Take The Cannoli Stories From The New World:

Take the Cannoli Sarah Vowell, 2013-12-17 A wickedly funny collection of personal essays from popular NPR personality Sarah Vowell Hailed by Newsweek as a cranky stylist with talent to burn Vowell has an irresistible voice caustic and sympathetic insightful and double edged that has attracted a loyal following for her magazine writing and radio monologues on This American Life While tackling subjects such as identity politics religion art and history these autobiographical tales are written with a biting humor placing Vowell solidly in the tradition of Mark Twain and Dorothy Parker Vowell searches the streets of Hoboken for traces of the town's favorite son Frank Sinatra She goes under cover of heavy makeup in an investigation of goth culture blasts cannonballs into a hillside on a father daughter outing and maps her family's haunted history on a road trip down the Trail of Tears Take the Cannoli is an eclectic tour of the New World a collection of alternately hilarious and heartbreaking essays and autobiographical yarns

Assassination Vacation Sarah Vowell, 2005-04-04 New York Times bestselling author of The Wordy Shipmates and contributor to NPR's This American Life Sarah Vowell embarks on a road trip to sites of political violence from Washington DC to Alaska to better understand our nation's ever evolving political system and history Sarah Vowell exposes the glorious conundrums of American history and culture with wit probity and an irreverent sense of humor With Assassination Vacation she takes us on a road trip like no other a journey to the pit stops of American political murder and through the myriad ways they have been used for fun and profit for political and cultural advantage From Buffalo to Alaska Washington to the Dry Tortugas Vowell visits locations immortalized and influenced by the spilling of politically important blood reporting as she goes with her trademark blend of wisecracking humor remarkable honesty and thought provoking criticism We learn about the jinx that was Robert Todd Lincoln present at the assassinations of Presidents Lincoln Garfield and McKinley and witness the politicking that went into the making of the Lincoln Memorial The resulting narrative is much more than an entertaining and informative travelogue it is the disturbing and fascinating story of how American death has been manipulated by popular culture including literature architecture sculpture and the author's favorite historical tourism Though the themes of loss and violence are explored and we make detours to see how the Republican Party became the Republican Party there are all kinds of lighter diversions along the way into the lives of the three presidents and their assassins including mummies show tunes mean spirited totem poles and a nineteenth century biblical sex cult

Because I Love You Deborah Tannen, 2002-05-28 Why does talk in families so often go in circles leaving us tied up in knots In this illuminating book Deborah Tannen the linguist and bestselling author of You Just Don't Understand and many other books reveals why talking to family members is so often painful and problematic even when we're all adults Searching for signs of acceptance and belonging we find signs of disapproval and rejection Why do the seeds of family love so often yield a harvest of criticism and judgment In I Only Say This Because I Love You Tannen shows how important it is in family talk to learn to separate word meanings or messages from heart meanings or metamessages unstated but powerful meanings that come from the history of our relationships and the way things are said Presenting real conversations from people's lives Tannen reveals what is actually going on in family talk including how family conversations must balance the longing for connection with the desire for control as we struggle to be close without giving up our freedom This eye opening book explains why grown women so often feel criticized by their mothers and why mothers feel they can't open their mouths around their grown daughters why growing up male or female or as an older or younger sibling results in different experiences of family that persist throughout our lives and much much more By helping us to understand and redefine family talk Tannen provides the tools to improve relationships with family members of every age Inside the Dream Palace Sherill Tippins, 2013-12-03 Winner of the National Award for Arts Writing If there were a course in Chelsea Hoteliana this would be the textbook The New York Times It's where Dylan Thomas lived his last days Bob Dylan wrote Blonde on Blonde and Arthur C Clarke wrote 2001 A Space Odyssey It is memorialized by many of its famous inhabitants Andy Warhol filmed Chelsea Girls there and Leonard Cohen wrote Chelsea Hotel 2 about his tryst with Janis Joplin Since its founding by a utopian minded French architect in 1884 New York's Chelsea Hotel has been a hotbed of artistic invention and inspiration Cultural luminaries from Sid Vicious to Thomas Wolfe Edith Piaf to Patti Smith Jean Paul Sartre to Dee Dee Ramone all made the Chelsea the largest and longest lived artist community in the world Inside the Dream Palace tells the hotel's story from its earliest days as a cooperative community through its pop art rock and roll and punk periods to its later transformations

Rando, 2016-11-15 This book proposes that new music technologies attract unconscious desires for socialism and collectivity enabling millions of people living under capitalism to dream of repressed social alternatives Grounded in the philosophical writings of Ernst Bloch and Walter Benjamin the book examines file sharing technologies streaming services and media players as well as their historical antecedents such as the player piano cassette tape radio and compact disc alongside interpretations of fiction memoir and albums Through the concept of wish images the unconscious hopes and desires for social alternatives that gather around new technologies the book identifies the repressed pre and post capitalist urges that attend our music technologies While these desires typically remain unconscious and tend to pass away not only unmet but also unrecognized Hope and Wish Image in Music Technology attempts to bring wishes for social alternatives to the surface at an auspicious moment of technological transition Weak Nationalisms Douglas Dowland, 2019-07-01 The question What is America has taken on new urgency Weak Nationalisms explores the emotional dynamics behind that question by examining how a range of authors have attempted to answer it through nonfiction since the Second World War revealing the complex and dynamic ways in which affects shape the literary construction of everyday experience in the United States Douglas Dowland studies these attempts to define the nation in an eclectic selection of texts from writers such as Simone de Beauvoir John Steinbeck Charles Kuralt Jane Smiley and Sarah Vowell Each of these texts makes use of synecdoche and Weak Nationalisms shows how this rhetorical technique is variously driven by affects including curiosity discontent hopefulness and incredulity In exploring the function of synecdoche in the creative construction of the United States Dowland draws attention to the evocative politics and literary richness of nationalism and connects critical literary practices to broader discussions involving affect theory and cultural representation **The Cherokee Nation and the Trail of Tears** Theda Perdue, Michael D.
