Stuff Stephanie In The Incinerator:

Children Beware! Filipa Antunes, 2020-01-17 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood The concept of pre adolescence affected not only America s pillar ideals of family and childhood innocence but also the very foundation of the horror genre s identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children s horror trend 1980 1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children s horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture s adaptation to pre adolescence Each important children s horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise

Lloyd Kaufman Mathew Klickstein, 2025-02-17 After nearly fifty years of disrupting media gleefully Rabelaisian uberindie filmmaker Lloyd Kaufman b 1945 has been maligned mocked and worst of all ignored throughout the general course of his wildly eclectic and impactful filmography As the equally huckster ish and self denigrating cofounder and president of Troma Entertainment responsible for the likes of such schlocky midnight movie fare as The Toxic Avenger Sgt Kabukiman N Y P D Surf Nazis Must Die Class of Nuke Em High Tromeo Juliet and most recently Shakespeares Shitstorm Kaufman has indisputably left his slimily viscous fingerprints on moviemaking throughout the past half century Lloyd Kaufman Interviews gathers together no holds barred commentaries op eds Q As arguments and retorts from the prodigious filmmaker Considering the typical Troma film is known if at all for the brand s signature egregious gore unabashedly scandalous sexual fetishism sophomoric scatology and provocative contrarianism it s easy to understand why Kaufman and his still metastasizing oeuvre go without much notice in the mainstream trades or classroom discussions Like a modern day P T Barnum if there s one way that Kaufman finds a pragmatic hold on the cultural zeitgeist it s through his tsunamic deluge of often vivacious often vulgar often vicious and often most dangerous of all presciently insightful speaking engagements and interviews provided at an almost manic pace across the globe Complete with an exclusive interview conducted by volume editor Mathew Klickstein Lloyd Kaufman Interviews is an extensive deep dive omnibus from one of cinema s most indefatigably ardent auteurs who may make us all uproariously laugh but refuses to not be taken deadly seriously

80's The Gold Decade Of The Horror Movie Matteo Tortora, 2014-11-18 A journey into the numerous Horror Films of the 80 s analyzed under a religious profile which is purely Catholic The diversification of the analysis is of course an issue that interests us In fact of all the films taken into consideration this journey not only gives a brief opinion of the film but it also shows the depth and thoughts shared and prepared by the Catholic Cinematographic Center This Centre analyzes the plot and also evaluates the film under an ethical moral and religious aspect in order to indicate if Catholics are able to watch

it The result is a really interesting insight and sometimes it has a fun perspective We must acknowledge however that the critical Catholic knows how to diversify religious opinion from the technical creative aspects This means that a film can be recognized as a masterpiece but not get the clearance for visibility 65 deepened critical articles of the most important films of the decade Over 9000 Horror Movies from 1980 to 1989 linked to external resources for Cast Posters Images and Reviews The electronic version of this book is designed in Kindle PDF and Epub format This is an interactive book An Internet connection is not essential although it is recommended so the reader can take advantage of the many external links that are present in the work British Film Institute Film Classics Rob White,Edward Buscombe,2003 **Contemporary**

American Independent Film Chris Holmlund,Justin Wyatt,2005 From Easy Rider to The Blair Witch Project this book is a comprehensive examination of the independent film scene Exploring the uneasy relationship between independent films and the major studios the contributors trace the changing ideas and definitions of independent cinema and the diversity of independent film practices They consider the ways in which indie films are marketed and distributed and how new technologies such as video cable and the internet offered new opportunities for filmmakers to produce and market independent films Turning to the work of key auteurs such as John Sayles and Haile Gerima contributors ask whether independent filmmakers can also be stars and consider how indie features like Boys Don t Cry and Shopping for Fangs address issues of gender sexuality and ethnicity normally avoided by Hollywood For all students of film studies and American studies this cultural journey through independent film history will be an absolute must read *Spinegrinder* Clive Davies,2015-03-06 First came video and more recently high definition home entertainment through to the internet with its streaming videos and not strictly legal peer to peer capabilities With so many sources available today s fan of horror and exploitation movies isn t necessarily educated on paths well trodden Universal classics 1950s monster movies Hammer as once they were They may not even be born and bred on DAWN OF THE DEAD In fact anyone with a bit of technical savvy quickly becoming second nature for the born clicking generation may be viewing MYSTICS IN BALI and S S EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento In this world H G Lewis so called godfather of gore carries the same stripes as Alfred Hitchcock master of suspense SPINEGRINDER is one man s ambitious exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema of a sort that most critics won t care to write about One opinion 8 000 reviews or thereabouts **Useless Knowledge?** Andrew Davie,2025-11-05 Some lessons don t come from textbooks they come from moments you mishear something forgotten video games and other unexpected things that leave a mark This collection of personal essays explores both the strange and funny revealing intersections of pop culture and self discovery From learning about mondegreens as a child to setting college roommate rules inspired by The Postman every essay turns an ordinary moment into a reflection on how we grow connect and make sense of the world Even nostalgic nods to the old gaming consoles and games become touchstones of identity and

friendship Between humor and humility readers will find the author sparring with a teenage boxer twice his size and questioning what experiences truly matter Playful and disarmingly honest this collection by Andrew Davie invites you to decide whether any knowledge no matter how trivial can ever really be useless '80s Action Movies on the Cheap Daniel R. Budnik,2017-03-21 The 1980s was the decade when the action film as it s now known came into being Nonstop big budget excitement became the standard as epic adventures like Raiders of the Lost Ark and The Road Warrior set the tone for the summer blockbusters of Sylvester Stallone Arnold Schwarzenegger and Chuck Norris Homages and ripoffs made with lesser budgets followed every hit especially with the advent of direct to video releases Providing detailed commentary on 284 films this book explores the excitement audacity and sheer weirdness of 80s low budget action cinema from the American Ninja series to dime a dozen barbarian pictures to such bargain basement productions as The Courier of Death Kill Squad and Samurai Cop

Generation Multiplex Timothy Shary,2009-01-27 When teenagers began hanging out at the mall in the early 1980s the movies followed Multiplex theaters offered teens a wide array of perspectives on the coming of age experience as well as an escape into the alternative worlds of science fiction and horror Youth films remained a popular and profitable genre through the 1990s offering teens a place to reflect on their evolving identities from adolescence to adulthood while simultaneously shaping and maintaining those identities Drawing examples from hundreds of popular and lesser known youth themed films Timothy Shary here offers a comprehensive examination of the representation of teenagers in American cinema in the 1980s and 1990s He focuses on five subgenres school delinquency horror science and romance sexuality to explore how they represent teens and their

concerns how these representations change over time and how youth movies both mirror and shape societal expectations and fears about teen identities and roles He concludes that while some teen films continue to exploit various notions of youth sexuality and violence most teen films of the past generation have shown an increasing diversity of adolescent experiences and have been sympathetic to the particular challenges that teens face
