Take Off Your Shoes You're Standing On Holy Ground:

Take Off Your Shoes Anne Dier Wilson, Lenora Nazworth, 2012-07-07 **Angel Hugs** , This beautiful collection of thirty one meditations will inspire encourage and uplift its reader Each delightful and very personal devotion begins with a scripture and concludes with a thought provoking quotation and simple prayer **God's Trombones** James Weldon Johnson, 1927 The inspirational sermons of the old Negro preachers are set down as poetry in this collection a classic for more than forty years frequently dramatized recorded and anthologized Mr Johnson tells in his preface of hearing these same themes treated by famous preachers in his youth some of the sermons are still current and like the spirituals they have taken a significant place in black folk art In transmuting their essence into original and moving poetry the author has also ensured the survival of a great oral tradition Book jacket *Complete Poems* James Weldon Johnson, 2000-10-01 2000 marks the centenary of Lift Every Voice and Sing James Weldon Johnson's most famous lyric which is now embraced as the Negro National Anthem In celebration this Penguin original collects all the poems from Johnson's published works Fifty Years and Other Poems 1917 God's Trombones 1927 and Saint Peter Relates an Incident of the Resurrection Day 1935 along with a number of previously unpublished poems Sondra Kathryn Wilson the foremost authority on Johnson and his work provides an introduction that sheds light on Johnson's many achievements and his pioneering contributions to recording and celebrating the African American experience For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **Inherited Silence** Louise Dunlap, 2022-09-06 An insightful look at the historical damages early colonizers of America caused and how their descendants may recognize and heal the harm done to the earth and the native peoples Inherited Silence tells the story of beloved land in California's Napa Valley how the land fared during the onslaught of colonization and how it fares now in the drought development and wildfires that are the consequences of the colonial mind Author Louise Dunlap's ancestors were among the first Europeans to claim ownership of traditional lands of the Wappo people during a period of genocide As settlers her ancestors lived the dream of Manifest Destiny their consciousness changing only gradually over the generations When Dunlap's generation inherited the land she had already begun to wonder about its unspoken story What had kept her ancestors from seeing and telling the truth of their history What had they brought west with them from the very earliest colonial experience in New England Dunlap looks back into California's and America's history for the key to their silences and a way to heal the wounds of the land its original people and the harmful mind of the colonizer It's a powerful story that will awaken others to consider their own ancestors role in colonization and encourage them to begin reparations for the harmful actions of those who came before More broadly it offers a way for every

reader to evaluate their own current life actions and the lasting impact they can have on society and our planet

Youniquely Woman Kay Arthur, Emilie Barnes, Donna Otto, 2008-04-01 Can you imagine the amazing wisdom available when three of today's most admired Christian women get together to share with younger women what they've learned through the journey of their lives Kay Arthur co-founder of Precept Ministries renowned speaker and author Emilie Barnes founder of More Hours in My Day speaker and author and Donna Otto founder and president of Homemakers by Choice author and speaker are dear friends who have put together Youniquely Woman conferences and this helpful and insightful book to present what they most wish they'd known when they started their lives as wives mothers and women of God In a warm inviting and conversational manner Kay Emilie and Donna share how to celebrate God's unique imprint on your life by bringing out the best in your marriage and your children capturing a vision for your home creating a strong relationship with God finding balance in every area of your life and much more *Treasures from Heaven*, God Knows Joseph Heller, 1997-11-12 As the Biblical David lies on his death bed he looks back on his own crowded life and tells all The Jesse Tree Geraldine McCaughrean, 2011-09-02 Jesse trees and later stained glass windows used in medieval times tell people Bible stories Using her skills as a storyteller and her love of the Bible the author has written an intriguing story about the creation of a modern day Jesse tree She weaves evocative retellings of selected Bible stories with a sensitive contemporary story about the transforming power of love **Miracle Moments** Phil Freeman, 2016-06-24 The Miracle Moments began when an evangelist from South Africa pointed his finger at the author and shouted You Stand over there with the ministers This is the story of a family's captivating adventures with God as He heals the sick the blind the deaf giving hope love and salvation to the needy and the despairing Discover how they learn to hear from God follow Him and share their faith Their simple trust in God is rewarded repeatedly with God's Miracle Moments Their needs are met their assignments are clarified and their Biblical message is confirmed with God's power God's Miracle Moments are available for believers today Church in the Inventive Age Doug Pagitt, Many books seek to predict the future of Christianity but few help us grasp the opportunities of the current situation and equip us to navigate the present Doug Pagitt author radio host and pioneering leader does just that offering fresh optimistic insights and practical suggestions According to Pagitt The last two centuries can be divided into four epochs Idyllic Industrial Informational and now Inventive The Inventive Age our currently reality presents distinct opportunities for how faith communities think what they value And The tools they use Pagitt offers leaders in Christian communities and beyond essential frameworks for participation in the Inventive Age *On Jordan's Stormy Banks* H. Beecher Hicks Jr., 2010-09-07 This book is about vision More precisely it is about helping a congregation capture a pastor's vision and struggling through the process of seeing that vision fulfilled H Beecher Hicks captures that experience through the image of the Old Testament tabernacle God's spiritual instrument for leading Moses and the Israelites through their wilderness journey and manifesting his glorious presence among them This book arises out of Dr Hicks's experiences in

recent years of coping with the need of his church for a larger facility in the face of opposition from the community surrounding the church The book captures and expounds the spiritual qualities required for such changing times It both teaches and inspires It shows us how to deal with the ups and downs of defining a vision confronting change and dealing with the obstacles that stand in the way from both inside and outside the church The problem with visions Dr Hicks writes is that they don't come with how to manuals or an 800 number to call for technical support Yet God shows his faithfulness in many ways sometimes after grit and grimy work sometimes through unexplainable miracles Different Simon Ponsonby,2016-03-10 Simon Ponsonby has been called a preacher's preacher on the one hand and a people's theologian on the other He speaks and writes from a passion to see God glorified and people's lives changed and with an increasing concern that too often even those who are deeply committed to Christianity and church still don't seem to be much different from anyone else In this punchy new book Simon sets out the challenge for all of us to look hard at our own lives and think about the life God is calling us to to deal with the things that prevent us from following in spirit and in truth and to face up to our failure to be true to the task God has set us Tackling tough issues from porn to family life and digging deep into Bible stories from classics like Daniel and the Lion's Den to hard passages like those dealing with the Israelites worship of Baal and Asherah Simon takes us with him on a wide ranging journey into the heart of what God wants for his people Holiness is not always an easy read but it is an important book that might just shake the church out of its current crisis if we will come together to heed its call to a deeper holiness that the world will see and take notice of **Off My Rocker and On My Knees** Vicki Kuyper,2017-04-01 Respecting Congregations Clyde Ervine,2025-05-22 Across North America congregations and their leaders are experiencing unprecedented anxiety Despite the many organizational and growth strategies offered to congregational leaders over the last five decades few congregations are growing and most are coping with numerical decline With fewer people attending worship and fewer students offering themselves for ordination at least in mainline denominations many Christians worry that the church across the continent is in the process of dying While Ervine's book may not offer swift solutions it does offer hope Fearful congregations and their leaders are invited to set the search for quick fix solutions aside and instead take the time to discover and then respect the identity purpose and ministry priorities that the New Testament provides to congregations This book is written in the conviction that clarity about their in Christ identity their purpose in God's ongoing mission and what is essential to their ministry will give congregations new confidence to offer Christian witness rooted in biblical teaching while respecting twenty first century cultural realities *Beyond Religion* David N Elkins,2013-11-01 Let David Elkins psychologist and former minister show you how to find authentic soul nurturing spirituality outside church or temple walls Discover your personal path to the sacred and explore new ways to bring nonreligious spirituality into your life From Disposable Culture to Disposable People Sasha Adkins,2018-12-13 We cannot solve the problem of plastics simply by recycling more The plastic in the oceans the soil and our bodies is a symptom of the

broader problem of disposable culture We are not just treating objects as disposable we are treating ourselves and each other as disposable too The story of plastics parallels the story of my life from my childhood living aboard a sailboat to graduate work on plastics and endocrine disruption and ultimately teaching about plastics not only as a complex set of chemicals but as a spiritual poison

When God Was a Bird Mark I. Wallace, 2018-11-20 2019 NAUTILUS GOLD WINNER

In a time of rapid climate change and species extinction what role have the world's religions played in ameliorating or causing the crisis we now face Religion in general and Christianity in particular appears to bear a disproportionate burden for creating humankind's exploitative attitudes toward nature through unearthly theologies that divorce human beings and their spiritual yearnings from their natural origins In this regard Christianity has become an otherworldly religion that views the natural world as fallen as empty of signs of God's presence And yet buried deep within the Christian tradition are startling portrayals of God as the beaked and feathered Holy Spirit the animal God as it were of historic Christian witness Through biblical readings historical theology continental philosophy and personal stories of sacred nature this book recovers the model of God in Christianity as a creaturely avian being who signals the presence of spirit in everything human and more than human alike Mark Wallace's recovery of the bird God of the Bible signals a deep grounding of faith in the natural world The moral implications of nature based Christianity are profound All life is deserving of humans care and protection insofar as the world is envisioned as alive with sacred animals plants and landscapes From the perspective of Christian animism the Earth is the holy place that God made and that humankind is enjoined to watch over and cherish in like manner Saving the environment then is not a political issue on the left or the right of the ideological spectrum but rather an innermost passion shared by all people of faith and good will in a world damaged by anthropogenic warming massive species extinction and the loss of arable land potable water and breathable air To Wallace this passion is inviolable and flows directly from the heart of Christian teaching that God is a carnal fleshy reality who is promiscuously incarnated within all things making the whole world a sacred embodiment of God's presence and worthy of our affectionate concern This beautifully and accessibly written book shows that Christian animism is not a strange oxymoron but Christianity's natural habitat Challenging traditional Christianity's self definition as an other worldly religion Wallace paves the way for a new Earth loving spirituality grounded in the ancient image of an animal God
