The Littman Library of Jewish Civilization

Studies In East European Jewish Mysticism

Immanuel Etkes

Studies In East European Jewish Mysticism:

Studies in East European Jewish Mysticism and Hasidism Joseph Weiss, 1997-11-01 A classic text for all those interested in Jewish religious developments in eastern Europe this paperback has a new introduction locating Weiss's work in the context of contemporary scholarship and the current resurgence of hasidism **Studies in East European Jewish Mysticism** Joseph George Weiss, □□□□□□ □□□□□□ □□□□□ □□ □□□□□ □□ Joseph Dan, 2005 Joseph Dan the Gershom Scholem Professor of Kabbalah Emeritus at the Hebrew University and long time Professor of Jewish Studies at the Freie Universitat Berlin is one of the most influential figures in the fields of Jewish mystical thought homiletical and ethical literature modern Messianism and Hasidism and contemporary belles lettres His studies of the diverse aspects of Jewish creativity with close attention to the dialectics of religious cultural continuity versus historical innovation provide a comprehensive overview of the complex history of Jewish thought and its multiple creative faces It is precisely for this reason to honor Joseph Dan's multifaceted research that his many colleagues students and friends scattered among universities around the world have decided to focus their contributions in this Festschrift on the continuing process of creation and re creation in Jewish thought throughout the centuries Contributors Philip Alexander Dan Ben Amos Peter Schafer Margarete Schluter Bernard McGinn Klaus Herrmann Herbert Davidson Annelies Kuyt Haym Soloveitchik Eli Yassif Gerold Necker Marc Saperstein Giuseppe Veltri Aviezer Ravitzky Avinoam Rosenak Kimmy Caplan Saverio Campanini Eric Jacobson Yair Zakovitch Rachel Elior David Weiss Halivni Avigdor Shinan Avraham Grossman Giulio Busi Moshe Hallamish Chava Turniansky Jacob Elbaum Hagit Matras Joseph Hacker Raya Haran Arnold J Band Hamutal Bar Yosef Miri Kubovy Naama ben Shahar **Jewish Mysticism** Rachel Elior, 2007-05-31 The corpus of Jewish mystical writings has developed over thousands of years in different parts of the world Its creators sought to discover hidden realms that would shed light on existing reality The literature they created one of the central sources of inspiration of religious thought comprises hundreds of volumes This masterly investigation of the Jewish mystical phenomenon from antiquity to the twentieth century contextualizes it in the spiritual and historical circumstances in which it evolved **Hasidism Reappraised** Ada Rapoport-Albert, 1996-07-01 Probably the most important analytical study of the Hasidic movement can be read by anyone seriously interested in Jewish history Jewish Historical Studies **Communicating the Infinite** Naftali Loewenthal, 1990-05-31 At the end of the eighteenth century the hasidic movement was facing an internal crisis to what extent should the teachings of Baal Shem Tov and Maggid of Mezritch with their implicit spiritual demands be transmitted to the rank and file of the movement Previously these teachings had been reserved for a small elite It was at this point that the Habad school emerged with a communication ethos encouraging the transmission of esoteric to the broad reaches of the Jewish world Communicating the Infinite explores the first two generations of the Habad school under R Shneur Zalman of Liadi and his son R Dov Ber and examines its early opponents Beginning with the different levels of communication in the teachings of the Baal Shem Tov and the Maggid and his disciples

Naftali Loewenthal traces the unfolding of the dialectic between the urge to transmit esoteric ideas and a powerful inner restraint. Gradually R Shneur Zalman came to the fore as the prime exponent of the communication ethos. Loewenthal follows the development of his discourses up to the time of his death when R Dov Ber and R Aaron Halevi Horowitz formed their respective Lubavitch and Staroselye schools. The author continues with a detailed examination of the teachings of R Dov Ber, an inspired mystic. Central in his thought was the esoteric concept of self-abnegation, *bitul*, yet this combined with the quest to communicate Hasidic teachings to every level of society, including women. From the late eighteenth century onwards, the main problem for the Jewish world was posed by the fall of the walls of the social and political ghetto. Generally, the response was either to secularize or abandon altogether traditional Judaism or to retreat from the threatening modern world into an enclave of religiosity by stressing communication. The Habad school opened the way for a middle-range response that was neither a retreat into elitism nor an abandonment of tradition. Based on years of research from Hebrew and Yiddish primary source materials, *Communicating the Infinite* is a work of importance not only to specialists of Judaic studies but also to historians and sociologists.

Laws of the Spirit Ariel Evan Mayse, 2024-05-28 The compelling vision of religious life and practice found in Hasidic sources has made it the most enduring and successful Jewish movement of spiritual renewal of all time. In this book, Ariel Evan Mayse grapples with one of Hasidism's most vexing questions: how did a religious movement known for its radical views about immanence, revelation, and the imperative to serve God with joy simultaneously produce strict adherence to the structures and obligations of Jewish law? Exploring the movement from its emergence in the mid-1700s until 1815, Mayse argues that the exceptionality of Hasidism lies not in whether its leaders broke or upheld rabbinic norms but in the movement's vivid attempt to rethink the purpose of Jewish ritual and practice. Rather than focusing on the commandments as law, he turns to the methods and vocabulary of ritual studies as a more productive way to reckon with the contradictions and tensions of this religious movement as well as its remarkable intellectual vitality. Mayse examines the full range of Hasidic texts from the eighteenth and early nineteenth centuries, from homilies and theological treatises to hagiography, letters, and legal writings, reading them together with contemporary theories of ritual. Arguing against the notion that spiritual integrity requires unshackling oneself from tradition, *Laws of the Spirit* is a sweeping attempt to rethink the meaning and significance of religious practice in early Hasidism.

Jewish Mysticism, 2001-01-01 Presents a historical overview of the movements and trends in Jewish mysticism, including Hekhaloth mysticism, classical and Lurianic Kabbalah, Shabbetai Zvi, and Hasidism, seeking to define and explain how the various currents of tradition throughout the centuries are related. Original.

The Besht Immanuel Etkes, 2012-02-14 Now available in English, a provocative new biography of the founder of Hasidism.

Hasidism Beyond Modernity Naftali Loewenthal, 2019-12-18 The Habad school of Hasidism is distinguished today from other Hasidic groups by its famous emphasis on outreach, on messianism, and on empowering women. *Hasidism Beyond Modernity* provides a critical thematic study of the movement from its beginnings, showing how its unusual

qualities evolved Topics investigated include the theoretical underpinning of the outreach ethos the turn towards women in the twentieth century new attitudes to non Jews the role of the individual in the hasidic collective spiritual contemplation in the context of modernity the quest for inclusivism in the face of prevailing schismatic processes messianism in both spiritual and political forms and the direction of the movement after the passing of its seventh rebbe Rabbi Menachem Mendel Schneerson in 1994 Attention is given to many contrasts pre modern modern and postmodern conceptions of Judaism the clash between maintaining an enclave and outreach models of Jewish society particularist and universalist trends and the subtle interplay of mystical faith and rationality Some of the chapters are new others published in an earlier form have been updated to take account of recent scholarship This book presents an in depth study of an intriguing movement which takes traditional hasidism beyond modernity

Yeah, reviewing a ebook **Studies In East European Jewish Mysticism** could accumulate your close connections listings. This is just one of the solutions for you to be successful. As understood, capability does not suggest that you have astounding points.

Comprehending as well as accord even more than new will have the funds for each success. adjacent to, the pronouncement as skillfully as acuteness of this Studies In East European Jewish Mysticism can be taken as with ease as picked to act.
