lend historical and intellectual perspective to the included readings The readings themselves have been selected based on their combinations of theoretical sophistication and accessibility From analyses of self and society to examinations of critical theory and structural functional analysis Classical Sociological Theory remains the gold standard in classical theory readers The Fourth Edition of this widely taught book includes Selections that trace the history of classical sociological theory from its undisciplined roots to its modern influence on contemporary sociological debate Readings describing the pre history of sociology including ideas from the Enlightenment and de Tocqueville Editorial introductions that place selected works firmly in their intellectual philosophical and historical contexts for the benefit of the student A distinguished and scholarly team of editors with a wide and deep range of expertise Perfect for undergraduate and graduate students of social and sociological theory Classical Sociological Theory is also a thought provoking resource ideal for use in courses taught in human geography anthropology criminology and urban studies programs

Social Theory Charles Lemert, 2004-08-06 Collecting the full range of social theory developed from the 19th century to the present this anthology brings together texts such as those of Parsons and Dorothy Smith Merton and Lacan and James Coleman and Molefi Asante *The Development of Sociological Theory* A. Javier Trevino, 2017-02-15 The Development of Sociological Theory Readings from the Enlightenment to the Present brings together excerpts from 96 original works by important theorists from the roots of sociological thought through the contemporary and post modern periods Noted theory scholar A Javier Trevi o has created an anthology with breadth and variety while staying mainly within theoretical schools and traditions that are sociological The selections have been selected and edited for classroom use and are presented according to two orderings as a rough chronology that illustrates the historical development of theoretical knowledge in sociology and as a typology of systems of sociological theorizing for more methodical consideration

Baudrillard (RLE Social Theory) Mike Gane, 2014-08-21 Baudrillard is widely recognised as a powerful new force in cultural and social criticism and is often referred to as the High Priest of Postmodernism This study presents a detached assessment of his social thought and his reputation challenging the way his work has been received in postmodernism and proposing a new reading of his contribution to social theory Using many sources currently available only in French Mike Gane provides the keys to understanding Baudrillard s project and reveals the extent and scope of Baudrillard s challenge to modern social theory and cultural criticism He looks at the sources of Baudrillard s ideas analysing how Baudrillard has turned these sources against themselves He describes Baudrillard s dramatic encounter with critical Marxist theory and psychoanalysis showing how Baudrillard s post Marxist writings define through the exploration of fatal theory a new episode in cultural history a period of cultural implosion This balanced account of Baudrillard s social theory emphasises the originality of his work and argues that his significance can only be understood by grasping the paradoxes of his project Baudrillard s work is poetic yet at the same time critical and fatal

Contemporary Sociological Theory and Its Classical Roots George Ritzer, Jeffrey Stepnisky, 2017-12-08 Now with

SAGE Publishing Contemporary Sociological Theory and Its Classical Roots The Basics is a brief survey of sociology's major theorists and theoretical approaches from the Classical founders to the present With updated scholarship in the new Fifth Edition authors George Ritzer and Jeffrey Stepnisky connect many theorists and schools of thought together under broad headings that offer students a synthesized view of sociological theory This text is perfect for those who want an accessible overview of the entire tradition of sociological thinking with an emphasis on the contemporary relevance of theory Social Theory Charles Lemert, 2021-05-27 Social Theory is more than a reader Feminists race theorists decolonizing leaders and others are thoughtfully introduced by Charles Lemert's substantial commentaries Social Theory has always sought to keep up with the new while respecting the old from Durkheim and Weber to Latinx and LGBTQ pioneers When the book first appeared it was as it remains a collection of selections from those who have changed how we think about social things Today as the world is threatened by a global wave of anti democratic movements Social Theory adds a new early section to remind us of the origins of democratic values in the 1700s A new concluding section focuses the theoretical mind on how in the 2020s social theorists are rethinking the world in order to better understand and resist the menace of anti democratic movements
