Global Hollywood 2 Toby Miller, Nitin Govil, John McMurria, Richard Maxwell, Ting Wang, 2019-07-25 Substantially revised and updated this book highlights how Hollywood has transformed itself to attain ever global clout and reach and the material factors underlining

Hollywood's apparent artistic success Takes into consideration recent events affecting Hollywood such as 9/11 US foreign policy and developments in consumer technology

Flickers of Film Jason Sperb, 2015-12-15 Whether paying tribute to silent films in *Hugo* and *The Artist* or celebrating arcade games in *Tron Legacy* and *Wreck It Ralph* Hollywood suddenly seems to be experiencing a wave of intense nostalgia for outmoded technologies To what extent is that a sincere lament for modes of artistic production that have nearly vanished in an all digital era And to what extent is it simply a cynical marketing ploy built on the notion that nostalgia has always been one of Hollywood's top selling products In *Flickers of Film* Jason Sperb offers nuanced and unexpected answers to these questions examining the benefits of certain types of film nostalgia while also critiquing how Hollywood's nostalgic representations of old technologies obscure important aspects of their histories He interprets this affection for the prehistory and infancy of digital technologies in relation to an industry wide anxiety about how the digital has grown to dominate Hollywood pushing it into an uncertain creative and economic future Yet he also suggests that Hollywood's nostalgia for old technologies ignores the professionals who once employed them as well as the labor opportunities that have been lost through the computerization and outsourcing of film industry jobs Though it deals with nostalgia *Flickers of Film* is strikingly cutting edge one of the first studies to critically examine Pixar's role in the film industry cinematic representations of videogames and the economic effects of participatory culture As he takes in everything from *Terminator Salvation* to *The Lego Movie* Sperb helps us see what's distinct about this recent wave of self aware nostalgic films how Hollywood nostalgia today isn't what it used to be

Motion Picture Herald, 1927

Art Direction and Production Design Lucy Fischer, 2015-03-06 How is the look of a film achieved In *Art Direction and Production Design* six outstanding scholars survey the careers of notable art directors the influence of specific design styles the key roles played by particular studios and films in shaping the field the effect of technological changes on production design and the shifts in industrial modes of organization The craft's purpose is to produce an overall pictorial vision for films and in 1924 a group of designers formed the Cinemagundi Club their skills encompassed set design painting decoration construction and budgeting A few years later in recognition of their contributions to filmmaking the first Academy Awards for art direction were given a clear indication of just how essential the oversight of production design had become to the so called majors The original essays presented in *Art Direction and Production Design* trace the trajectory from Thomas Edison's primitive studio the *Black Maria* to the growth of the Hollywood studio system to the influence of sound to a discussion of the auteur theory and to contemporary Hollywood in which computer generated imagery has become common By 2000 the Society of Motion Picture Art Directors became the Art Directors Guild emphasizing the significance of the contributions of art direction and production design to filmmaking *Art Direction and Production Design* is a volume in the *Behind the Silver Screen* series other titles in the series include *Acting Animation Cinematography Directing Editing and Special Visual Effects Producers Screenwriting and Sound*

Who's who in Art Bernard Dolman, 1927 *Hollywood Unions* Kate

Fortmueller, Luci Marzola, 2024-12-13 Hollywood Unions is a unique collection that tells the stories of the unions and guilds that have organized motion picture and television labor IATSE the DGA SAG AFTRA and the WGA The Hollywood unions represent a wide swath of the workers making media from directors and stars to grips and makeup artists People today know some of these organizations from their glitzy annual awards celebrations but the unions actual importance is in bargaining with the Association of Motion Picture and Television Producers AMPTP on behalf of 331 000 workers in the motion picture and television industry The Hollywood unions are not neutral institutions but rather have long histories of jurisdictional battles competitions with rival unions and industry altering strikes They have supported the industry s workers through the Great Depression World War II the McCarthy era the collapse of the studio system the rise of television runaway production fights for gender parity the digital revolution and a global pandemic The history of these unions has contributed to making media work sustainable in the long term and helped shape the conditions and production cultures of Hollywood **Cue and Cut** Roger Singleton-Turner, 2021-07-08 Cue Cut is a practical approach to working in television studios for anyone who might want to work in that medium It s full of useful information about kit and how you would use it to create multi camera content Written by a multi camera producer director with years of drama and teaching experience it presents both a way of handling studios and a source of information about how things have changed from the days of monochrome to HD tapeless modes with some thoughts on 3D HDTV The book is firmly based in first hand teaching experience and experience of producing direction floor managing and so on and on working with top flight Actors Writers Musicians Designers of all disciplines and Sound and Camera crews both at the BBC and in ITV The book will certainly cover multi camera aspects of Undergraduate HND and B Tech courses and should be useful to those on short courses whether practical or post graduate
