Studies In East European Jewish Mysticism And Hasidism

Joseph Weiss

Studies In East European Jewish Mysticism And Hasidism:

Studies in East European Jewish Mysticism and Hasidism Joseph Weiss, 1997-11-01 A classic text for all those interested in Jewish religious developments in eastern Europe this paperback has a new introduction locating Weiss's work in the context of contemporary scholarship and the current resurgence of hasidism

Studies in East European Jewish Mysticism Joseph George Weiss, **Hasidism Beyond Modernity** Naftali Loewenthal, 2019-12-18 The Habad school of hasidism is distinguished today from other hasidic groups by its famous emphasis on outreach on messianism and on empowering women *Hasidism Beyond Modernity* provides a critical thematic study of the movement from its beginnings showing how its unusual qualities evolved Topics investigated include the theoretical underpinning of the outreach ethos the turn towards women in the twentieth century new attitudes to non Jews the role of the individual in the hasidic collective spiritual contemplation in the context of modernity the quest for inclusivism in the face of prevailing schismatic processes messianism in both spiritual and political forms and the direction of the movement after the passing of its seventh rebbe Rabbi Menachem Mendel Schneerson in 1994 Attention is given to many contrasts pre modern modern and postmodern conceptions of Judaism the clash between maintaining an enclave and outreach models of Jewish society particularist and universalist trends and the subtle interplay of mystical faith and rationality Some of the chapters are new others published in an earlier form have been updated to take account of recent scholarship This book presents an in depth study of an intriguing movement which takes traditional hasidism beyond modernity

The Mystical Origins of Hasidism Rachel Elijor, 2006-11-28 This very accessible introduction to hasidism as a movement opens a new window on its mystical underpinnings It discusses the origins and dissemination of hasidism and the literature that facilitated this the theological basis of hasidism and the mystical significance of the tsadik the major figures of hasidism and the complex links to kabbalah and Sabbatianism The discussion of the intellectual and social implications highlights the eighteenth century as a key period in modern Jewish history

Laws of the Spirit Ariel Evan Mayse, 2024-05-28 The compelling vision of religious life and practice found in Hasidic sources has made it the most enduring and successful Jewish movement of spiritual renewal of all time In this book Ariel Evan Mayse grapples with one of Hasidism's most vexing questions how did a religious movement known for its radical views about immanence revelation and the imperative to serve God with joy simultaneously produce strict adherence to the structures and obligations of Jewish law Exploring the movement from its emergence in the mid 1700s until 1815 Mayse argues that the exceptionality of Hasidism lies not in whether its leaders broke or upheld rabbinic norms but in the movement's vivid attempt to rethink the purpose of Jewish ritual and practice Rather than focusing on the commandments as law he turns to the methods and vocabulary of ritual studies as a more productive way to reckon with the contradictions and tensions of this religious movement as well as its remarkable intellectual vitality Mayse examines the full range of Hasidic texts from the eighteenth and early nineteenth centuries from homilies and theological treatises to hagiography letters and legal writings

reading them together with contemporary theories of ritual Arguing against the notion that spiritual integrity requires unshackling oneself from tradition *Laws of the Spirit* is a sweeping attempt to rethink the meaning and significance of religious practice in early Hasidism Speaking Infinities Ariel Evan Mayse, 2020-05-08 A study of the life and work of the Maggid a major figure in the mystical thought of early Hasidism Enshrined in Jewish memory simply as the Maggid preacher Rabbi Dov Ber Friedman of Mezritsh 1704 1772 played a critical role in the formation of Hasidism the movement of mystical renewal that became one of the most important and successful forces in modern Jewish life In *Speaking Infinities* Ariel Evan Mayse turns to the homilies of the Maggid to explore the place of words in mystical experience He argues that the Maggid's theory of language is the key to unpacking his abstract mystical theology as well as his teachings on the devotional life and religious practice Mayse shows how Dov Ber's vision of language emerges from his encounters with Ba'al Shem Tov the BeSHT the founder of Hasidic Judaism whose teaching put forward a vision of radical divine immanence Taking the BeSHT's notion of God's immanence as a kind of linguistic vitality echoing in the cosmos Dov Ber developed a theory of language in which all human tongues even in their mundane forms have the potential to become sacred when returned to their divine source Analyzing homilies and theological meditations on language Mayse demonstrates that Dov Ber was an innovative thinker and contends that in many respects it was Dov Ber rather than the BeSHT who was the true founder of Hasidism as it took root and the foremost shaper of its early theology *Speaking Infinities* offers an exploration of this introspective mystic's life gleaned from scattered anecdotes legends and historical sources distinguishing the historical personage from the figure that emerges from the composite array of textual and oral traditions that have shaped the memory of the Maggid and his legacy **Jewish Mysticism** Rachel Elier, 2007-05-31 The corpus of Jewish mystical writings has developed over thousands of years in different parts of the world Its creators sought to discover hidden realms that would shed light on existing reality The literature they created one of the central sources of inspiration of religious thought comprises hundreds of volumes This masterly investigation of the Jewish mystical phenomenon from antiquity to the twentieth century contextualizes it in the spiritual and historical circumstances in which it evolved Hasidic Studies Ada Rapoport-Albert, 2018-01-16 Ada Rapoport-Albert has been a key partner in the profound transformation of the history of hasidism that has taken shape over the past few decades The essays in this volume show the erudition and creativity of her contribution Written over a period of forty years they have been updated with regard to significant detail and to take account of important works of scholarship written after they were originally published Studies in Jewish Manuscripts Joseph Dan, Klaus Herrmann, Johanna Hoornweg, Manuela Petzoldt, 1999 Undoubtedly one of the most fascinating areas of Judaic research Jewish manuscripts has experienced a remarkable renaissance What the field has largely lacked however are professional publications to bring together researchers who albeit in different specialist areas history philosophy Kabbalah bibliography art history comparative manuscript studies paleography and codicology all deal variously with Hebrew manuscripts The authors of the

eight collected articles show the perspectives and the possibilities of such a discourse based on Jewish manuscripts within Judaic Studies moreover numerous tie ins with disciplines relating to general medieval and early modern history and culture can be developed

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Kabbalistic Culture of Eighteenth-Century Prague** Sharon Flatto, 2015-09-03 Sharon Flatto's comprehensive study offers the first systematic overview of the eighteenth century Jewish community of Prague and the first critical account of the life and thought of its pre eminent rabbinic authority Ezekiel Landau Her detailed analysis firmly rooted in the historical and cultural context of the period challenges the conventional portrayal of Landau as a staunch opponent of esoteric practices and reveals the centrality of kabbalistic thought in this key central European city

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, **Studies In East European Jewish Mysticism And Hasidism** . This immersive experience, available for download in a PDF format (Download in PDF: *), transports you to the heart of natural marvels and thrilling escapades.
