Studies Of Savages And Sex Edit By Theodore Besterman:

Studies of Savages and Sex ... Edited by Theodore Besterman Alfred Ernest Crawley, 1929 **Revival: Studies of Savages and Sex (1929)** Alfred Ernest Crawley, 2018-05-08 The success of my revised edition of Mr Crawley's *The Mystic Rose* has encouraged me to bring together in the present volume some of his papers previously unpublished in book form on subjects akin to those of his great work. Mr Crawley's treatment of these problems of sexual anthropology especially on the psychological side was in the years in which he was most actively at work too uncompromisingly original to meet with general acceptance even in academic circles. But now his standpoint which can perhaps be best described as being that of a profound psychological analysis on the basis of biological common sense is beginning to be appreciated. And the following papers will be found I think to contain all those qualities which so sharply differentiate Mr Crawley's work from that of most other students in the same fields **Theodore Besterman, Bibliographer and Editor** Francesco Cordasco, 1992-03 a fitting tribute to a life of great achievement JOURNAL OF DOCUMENTATION UK **The Erotic Margin** Irvin C. Schick, 2020-05-05 Gender and sexuality have long held an important place in western attitudes towards the people and regions of the world from the titillating accounts of harem life in the Middle East to terrifying captivity narratives of North America. *The Erotic Margin* is a first attempt to pull together the large disparate and often contradictory literature and view it as a corpus. Schick argues that such images served to construct spatial difference and thereby helped Europe represent its own place in the world during an age of rapid geographical expansion. Informed by the recent literature on human geography as well as feminist and postcolonial theory, *The Erotic Margin* focuses on erotica and sexual anthropology as well as travel literature in which from the eighteenth century on both traveler and destination were portrayed in unmistakably gendered and sexualized terms. Reviewing examples ranging from the New World to India, the Near East to black Africa and the South sea islands to the Barbary Coast, the book reflects on why foreign women were variously portrayed as alluring or threatening, foreign men as effeminate weaklings or dangerous rapists and foreign lands as sexual idylls or hearts of darkness.

Revival: Dress, Drinks and Drums (1931) Ernest Crawley, 2019-08-22 *Studies of Savages and Sex* are brought together by nine shorter essays. In the present Volume are assembled three longer studies, the first of which indeed is long and important enough to have made a volume itself. It speaks of the origins, forms and psychology of dress with special emphasis on the sexual psychology. The psychology of drinks and drums and all three combined [A Compendium of Kisses](#) Lana Citron, 2011-01-01 From first kisses to missed kisses, stolen kisses, the chemistry of kisses around the world, kisses silver screen, kisses Freudian, kisses lipstick, kisses and record breaking kisses, this eclectic collection of facts, figures, quotes and curiosities has everything you've ever wanted to know and more about that most deceptive, delightful and indispensable gesture, the kiss [The National Union Catalog, Pre-1956 Imprints](#) Library of Congress, American Library Association.
