Jewish Soldiers in the Collective Memory of Central Europe Gerald Lamprecht, Eleonore Lappin-Eppel, Ulrich Wyrwa, 2019-04-15 World War I marks a huge break in Central European Jewish history Not only had the violent wartime events destroyed Jewish life and especially the living space of Eastern European Jews but the impacts of war the geopolitical change and a radicalization of anti-Semitism also led to a crisis of Jewish identity Furthermore during the process of national self discovery and the establishing of new states the societal position of the Jews and their relationship to the state had to be redefined These partially violent processes which were always accompanied by anti-Semitism evoked Jewish and Gentile debates in which questions about Jewish loyalty to the old and or new states as well as concepts of Jewish identity under the new political circumstances were negotiated This volume collects articles dealing with these Jewish and gentile debates about military service and war memory in Central Europe

Jewish Public Culture in the Late Russian Empire Jeffrey Veidlinger, 2009-04-14 In the midst of the violent revolutionary turmoil that accompanied the last decade of tsarist rule in the Russian Empire many Jews came to reject what they regarded as the apocalyptic and utopian prophecies of political dreamers and religious fanatics preferring instead to focus on the promotion of cultural development in the present Jewish Public Culture in the Late Russian Empire examines the cultural identities that Jews were creating and disseminating through voluntary associations such as libraries drama circles literary clubs historical societies and even fire brigades Jeffrey Veidlinger explores the venues in which prominent cultural figures including Sholem Aleichem Mendele Moykher Sforim and Simon Dubnov interacted with the general Jewish public encouraging Jewish expression within Russia's multicultural society By highlighting the cultural experiences shared by Jews of diverse social backgrounds from seamstresses to parliamentarians and in disparate geographic locales from Ukrainian shtetls to Polish metropolises the book revises traditional views of Jewish society in the late Russian Empire
