Language Politics of Regional Integration Michael A. Morris,2016-04-08 Language policies impact language choice language prestige and language spread Rising regional integration both formal and informal adds to the sensitivity and complexity of language politics whether in North America South America or Europe This book shows how language politics vary across the Americas and contrast with Europe **Dignity Therapy** Harvey Max Chochinov,2012-01-04 Maintaining dignity for patients approaching death is a core principle of palliative care Dignity therapy a psychological intervention developed by Dr Harvey Max Chochinov and his internationally lauded research group has been designed specifically to address many of the psychological existential and spiritual challenges that patients and their families face as they grapple with the reality of life drawing to a close In the first book to lay out the blueprint for this unique and meaningful intervention Chochinov addresses one of the most important dimensions of being human Being alive means being vulnerable and mortal he argues that dignity therapy offers a way to preserve meaning and hope for patients approaching death With history and foundations of dignity in care and step by step guidance for readers interested in implementing the program this volume illuminates how dignity therapy can change end of life experience for those about to die and for those who will grieve their passing **Meaningful Pasts** Russell Johnston,Michael Ripmeester,2024-01-31 In Meaningful Pasts Russell Johnston and Michael Ripmeester explore two strands of identity making among residents of the Niagara region in Ontario Canada First they describe the region s official narratives most of which celebrate the achievements of white settlers with a mix of storytelling rituals and monuments Despite their presence in local lore and landmarks these official narratives did not

resonate with the nearly one thousand residents who participated in five surveys conducted over eleven years Instead participants drew on contemporary people places and events Second the authors explore the emergence of Niagara s wine industry as a heritage narrative The book shares how the survey participants embraced the industry as a local identifier and indicates how the industry s efforts have rekindled the residents interest in agriculture as a significant element of regional heritage and local identities Revealing how the profiles of local narratives and commemorations become entwined with social cultural economic and political power Meaningful Pasts illuminates the fact that local narratives retain their relevance only if residents find them meaningful in their day to day lives *A Reference Guide for English Studies* Michael J.

Marcuse,1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies More than 10 000 titles are included The Reference Guide covers all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies British and Irish American and world literatures written in English are included Other fields covered are folklore film literary theory general and comparative literature language and linguistics rhetoric and composition bibliography and textual criticism and women s studies **Direct Action**

David Graeber,2009-09-01 A radical anthropologist studies the global justice movement The Sociolinguistics of Sign Languages Ceil Lucas,2001-10-04 This is an accessible introduction to the major areas of sociolinguistics as they relate to sign languages and deaf communities Clearly organised it brings together a team of leading experts in sign linguistics to survey the field and covers a wide range of topics including variation multilingualism bilingualism language attitudes discourse analysis language policy and planning The book examines how sign languages are distributed around the world what occurs when they come in contact with spoken and written languages and how signers use them in a variety of situations Each chapter introduces the key issues in each area of inquiry and provides a comprehensive review of the literature The book also includes suggestions for further reading and helpful exercises The Sociolinguistics of Sign Languages will be welcomed by students in deaf studies linguistics and interpreter training as well as spoken language researchers and researchers and teachers of sign language A History of Canadian External Relations G.P. de T.

Glazebrook,1966-01-01 Commonweal ,1926 **Perogies and Politics** Rhonda L. Hinthel,2018-01-01 In Perogies and Politics Rhonda Hinthel explores the twentieth century history of the Ukrainian left in Canada from the standpoint of the women men and children who formed and fostered it For twentieth century leftist Ukrainians culture and politics were inextricably linked The interaction of Ukrainian socio cultural identity with Marxist Leninism resulted in one of the most dynamic national working class movements Canada has ever known The Ukrainian left s success lay in its ability to meet the needs of and speak in meaningful respectful and empowering ways to its supporters experiences and interests as individuals and as members of a distinct immigrant working class community This offered to Ukrainians a radical social cultural and political alternative to the fledgling Ukrainian churches and right wing Ukrainian nationalist movements Hinthel s colourful

and in depth work reveals how left wing Ukrainians were affected by changing social economic and political forces and how they in turn responded to and challenged these forces
