Studies In Biblical Holiness:

Studies in Biblical Holiness Donald S. Metz, 2004-10-01 Holiness and Community in 2 Cor 6:14-7:1 J. Ayodeji Adewuya, 2011-02-01 This book examines 2 Cor 6 14 7 1 and argues that its theological message is communal holiness. It culminates in an attempt to posit a Pauline theology of corporate sanctification in the Corinthian correspondence. Paul's view of sanctification, it is argued, should be seen as multifaceted: relational, communal, ethical, and mission-oriented. Thus a coherent picture of Pauline teaching on holiness in the Corinthian correspondence emerges from this book. For Paul, the focus of God's redemptive activity is primarily the community, and not the individual. Paul's view on holiness has to do with communal holiness within the people of God, the goal of which is to make God known to the wider society. In sum, this book argues that the teaching on holiness should not be and cannot be satisfactorily explained in terms of the individual but only as the individual stands in relation to the community of faith. Thus the conclusion offers a corrective to some strands of modern interpretation that emphasize the individualistic experiential aspects of Christian holiness, thus tending to reduce Christian holiness to morality.

Possessed by God David G. Peterson, 2015-07-13 Challenging a common assumption, David Peterson argues that the New Testament emphasizes sanctification as a definitive event. God's way of taking possession of us in Christ setting us apart to belong to him and to fulfill his purpose for us.

Holiness in the Letters of Paul J. Ayodeji Adewuya, 2016 Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament. Using varied terminology, Paul describes the holiness that should characterize the believers as the people of God. God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary Christlike lives in this present world, though polluted, as they prepare for the world to come. Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives, cognizant of the fact that holiness is a matter of practice, not merely a status that one attains upon justification. Thus holiness is an imperative for the people of God. In *Holiness in the Letters of Paul*, Adewuya underscores how important it was for Paul that trusting Jesus should lead to a transformed life. God's purposes for the world in the death of Christ and the release of the Spirit do not culminate in the awakening of mere belief but in the realization of the new creation, first and foremost through people who no longer live for themselves but rather live for the Christ who died and was raised on their behalf through people that is through whom Christ lives. Working through each of the letters attributed to Paul, Adewuya makes a strong contribution that restores holiness to a central place in the discussion of Paul's gospel and in the lives of those who would receive the good news.

David A. deSilva, Ashland Theological Seminary In this helpful work, Adewuya attentively explores the often neglected theme of holiness and related concepts in Paul's letters, offering an important new contribution to Pauline theology. Others who examine this subject have praised Adewuya's previous seminal work on the subject and will find here perhaps the most thorough treatment of the topic to date.

Craig S. Keener, F.M. and Ada Thompson, Professor of Biblical Studies, Asbury Theological Seminary Ayo Adewuya

has put us all in his debt by offering the first substantive comprehensive treatment of holiness in the writings of Paul Demonstrating the essential role the multifaceted issue of holiness plays in Pauline thought Adewuya s work necessitates a revising of previous work on the Pauline literature to fill the lacuna created by the absence of sustained attention to this vital aspect His work is to be heartily commended and welcomed by all those working on the Pauline literature as well as those interested in a biblical understanding of this often misunderstood subject John Christopher Thomas Clarence J Abbott Professor of Biblical Studies Pentecostal Theological Seminary Cleveland TN Director the Centre for Pentecostal and Charismatic Studies Bangor University Bangor UK Holiness in the Letters of Paul provides a helpful treatment of a neglected topic He shows clearly the importance of holiness in Paul s theology and ethics Adewuya demonstrates how pervasive talk of holiness is within the Pauline corpus even as he argues that the contemporary church needs to give more and better attention to it This book s construction of holiness in Paul should stimulate further work on this important topic Jerry L Sumney Professor of Biblical Studies Lexington Theological Seminary All too often scholars neglect the topic of holiness in the study of Paul and yet it is clearly a fixture in his thought and vocabulary Adewuya fills an important gap in scholarship by carefully examining Paul s holiness language in the context of each of his letters Both Adewuya s exegetical and synthetic work offer clarity and fresh insight Given his career long dedication to this topic Adewuya serves as the perfect guide Nijay K Gupta George Fox Evangelical Seminary J Ayodeji Adewuya is Professor of Greek and New Testament at the Pentecostal Theological Seminary Cleveland Tennessee He is the author of *Holiness and Community* **Five Views on Sanctification** Melvin Easterday Dieter,Anthony A. Hoekema,1996 Representatives of five major Protestant perspectives join in this book to present their views on sanctification *A Handbook of Theology* Dr. Daniel L. Akin,David S. Dockery,Nathan A. Finn,Christopher W. Morgan,2023-04-01 In *A Handbook of Theology* editors Daniel Akin David Dockery and Nathan Finn select nearly fifty contributors in the Baptist and evangelical heritage to lay a biblically informed foundation of a Christian theology for students pastors and church leaders This volume surveys six parts of theology foundations Part 1 types of theology Part 2 history and geography Part 3 Christian doctrine Part 4 the Christian life Part 5 and theology and culture Part 6 Each author centers their theological topics in the Scriptures while also being Trinitarian Christ centered Spirit enabled and mission focused The *Theology for the People of God* series is edited by David S Dockery Nathan A Finn and Christopher W Morgan **A Spiritual Portrait of a Believer** Chet Cataldo,2010-02-19 The focus of this study is to discover the identity of the emphatic I of Rom 7 with the added purpose of attempting to draw a spiritual portrait of a mature Christian believer To accomplish this purpose the process is as follows An examination of Rom 7 within its context is conducted This examination is followed by an attempt at determining the experience of the emphatic I found within Rom 7 The next step in the process is to compare the experience of the emphatic I of Rom 7 as found within its context of Rom 1 8 with what Paul wrote elsewhere on the experience of new life in Christ for Christian believers The purpose of this comparison is to discover if Paul had a

consistent portrait of spirituality and Christian maturity The final step is to compare the experience described by Paul both in Rom 7 and in the wider Pauline Corpus with the experience which John Wesley called perfection and with the Mystical experience called the spiritual marriage The study of Romans Wesley and the Mystics coupled with the wider study of the secondary literature showed that there is a remarkable consistency in the teaching and understanding that the closer a Christian believer gets to God the more this Christian believer is aware of his or her own sinfulness Paul in describing the experience of the emphatic I is describing a person who is becoming more and more aware of his or her own sinfulness The conclusion to be drawn from this study is that the identity of the empathic I is of a regenerate Christian believer one who is growing ever closer and closer to God and at the same time is in pain over the remaining effects of sin Living as God's Holy People Kent Brower, 2014-08-08 In this readable and enlightening book based on his 2008 Didsbury Lectures Kent Brower opens up Paul's theology of holy living as community in the power of the Spirit At the heart of Paul's practical theology is God's call of Israel to be holy as God is holy But his conviction is that the call to be God's holy people now encompasses all Jews and Gentiles who follow Jesus the Messiah This new community of God is to embody the holiness of God wherever they live just as Israel was to embody it This is a central theological concern in all of Paul's epistles His ethics are always theological ethics his theology is always practical theology Abreast of other scholarly studies and written in a very accessible style this engaging book makes a contribution in inverse relation to its modest size Larry Hurtado Professor of New Testament Language Literature and Theology University of Edinburgh *Toward Conformity to the Image of Christ* Fred R. Johnson, 2005-02 *Purity* Andrew Brower Latz, Arseny Ermakov, 2017-08-31 In ancient societies and religion the concept of purity was of central importance in many modern societies it is either irrelevant or when it is used attached to extremely conservative agendas This suggests an interesting story to be told within the history of ideas and at the same time raises questions about the place meaning and use of purity in religious traditions What does purity mean in different scriptural contexts Is it synonymous with holiness or different How has it been used within various strands of theology What should we make of it today Have we moderns by discarding purity as an organising social form lost something essential or have we made a significant moral advance Or both This volume addresses these questions in essays on biblical genres books and different theological traditions Accessibly written and incisive in its scholarship Purity will be of interest to both specialists and non specialists alike
