of medieval history Magna Carta Uncovered Anthony Arlidge, Igor Judge, 2014-10-30 2015 marks the 800th anniversary of the grant at Runnymede of Magna Carta The story of how Magna Carta came into being and has been interpreted since and its impact on individual rights and constitutional developments has more twists and turns than any work of historical fiction The authors bring their wide legal experience and forensic skills to uncover the original meaning of the liberties enshrined in Magna Carta and to trace their development in later centuries up to the drafting of the Constitution of the United States of America By providing that the powers of the King were not unlimited the Charter was groundbreaking yet it was also a conservative document following the form of Anglo Saxon charters and seeking to return government to the ways of the Norman kings This book tells the enthralling ultimately inspirational story of Magna Carta in a concise and readable fashion and will captivate laymen and lawyers alike **Llywelyn ap Gruffudd** J. Beverley Smith, 2014-01-15 Llywelyn ap Gruffudd Prince of Wales is an outstanding work by an author with a perceptive understanding of the complexities of his subject It is clearly sometimes passionately written and is destined to be the definitive work on this matter for many generations This is the first full length English language study of Llywelyn ap Gruffudd c 1225 1282 prince of Wales In this scholarly and lucid book J Beverley Smith offers an in depth assessment not only of Llywelyn but of the age in which he lived The author takes thirteenth century Wales as a backdrop against which he analyses the relationship between a sense of nationhood and the practical realities of creating a structure to embrace a unified principality of Wales held under the aegis of the English Crown This examination of the triumphs and subsequent reverses of a ruler of exceptional vision and vigour is a substantial contribution to our understanding of the nature of Welsh politics and the complexities of Anglo Welsh relations King John, Revised Edition W. L. Warren, 1978-10-09 An account of John s life and reign based on modern research and set forth in a manner that will appeal as much to the general reader as to the student Daily Telegraph **Feudal Society** Marc Lőpold Benjamin Bloch, 2002-11 Feudal Society discusses the social and economic conditions in which feudalism developed providing a deep understanding of the processes at work in medieval Europe
