Society At War:

Society at War C. T. Allmand, 1998 Primary sources for the Hundred Years War present the realities of the medieval experience of warfare in England and in France

Class Society at War Bernard Waites, 2014-03-04 Research into the impact of the First World War on European societies has recently begun on a major scale and Dr Waites has been one of the pioneers in this field in Britain His book considers the War's effects on such major issues as popular images of class the distribution of income and wealth in society social relations within the working class class consciousness and the educational experiences of children from different backgrounds This study is noteworthy not only for its wide range of hitherto unpublished sources but also for its attempt to bring social theory to bear upon the study of class relations in England during the first of this century's total wars

War in Modern Society Alastair Buchan, 1966 Forfatteren analyserer fremtidens sikkerhedspolitik og former for krigsfrelse Han mener at fred kun kan lade sig gøre ved at udforme en forsvarspolitik som i hovedet handler om magtbalance mellem stater

War and Society Miguel A. Centeno, Elaine Enriquez, 2016-03-31 War is a paradox On the one hand it destroys bodies and destroys communities On the other hand it is responsible for some of the strongest human bonds and has been the genesis of many of our most fundamental institutions War and Society addresses these paradoxes while providing a sociological exploration of this enigmatic phenomenon which has played a central role in human history wielded an incredible power over human lives and commanded intellectual questioning for countless generations The authors offer an analytical account of the origins of war its historical development and its consequences for individuals and societies adopting a comparative approach throughout It ends with an appraisal of the contemporary role of war looking to the future of warfare and the fundamental changes in the nature of violent conflict which we are starting to witness This short readable and engaging book will be an ideal reading for upper level students of political sociology military sociology and related subjects

State, Society and Mobilization in Europe during the First World War John Horne, 1997-07-03 This is a volume of comparative essays on the First World War that focuses on one central feature the political and cultural mobilization of the populations of the main belligerent countries in Europe behind the war It explores how and why they supported the war for so long as soldiers and civilians why that support weakened in the face of the devastation of trench warfare and why states with a stronger degree of political support and national integration such as Britain and France were ultimately successful

War and Society in the Eastern Mediterranean Yaacov Lév, 1997 This volume focusses on the interplay between war and society in the Eastern Mediterranean in a period which witnessed the Arab conquests the Seljuk invasion the Crusades and the Mongol incursions The military aspects of these momentous events have not been fully discussed so far For the first time this book offers a synthesis of trends in military technology and its effect on society in the period from the Arab conquests to the establishment of an Ottoman hegemony War and Society in the Eastern Mediterranean provides for medievalists an Oriental context to the military aspects of the Crusades and for scholars

of both Middle Eastern and military history a coherent treatment of an important topic over a long period and covering many different cultures

War, State, and Society in Liège Roeland Goorts, 2019-03-11 Small power diplomacy in seventeenth century Europe War State and Society in Liège is a fascinating case study of the consequences of war in the Prince Bishopric of Liège and touches upon wider issues in early modern history such as small power diplomacy in the seventeenth century and during the Nine Years War For centuries the small semi independent Holy Roman Principality of Liège succeeded in preserving a non belligerent role in European conflicts During the Nine Years War 1688 1697 however Liège's leaders had to abolish the practice of neutrality For the first time in its early modern history the Prince Bishopric had to raise a regular army reconstruct ruined defence structures and supply army contributions in both money and material The issues under discussion in War State and Society in Liège offer the reader insight into how Liège politically protected its powerful institutions and how the local elite tried to influence the interplay between domestic and external diplomatic relationships

The Great Society and the War on Poverty John R. Burch Jr., 2017-06-05 An ideal resource for students as well as general readers this book comprehensively examines the Great Society era and identifies the effects of its legacy to the present day With the assassination of President John F Kennedy Lyndon B Johnson inherited from the Kennedy administration many of the pieces of what became the War on Poverty In stark contrast to today Johnson was aided by a U S Congress that was among the most productive in the history of the United States Despite the accomplishments of the Great Society programs they failed to accomplish their ultimate goal of eradicating poverty Consequently some 50 years after the Great Society and the War on Poverty many of the issues that Johnson's administration and Congress dealt with then are in front of legislators today such as an increase in the minimum wage and the growing divide between the wealthy and the poor This reference book provides a historical perspective on the issues of today by looking to the Great Society period identifies how the War on Poverty continues to impact the United States both positively and negatively and examines how the Nixon and Reagan administrations served to dismantle Johnson's achievements This single volume work also presents primary documents that enable readers to examine key historical sources directly Included among these documents are The Council of Economic Advisers Economic Report of 1964 the Civil Rights Act of 1964 John F Kennedy's Remarks Upon Signing the Economic Opportunity Act The Negro Family The Case for National Action aka the Moynihan Report and the Report of the National Advisory Commission on Civil Disorders aka the Kerner Report

Disabled Children in a Society at War Rachel Hastie, 1997 This book looks at the themes of development in conflict disability in conflict and the social model of disability in a post communist society in detail

Effects of War on Society Giorgio Ausenda, 2002 The conference Effects of War on Society was the first in a series aimed at placing in perspective the sociocultural variables that make outbreaks of war probable and identifying for policy makers steps that can be taken to control these variables The papers focus on analysis of historical thinking on war anthropological analysis of the effects of war on societies at different levels of sociocultural

integration the expansion and decline of multi ethnic states and the wider effects of war political economic and moral
