Studies Voltaire 18th Century Volume 308:

Studies on Voltaire and the Eighteenth Century Haydn Trevor Mason, 1993 *Studies on Voltaire and the eighteenth century*, 1993 **A History of Police and Masculinities, 1700-2010** David Barrie, Susan Broomhall, 2012-07-26 This unique collection brings together leading international scholars to explore how ideologies about masculinities have shaped police culture policy and institutional organization from the eighteenth century to the present day. It addresses an under researched area of historical inquiry providing the first in depth study of how gender ideologies have shaped law enforcement and civic governance under old and new police models tracing links continuities and changes between them. The book opens up scholarly understanding of the ways in which policing reflected sustained embodied and enforced ideas of masculinities in historic and modern contexts as well as how conceptions of masculinities were and continue to be interpreted through representations of the police in various forms of print and popular culture. The research covers the UK Europe Australia and America and explores police typologies in different international and institutional contexts using varied approaches sources and interpretive frameworks drawn from historical and criminological traditions. This book will be essential reading for academics students and those interested in gender culture police and criminal justice history as well as police practitioners.

A Certain Emancipation of Women Tracey Rizzo, 2004 Best selling court cases in eighteenth century France provide ample evidence of a certain emancipation of women. Certain in the sense of tentative qualified women won their cases in surprising numbers yet were represented by their lawyers via limiting stereotypes. Certain also in the sense of sure lawyers and editors contributed to a liberatory moment particularly in the two decades leading up to the radical phase of the French Revolution in which late eighteenth century constructions of female citizenship offered virtuous women regardless of rank or even race strategic possibilities for establishing modern identities defined as self creating autonomous and capable of moral judgment.

and reason Few scholars have attempted to demonstrate the means by which representations both reflect and transform the lives of historical actors This study offers a rare opportunity to glimpse that intersection as the causes celebres contain representations and lived experience fact and fiction Lawyers and editors called for the liberation of women from tyrannical fathers abusive husbands public opinion and even oppressive laws like that maintaining the stigma of illegitimacy in the dozens of seductions separations rapes and infanticides on which this study is based Jacket The Eighteenth Century Kevin L Cope,Robert C Leitz,2003 This reference work provides bibliographic details for students of 18th century studies
