Studies In Several Literatures:

Studies of Literature from Marginalized Nations in Modern China, with a Focus on Eastern European Literature Binghui Song, 2024-04-14 This book presents the first systematic study of the 100 year history of translation research reception and influence of Central and Eastern European literature in China from the late Qing Dynasty to the end of the twentieth century This study of Eastern European literature from the perspective of Sino foreign literary relations is based on extensive research into the translation and reception of Central and Eastern European writers such as Milan Kundera S ndor Pet fi Henryk Sienkiewicz Julius Fucik and Bertolt Brecht Since the late nineteenth century the major Chinese writers have paid special attention to the literature of the marginalized Eastern European nations when they have to translate from translations since few of them understand Eastern European languages The book seeks to identify what attracted the founders of new Chinese literature to Eastern European literature and to define its unique significance for the construction of modern Chinese literature

Companion Studies to the History of Tamil Literature K.V. Zvelebil, 2021-12-06 There is a number of problems connected with the study and teaching of any Oriental literature in general and of Tamil literature specifically which have to date been mostly ignored although they are indispensable for solid knowledge and correct interpretation and understanding of the literature in question These include problems of authenticity and authorship of transmission and tradition writing tools and materials of relationship of orality to literacy of Sanskrit to Tamil the prehistory of Tamil written literature the numerous texts that have been lost scholarly lineages and the rediscovery of ancient Tamil literature etc The book deals with all these problems as well as with some specific Tamil cultural phenomena such as the concept of threefold Tamil or the relationship of literature marked to grammar marker with the derivation of the term Tamil and with the history of Tamil literary historiography It will be indispensable as an introduction to the study of the more than 2000 years of Tamil literary history By addressing questions which have thus far been almost completely neglected it has also decisive impact on the interpretative comprehension of Tamil literature and on the teaching of this very rich heritage of verbal art

The Routledge Companion to Humanism and Literature Michael Bryson, 2022-03-30 The Routledge Companion to Humanism and Literature provides readers with a comprehensive reassessment of the value of humanism in an intellectual landscape Offering contributions by leading international scholars this volume seeks to define literature as a core expressive form and an essential constitutive element of newly reformulated understandings of humanism While the value of humanism has recently been dominated by anti humanist and post humanist perspectives which focused on the flaws and exclusions of previous definitions of humanism this volume examines the human problems dilemmas fears and aspirations expressed in literature as a fundamentally humanist art form and activity Divided into three overarching categories this companion will explore the histories developments debates and contestations of humanism in literature and deliver fresh definitions of the new humanism for the humanities This focus aims to transcend the boundaries of a world in which human life is all too often

defined in terms of restrictions political economic theological intellectual and lived in terms of obedience conformity isolation and fear The Routledge Companion to Humanism and Literature will provide invaluable support to humanities students and scholars alike seeking to navigate the relevance and resilience of humanism across world cultures and literatures
