Study Of Walter Rodney's Intellectual And Political Thought:

Walter Rodney's Intellectual and Political Thought Rupert Lewis, 1998 Placing Rodney's work in the larger tradition of West Indian involvement with continental Africa Walter Rodney's Intellectual and Political Thought traces the evolution of Walter Rodney's political ideas through biography analysis of his writings on Africa and the Caribbean and his political practice Rooted in transatlantic history and politics Rodney's intellectual and political thought critiqued the British Empire and capitalism in the diasporic locations of Guyana Jamaica London and Tanzania as well as the processes of recolonisation A West Indian Pan Africanist and Marxist Walter Rodney functioned in the intellectual tradition of C L R James Henry Sylvester Williams and George Padmore of Trinidad and Tobago Theophilus Scholes and Marcus Garvey of Jamaica and the collective force of the Rastafarian movement in Jamaica during the 1950s and 1960s although his post colonial era perspective also set him apart from these earlier figures and movements A Study of Walter Rodney's Intellectual and Political Thought Rupert Lewis, 1995

The Study of Africa Volume 2: Global and Transnational Engagements Paul Tiyambe Zeleza, 2006 This is the second of a two volume work taking stock of the study of Africa in the twenty first century its status research agenda and approaches and place It is divided into two parts the first entitled Globalisation Studies and African Studies and the second African Studies in Regional Contexts Topics addressed in part one include trans boundary formations and the study of Africa global economic liberalisation and development in Africa African diasporas academics and the struggle for a global epistemic presence and the problem of translation in African studies Part two considers African and area studies in France the US the UK Australia Germany and Sweden anti colonialism and Russian soviet African studies African studies in the Caribbean in historical perspective the teaching of African history and the history of Africa in Brazil African studies in India African studies and historiography in China in the twenty first century and African studies and contemporary scholarship in Japan

Looking Within Nancy Morejón, 2003 A bilingual edition of poetry from an important Cuban poet George Padmore and Decolonization from Below L. James, 2014-10-14 This book argues that the rising tide of anti colonialism after the 1930s should be considered a turning point not just in harnessing a new mood or feeling of unity but primarily as one that viewed empire racism and economic degradation as part of a system that fundamentally required the application of strategy to their destruction

Without Hatreds Or Fears Laurence Emmanuel Prescott, 2000 A study of Tambores en la Noche two volumes of verse by Jorge Artel black poet of 20th century Colombia It analyzes his work within the context of Colombian history and culture modern Spanish American literature and the poet's own career **Coleman Young and Detroit**

Politics Wilbur C. Rich, 1999-02 Coleman Young was elected Detroit's first black mayor in 1973 and was the city's longest serving chief executive This volume combines biography with political analysis to outline the basic strategy underlying Young's approach to policy making and trace the economic changes in the city **The Challenge of Blackness** Derrick E.

White, 2011-09-01 The Challenge of Blackness examines the history and legacy of the Institute of the Black World IBW one of

the most important Black Freedom Struggle organizations to emerge in the aftermath of the assassination of Dr Martin Luther King Jr A think tank based in Atlanta the IBW sought to answer King s question Where do we go from here Its solution was to organize a broad array of leading Black activists scholars and intellectuals to find ways to combine the emerging academic discipline of Black Studies with the Black political agenda Throughout the 1970s debates over race and class in the Unites States grew increasingly hostile and the IBW s approach was ultimately unable to challenge the growing conservatism By using the IBW as the lens through which to view these turbulent years Derrick White provides an exciting new interpretation of the immediate post civil rights years in America

African Political Thought Guy Martin,2012-12-05 For most of its history the African continent has witnessed momentous political change remarkable philosophical innovation and the complex cross fertilization of ideologies and belief systems This definitive study surveys the concepts values and historical upheavals that have shaped African political systems from the ancient period to the postcolonial era and beyond Beginning with the emergence of indigenous political institutions it traces the most important developments in African history including the Africanization of Islam liberal democratic movements socialism Pan Africanism and Africanist Populist resistance to the neoliberal world order The result is an invaluable resource on a region too often ignored in the history of political thought

African Americans, Labor, and Society Patrick L. Mason,2001 Over the past twenty five years union participation has declined among the nation as whole Coupled with increasing racial tensions cutbacks in public programs at the federal state and local levels and a shift in the distribution of wealth these changes have undermined the standard of living for American workers families especially African American families as they created greater wealth for the American elite African Americans Labor and Society examines these changes in particular their effects on the entire African American community and suggests a move toward a more egalitarian future This collection of essays written by legal scholars professional organizers and economists suggests integrating civil rights and labor laws to strengthen both anti discrimination and union organizing efforts The volume demonstrates the negative effects for union workers of arbitration agreements that undermine civil rights legislation in the workplace It also provides a detailed case study of the nature and extent of racial conflict within a major industrial union and analyzes and suggests policy changes that would increase the political and economic power of American workers as a whole while aggressively attacking racism in social economic and political institutions African Americans Labor and Society presents strategies for creating better opportunities for African Americans through private sector employment that will appeal to legal union and labor students and scholars as well as economists
