## **Social Work And The European Community:**

*Social Work and Europe* Lynne Berry, Crescy Cannan, Karen Lyons, 1992-10-14 This book presents information and ideas about the role and organisation of social workers in selected EC countries particularly but not exclusively France and Germany Comparisons are made of national policies and practice in relation to specific client groups and new concerns requiring common responses are identified This discussion is put in the context of an emerging social agenda of the European Community The authors argue that EC social policies in relation to citizenship participation and marginalisation are consistent with the aims and concerns of social workers and relevant to its future development at national and European level

**Social Work Training in the European Community** Liliane Coccozza, Commission of the European Communities, 1989

**Dementia** Susan Hunter, 1997-01-01 As a focus for academic and professional study dementia has moved rapidly from the margin to the mainstream during the last decade Understanding of this distressing condition its aetiology and recognition has become much more widespread and sophisticated Building on such clinical knowledge this book challenges the reader to think ethically and in a person centred way about the implications of dementia at a personal planning and service provision level to consider consumer perspectives not only those of carers but also the much neglected views of individuals with dementia to explore less well documented areas such as dementia and Down s Syndrome depression and early onset dementia In conclusion the book illuminates selected topical developments in service provision such as community care advocacy and aspects of the built and social care environment

European Social Policy and Social Work Hans van Ewijk, 2009-09-10 *European Social Policy and Social Work* explores shifts in international social policies and how they affect national trends and thus the context for social work practice The book discusses international and national social work strategies and practice and investigates the responsibilities for social welfare held by the state the market and civil society Hans van Ewijk then elaborates a new concept of citizenship based social work which supports and encourages self responsibility social responsibility and the implementation of social rights The main themes covered are international social policy and social work from welfare to workfare citizenship essentials of citizenship based social work community policy and community work social work and alternative areas of activity such as youth care and social care Integrating different roots and social professions in an overarching new concept this book particularly looks at European Union countries Hans van Ewijk examines debates regarding social work as an internationally recognised profession and science This book is suitable for social work students academics and professionals with an interest in social policy and international social work

**Building Social Work Politics in Europe** Katrin Toens, Günter Rieger, 2025-09-26 The profession of social work and its representative bodies are in numerous ways involved in European politics At the same time social work practice is affected by EU regulations coordination funding and jurisdiction in relevant policy fields This book provides a systematic and practice based reflection on the issues of how current political activities in the EU and beyond are social work driven affect social

work and give reason for an even deeper involvement of organized social work in European politics Based on a structured dialogue among professors students of social work social workers social NGOs and policymakers this text tackles European policy issues from various perspectives Starting with theoretical reflections the authors discuss the political mandate of social work and how it applies to the EU polity sui generis as well as to the pan European institutional settings of the Council of Europe This is followed by analyses of different European social work policies homeless policy European Social Fund ESF basic income policy prostitution policy and their impact on social services and its clients The next part shifts the focus to actors and institutions The authors asked policy staff of social NGOs human rights organizations churches and social service providers to give their perspectives on how they lobby current EU policy initiatives and regulations regarding social problems Finally authors discuss the state of the art in selected European countries and the question of how social work politics in Europe could be strengthened The volume concludes with concrete examples of participation and career opportunities in European social policy for students and graduates of social work Building Social Work Politics in Europe Research Approaches Practices and Perspectives is a useful and timely text for students of social work at all levels BA MA third cycle schools of social work universities of applied sciences with social work study programs practitioners and executive management of organized social work and social service provision internationally and in Europe in particular

*European Social Work - A Compendium* Fabian Kessl,Walter Lorenz,Hans-Uwe Otto,Sue White,2019-11-25 The publication takes account of the fundamental developments transforming social work in Europe at the beginning of the 21st century A European standard of social work has already emerged but models for future European social work are absent Therefore the compendium gives an overview of the current transformation process for the first time discusses the visible and invisible changes and maps out where social work is positioned in the emerging post welfare states Perspectives on European Social Work Walter Lorenz,2006-06-22 The book offers explanations and clarifications for the bewildering variety of titles and job profiles in the social professions in Europe It presents them both as a product of specific national welfare arrangements and as a sign of a special kind of professional autonomy that so far helped to correct national welfare trends Now this autonomy is once more called for in the light of the complete re structuring of all European welfare states and a European model of social work could deliver impulses for real alternatives to growing exclusion and inequality

**Anti-Racist Social Work** Gurnam Singh,Shepard Masocha,2019-12-04 Welfare health education conflict security and migration are examples of phenomena that are prevalent across all societies With chapters from leading scholars from around the world this exciting new book draws upon the impacts of globalisation colonialism and capitalism to explore the common challenges facing nations across the globe and provide an insight in to the history theory and practice of a new anti racist social work *The Politics of Social Work* Fred W Powell,2001-03-28 Fred Powell argues for social work as civic engagement promoting inclusion and justice through dialogue and trust His book is an impressive combination of deep

scholarship and fresh up to date analysis of current issues Bill Jordan University of Exeter An illuminating discussion of the influence of postmodern trends on the practice of social work that also offers a bracing guide for the future of the profession Social work practice Powell argues needs to be anchored in a commitment to an inclusive idea of citizenship and especially the inclusion of the most vulnerable citizens Francis Fox Piven City University of New York T his is an extraordinarily useful book for studies of social policy especially in its presentation of a condensed history of social work s relationship to social policy The book is well documented well written and challenging It stimulates more thought than is common in professional literature International Social Work The Politics of Social Work provides a major contribution to debates on the politics of social work at the beginning of the 21st Century It locates social work within wider political and theoretical debates and deals with important issues currently facing social workers and the organisations in which they work By setting the current crisis of identity social workers are experiencing in international context Fred Powell analyses the choices facing social work in postmodern society Fred Powell explores in this text contemporary and historical paradigms of social work from its Victorian origins to the development of reformist practice in the welfare state to radical social work responses to social exclusion the renaissance of civil society multiculturalism feminism and anti oppressive practice In conclusion the he examines the options facing social work in the 21st century and argues for a civic model of social work based on the pursuit of social justice in an inclusive society The Politics of Social Work will be essential reading for students on qualifying and post qualifying social work courses as well as courses in sociology social policy social administration and politics Social Work Education for and Beyond Sustainable Development Rajendra Baikady, 2025-10-24 This volume looks at social work education and its role in achieving Sustainable Development Goals SDGs across the globe It examines the incorporation of SDGs in curriculum and pedagogy devising SDG centered modules for social work practice during teaching and developing SDG focused teaching programs in social work Part of the Social Work and Society series the book also studies local national and international advocacy efforts in social work for achieving the SDGs School administrators teachers researchers students practitioners and policymakers in the domains of social work and social development will find this volume useful in understanding how the two fields of social work and sustainable development achieve common goals around the world

**Politics and Policies of the Social in the European Union** Peter Herrmann, 2006 Presenting four lectures this book is used as material guiding lectures and students alike through their work in the field of European social policy making Being understood as guidance this means as well that many parts are not fully elaborated Some hints are given and in many cases there is a debate behind them that would justify itself *The Unnoticed Effects of EU Accession* Vesela Kovacheva, 2021-03-08 This study provides empirical evidence on the considerable but often unnoticed impact of EU accession on the mobility and integration of migrants from Bulgaria in Germany Original data from a time location sampling survey in Hamburg reveal that free movement not only induced a high level of mobility among EU citizens from Bulgaria

after 2007 but also enabled their more permanent settlement in Germany The study also provides statistical evidence that EU citizenship contributed to better legal integration of Bulgarian migrants in Germany but national policies shaped to a greater extent their integration in terms of participation in the core areas of life Restrictive policies such as transitional periods in the freedom of work hampered labour market integration and created more disadvantaged positions for workers Inclusive policies such as the dual citizenship policy facilitated the naturalisation of settled migrants and led to exceptionally high naturalisation rates for Bulgarians that point to their successful integration in society However integration successes remain almost unnoticed in public discourse which is dominated by the image of Bulgarian migration as a challenge *Social Work* Bamford, Terry, Bilton, Keith, 2020-06-09 This collection charts the key developments in the social work field from 1970 to the present day and shows how by fully understanding social work's past we can make better progress for practitioners and service users in the future It brings together a broad collection of experts from across social work who trace how thinking and approaches to practice have changed over time examine key legislative developments in the field look at the impacts of major inquiries and consider the re-emergence of certain specialisms Providing students and practitioners of social work and social policy with a full picture of the evolution of social work it also shares important insights for its future directions

**Social Work in War-Torn Contexts** Shulamit Ramon, Darja Zaviršek, 2025-08-01 This book provides a wide ranging exposure of current developments related to war torn contexts post war societies and social work approaches as well as analysis of the key issues facing social work in war contexts The topic is timely due to the increased number of armed political conflicts the number of internally displaced people refugees and asylum seekers increased length of wars and consequently increased number of civil victims which contribute to an exponential growth in the demand for social work As there are few updated texts on this issue this book meets the considerable gap existing in the social work literature and includes updates as well as continuing trends Currently a huge number of countries are in a state of war in different continents some of which have gone on for more than a decade Inevitably this fact has considerable implications for their social workers as well as for the people they serve with social workers in these countries sharing the reality of the war as citizens The war experience is known to have long lasting intergenerational impacts It also has a strong impact on the many other countries that receive refugees and asylum seekers and or support militarily another country at war and or refuse to support it The book's country focused chapters on Afghanistan Bosnia and Herzegovina Greece Israel Italy Jordan Northern Ireland Serbia South Sudan Syria UK and Ukraine cover major topics including The contexts of armed political conflicts from a social work perspective The impact of war on disadvantaged individuals and groups Forced migration Post war societies and post war reconstructions from a social work perspective The ethical issues related to war and peace from a social work perspective The implication for social work education and research *Social Work in War-Torn Contexts* is an important and timely resource for social work and social science researchers lecturers in different areas of social sciences social work

practitioners as well as students Politicians war correspondents international humanitarian organizations and volunteers also will find the book of interest      *Education and Solidarity in the European Union* Sarah K. St. John, 2020-12-19 This book tells the story of the European Movement's mission to create through education a European spirit in order to secure the success of European integration This book draws links between the crisis of solidarity experienced by the European Union today and the difficulties faced throughout European integration to develop a fully fledged EU education policy It makes the case that education has not been a stable mechanism for fostering spirit due to its national attachment to identity and nation building Without education it has been difficult to foster the spirit needed to establish a strong citizen wide sense of European solidarity to overcome the crises the EU faces today Exploring the connection between education and solidarity through the notion of spirit the book presents an interdisciplinary study that avoids the compartmentalisation of education studies philosophy and political science to bring ideas together that shed fresh light on contemporary debates currently under the spotlight      European Social Work After 1989 Walter Lorenz, Zuzana Havrdová, Oldřich Matoušek, 2020-09-01 This book presents a unique analysis of the learning derived from East West contacts in social work and reflects on the discipline's inalienable trans national dimensions of high actuality in the face of the re emergence of nationalisms The fundamental transformations in Europe subsequent to the revolutions of 1989 had a profound impact on social work in terms of raising sharply the profession's relationship with politics The exchanges between western schools of social work and the emergent academic partner institutions in former Communist countries formed a valuable testing ground for the essential principles and competences of social work in terms of their universal scientific basis on the one hand and their regard for cultural and national values and contexts on the other The chapters in this contributed volume focus on lessons derived from fundamental social and political transformations highlighted by East West encounters and intra national divisions and thereby have important messages for mastering impending transformations in the light of the global COVID 19 health crisis They demonstrate how cultural and social divisions can be addressed constructively with direct implications for training and practice in dramatically changing contexts Lithuanian social work's claim to professional autonomy vs authoritarianism in popular and political culture Social work between civil society and the state lessons for and from Hungary in a European context When Europe's East West North and South meet learning from cross country collaboration in creating an international social work master programme Nordic Baltic cooperation in social work researcher education A Finnish perspective on the impact on scientific historical and linguistic similarities and differences Intra national similarities and differences in social work and their significance for developing European dimensions of research and education Social work political conflict and European society reflections from Northern Ireland *European Social Work After 1989* East West Exchanges Between Universal Principles and Cultural Sensitivity is an invaluable resource for social work educators social work practitioners confronted with national and international divisions students of social work of social administration and

policy and any policy researcher with a comparative focus

**The Routledge International Handbook of Glocal Social Work** Panagiotis Pentaris, Janet Walker, 2025-08-25 Global challenges opportunities and developing new social phenomena have always had an impact on and change the circumstances under which social work is practised Whilst social work can take many local forms it is also a global profession which strives to advance the causes of vulnerable and marginalised people with the aim of promoting human rights and social justice In recent years the increasing impact on social work of global processes changes and challenges has emerged This has led to increased diversity of individual community and citizen identities experiences and needs but also plurality of all these factors As a result needs have diversified even further and pose more and serious challenges that social work needs to respond to The Routledge International Handbook of Glocal Social Work emphasises glocal social work defined as the constant interplay between global issues and their local relevance and between transnational topics and practice and their local application Chapters highlight glocal social work as interwoven with an awareness of the impact of multiple structural transformations at a global level and highlight the structural mechanisms which reproduce global local inequalities and human rights and social justice aspects of sustainability It also demonstrates the importance of interdisciplinarity in glocal social work as collective responsibility with multidisciplinary multi stakeholder engagement approaches This book is divided into four parts Foundations and perspectives Local responses to global phenomena Preparing social workers for global local engagement Broader issues and future directions The range of topics discussed in this volume will enrich our understanding of and capacities in exploring the contextualisation of global phenomena and the dissemination of local learning onto global thinking This volume is a helpful reference to social work practitioners professionals in social care and welfare services social work students academics and researchers in an attempt to continuously explore new ways to respond to the challenges that glocalisation is revealing
