Taking Control:

Taking Control Alyssia Sade, 2014-03-13 Faced with a terminal diagnosis of bladder cancer Perry and his wife Alyssia were faced with some very hard decisions Not wanting to accept their doctors recommendations they instead began a journey into the world of natural healing Alyssia uncovered ancient remedies and dietary changes that added in Perry s full reversal In order to deal with the bombardment of information Alyssia began keeping a journal This book is a true account of their journey Unlocking the simple complexities of navigating ones road to natural healing *Taking Control* Philip Cunliffe, George Hoare, Lee Jones, Peter Ramsay, 2023-04-06 Taking Control argues that neither side in the Brexit debate really understood the European Union or what was involved in reclaiming Britain s sovereignty The EU is neither a supranational nanny state nor an internationalist peace project It is the means by which Europe s elites transformed their own states in order to rule the void where representative politics used to be Leaving the EU is a necessary but not sufficient step towards closing the chasm between rulers and ruled This book makes the democratic case for national sovereignty arguing for a radical forward looking reconstitution of the British nation state through strengthening representative democracy It is essential for anyone who wonders why British politics is so dysfunctional and who wants to do better

Taking Control Shayne Hammond, 2014-02-20 One freezing July night the cold hard truth hit author Shayne Hammond like a freight train no one was coming to his rescue It was then that he realized that he already had the power to change his life Until that point Shaynes story had been one of frustration after frustration as hopes and dreams were taken from him again and again His school years were chaotic His family moved frequently and the constant change quickly manifested itself in stress aggression and average grades The son of a professional boxer he asked his father to train him But success as a student fighter did not immediately translate to success in the professional ring His body and ego battered Shayne stepped back from another dream defeated worn out exhausted and dejected Looking for a fresh start to change his luck he began a lifelong search for a career outside of the ring Each venture started off with great excitement and potential but eventually old patterns emerged Not one to give up Shayne dedicated himself to education reading voraciously digging deep within the Scriptures and other books All it took to turn his life around was a little faith in himself And on one fateful frigid night the epiphany he prayed for happened In that moment of clarity he understood the mystery of his successes and his failures He thinks they may be the answers to your mysteries as well Are you ready to take control of your destiny too **Taking**
