial relations system a consensual industrial relations system a social democratic welfare state regime a Scandinavian social security law system a sub group of the Beveridge system and a coordinated market economy But since 1995 EU law and European law perspectives have been extensively integrated into existing Swedish labour and social security law and the chapters in this book go a long way in illustrating the far reaching and multifaceted ways in which Swedish law has been Europeanised *The External Dimension of EU Social Security Coordination* Pauline Melin, 2019-12-09 In *The External Dimension of EU Social Security Coordination Towards a Common EU Approach* Pauline Melin provides a detailed legal analysis of the framework on social security coordination with third countries and offers alternative policy solutions to the current fragmented approach The analysis comprises a complete overview of the EU approach to social security coordination with third countries 9 bilateral agreements between Belgium Germany and the Netherlands with respectively India Turkey and USA and international standards Based on this analysis the

author explores the possibility from an institutional perspective to develop a common EU approach through the conclusion of EU agreements The author concludes by favouring an alternative softer solution through an EU model agreement and proposes that the content of that model agreement be based on the best practices of the current framework **Social**

Security for Frontier Workers in Europe GVG,2003 This work covers the complex legal and social facts which the frontier workers are faced with Although European law coordinates the differing legislation of the Member States for the benefit of the frontier workers it cannot eliminate the existing national differences in social and tax law **The Social Security**

Systems for Self-employed People in the Applicant EU Countries of Central and Eastern Europe Paul

Schoukens,2002 This publication provides the reader with an introduction to the social security systems of the self employed in the applicant EU countries of Central and Eastern Europe Bulgaria Czech Republic Estonia Hungary Latvia Lithuania Poland Romania Slovak Republic and Slovenia Migration and Social Protection in Europe and Beyond (Volume 1)

Jean-Michel Lafleur,Daniela Vintila,2020-10-30 This first open access book in a series of three volumes provides an in depth analysis of social protection policies that EU Member States make accessible to resident nationals non resident nationals and non national residents In doing so it discusses different scenarios in which the interplay between nationality and residence could lead to inequalities of access to welfare Each chapter maps the eligibility conditions for accessing social benefits by paying particular attention to the social entitlements that migrants can claim in host countries and or export from home countries The book also identifies and compares recent trends of access to welfare entitlements across five policy areas health care unemployment family benefits pensions and guaranteed minimum resources As such this book is a valuable read to researchers policy makers government employees and NGO s *A Social History of Twentieth- Century Europe* Béla

Tomka,2013 A Social History of Twentieth Century Europe offers a systematic overview on major aspects of social life including population family and households social inequalities and mobility the welfare state work consumption and leisure social cleavages in politics urbanization as well as education religion and culture It also addresses major debates and diverging interpretations of historical and social research regarding the history of European societies in the past one hundred years Organized in ten thematic chapters this book takes an interdisciplinary approach making use of the methods and results of not only history but also sociology demography economics and political science B la Tomka presents both the diversity and the commonalities of European societies looking not just to Western European countries but Eastern Central and Southern European countries as well A perfect introduction for all students of European history
