Reif, Renate Egger-Wenzel, 2015-11-13 Given the recent interest in the emotions presupposed in early religious literature it has been thought useful to examine in this volume how the Jews and early Christians expressed their feelings within the prayers recorded in some of their literature Specialists in their fields from academic institutions around the world have analysed important texts relating to this overall theme and to what is revealed with regard to such diverse topics as relations with God exegesis education prophecy linguistic expression feminism happiness grief cult suicide non Jews Hellenism Qumran and Jerusalem The texts discussed are in Greek Hebrew and Aramaic and are important for a scientific understanding of how Rabbinic Judaism and Early Christianity developed their approaches to worship to the construction of their theology and to the feelings that lay behind their religious ideas and practices The articles contribute significantly to an historical understanding of how Jews maintained their earlier traditions but also came to terms with the ideology of the dominant Hellenistic culture that surrounded them **Hebrew Scholarship and the Medieval World**

Nicholas de Lange, 2001-03-26 This book surveys what has been achieved in recent research on medieval Hebrew language and texts **Jewish and Christian Liturgy and Worship** Albert Gerhards, Clemens Leonhard, 2007 Jewish and Christian

Liturgy and Worship presents the reworked results of the discussions at an interdisciplinary symposium held in Aachen Germany on recent trends in the study of Jewish and Christian liturgies It introduces diverse subjects pertaining to its topic and shows their interrelationship **From Ideology to Liturgy** Eric Caplan, 2022-11-01 In the 2002 edition of *From Ideology to Liturgy* Eric Caplan examined Reconstructionism's interpretation and adaptation of the traditional Jewish liturgy and its creation of new prayer texts to convey and express the movement's changing ideology Further insight into Reconstructionist liturgy was gained through comparing these prayerbooks to the contemporaneous liturgies of Reform and Conservative Judaism and to the work of Jewish Renewal In this new supplemented reprint edition Caplan offers an expansive study of liberal Jewish prayerbooks published in the decades since *From Ideology to Liturgy* first appeared and revisits his earlier conclusions in light of more recent expanded access to Mordecai Kaplan's diaries and archives **Scientific and Pastoral**

Jewish Liturgy Ruth Langer, 2015-03-06 How do Jews pray and why What do the prayers mean From where did this liturgy come and what challenges does it face today Such questions and many more spanning the centuries and continents have driven the study of Jewish liturgy But just as the liturgy has changed over time so too have the questions asked the people asking them and the methods used to address them *Jewish Liturgy A Guide to Research* enables the reader to access the rich bibliography now available in English In this volume Ruth Langer an expert on Jewish liturgy provides an annotated description of the most important books and articles on topics ranging historically from the liturgy of the Second Temple period and the Dead Sea Scrolls to today addressing the synagogue itself and those gathered in it the daily weekly and festival liturgies and their components home rituals and the life cycle as well as questions of liturgical performance and theology Introductions to every section orient the reader and provide necessary background

Christians seeking to understand Jewish liturgy either that of Jesus and the early church or that of their Jewish contemporaries will find this volume invaluable It s also an important reference for anyone seeking to understand how Jews worship God and how that worship has evolved over time Freedom and Flourishing Robert Leigh, 2017-11-09 Freedom is vital both to Karl Barth s theology and to modern religion politics and culture Leigh describes how Barth s lifelong fascination by freedom culminated in a fresh daring engagement with it in his last completed book volume IV 3 of the massive Church Dogmatics which is probably the most important work of Christian theology in the twentieth century That volume builds on Barth s earlier work but also goes beyond it in ways that have not yet been appreciated Leigh shows how this mature theology of Barth not only responds profoundly to key questions about freedom both in philosophy and theology but also opens up a rich habitable understanding of Jesus Christ and of life in relationship with him that is prophetic for the twenty first century This involves a dynamic integration of knowing with being being with action truth with witness individual with community and divine initiative with human flourishing At the heart of this life with God is participation in the asymmetrical yet utterly reciprocal interaction between human beings and the God who loves them in freedom Leigh succeeds both in describing this participation convincingly and in demonstrating its provocative attractiveness
