Taking The Bible Seriously Honest Differences About Biblical Interpretation:

Taking the Bible Seriously J. Benton White,1993-01-01 The author surveys the many Protestant approaches to the Bible and then focuses on the issues raised by modernists and fundamentalists in this century He gives special attention to the Protestants struggle with the question of how the Bible should be understood focuses on Martin s Luther s affirmation of the Protestant principle and follows with a debate

What Christians Believe about the Bible Don Thorsen,Keith H. Reeves,2012-08-15 Christians talk frequently about the Bible yet they do not always have an informed and wide ranging understanding of varied Christian views about its nature Don Thorsen and Keith Reeves combine their biblical and theological knowledge to create such a unique introduction to the Bible This book not only provides an introduction to the interpretation of the Bible but also to the history and theological understanding behind it equipping students to think critically about their own tradition s approach to Scripture It is perfect as a supplemental textbook in both introductory biblical studies and theology courses but it will also be of interest to adult education classes

Religious Delusions, American Style Blair Alan Gadsby,2020-02-21 Americans would be shocked to understand just how their religious beliefs have been used against them in the political elites efforts to engineer society and public policy In this historical overview of key moments in American religious history Gadsby demonstrates that what we are commonly taught in our education systems mass media and the political world about religions role in any number of events is anything but In the spirit of Lies My Teacher Told Me Religious Delusions American Style discusses eight areas in American history ranging from turn of the nineteenth century eugenics and the Scopes Monkey Trial to the mind control program known as Jonestown to the implausible two planes three buildings straight down operation called 9 11 we have been deceived in a big way about what has been done in the name of religion

The Doctrine and Discipline of the African Methodist Episcopal Zion Church 2012 Discipline Codification Commission,2014-12-11 The

Doctrine and Discipline of the AME Zion Church 2012 is the Book of Discipline for this 218 year old denomination Based upon the original tenets of Wesleyan theology and doctrine and under girded by its founders of African birth the church's mission is to promote freedom and liberty to the lost and disenfranchised **Unto Us Is Born** J. Benton White,2011-02-15

The time is 1931 The three places we first visit are Iowa South Africa and Alabama The characters finally end up as neighbors in Alabama and the story is about three young men whose growing up years were typical for that place and that era What makes it different is that rather than be in a culture that accepted racial bias as a way of life these three young men simply did not accept the status quo One of the young men was the son of the local minister who had originally come from the Midwest and moved to Birmingham when his father became a minister there The second friend was a native South African and arrived in Birmingham when his mother who was a nanny accompanied a family which had immigrated to the South The third whose father had been an alcoholic causing his mother to divorce him and who was raising her two children alone The boys met and eventually became close friends and classmates Each family has a fascinating history in the own right but after the boys meet the story becomes more about them as a trio The boys became fast friends The first two boys became star athletes and entered the University of Alabama on football scholarships They all entered the University together pledged the same fraternity and continued their lives together In their early teen years the boys had become friends with some young Black men their own age living near them and that friendship has something to do with later developments in the story That part of the story is intriguing Each character has a story of their own but the story of the three helps explain who they were and what they became It is reflective of the times more than some would want to remember You will enjoy the journey into their lives and perhaps better understand the tensions of a society which had not yet faced the dark side of its culture It is truly reflective of those times in the South times that in some places might still be trying to exist *A Strategy for Reading Biblical Texts* Johnson T. K. Lim,2002 A Strategy of Reading Biblical Texts provides a fresh impetus to the ongoing debate of hermeneutics and methods in biblical scholarship by examining three core hermeneutical strategies These are author oriented text oriented and reader oriented approaches It also critiques the contributions and limitations of each strategy and argues for a hermeneutical strategy that takes into account the micro and macro biblical corpora Readers are challenged to apply basic hermeneutical protocols when reading biblical texts A theological reading of the biblical texts is crucial and vital because the Bible is a theological document This book also addresses some of the pivotal but nagging questions of meaning authority and the reader's context *Forsaking the Fall* Daniel H. Spencer,2023-03-31 Forsaking the Fall argues along exegetical theological and philosophical lines that the doctrines of the Fall and Original Sin need not be understood as integral components of orthodox Christianity By engaging biblical studies systematic theology and analytic philosophy the book provides a comprehensive understanding of the most important issues at play in the Original Sin debate as well as offers a set of tools for helping readers to think critically about the essence of the Christian faith and its relation to

Original Sin Crucially it lays the theoretical groundwork for an orthodox nonlapsarianism and advances a novel theory vis vis the Fall and Original Sin in Christian theology This innovative and provocative book will be of interest to scholars of theology and philosophy specifically analytic theologians and philosophers of religion **Elenchus of Biblica** ,1993 **Pro Ecclesia** ,1995 *How to Read the Bible Without Losing Your Mind* Kent Blevins,2014-03-10 Does reading the Bible sometimes leave you confused Do you have difficulty seeing the relevance of the Bible to modern concerns or to important issues in your life Do you believe Bible reading and intellectual inquiry are mutually exclusive This book explores how the Bible can serve as a resource for discovering truth It provides a method that accepts and incorporates the knowledge gained from modern scholarship while also recognizing that truth discovery is a personal multifaceted journey It honors the integrity of Scripture while remaining open to insight from additional truth sources In exploring what we mean when we speak of the Bible s authority it is honest about the challenges presented to modern readers by the cultural chasm separating the biblical writers from today s world *How to Read the Bible Without Losing Your Mind* shows how the Bible can be read with full engagement of both mind and heart *Tell the Truth* Will Metzger,2012-10-03 In this revised fourth edition of his classic evangelistic work Will Metzger calls for a rehabilitation of the truth framework necessary for the survival of the Christian message Metzger s passionate and pragmatic approach provides direction for a new generation of evangelists eager to communicate the whole gospel **A Christian Guide for Reflection and Discussion** Corbin M. Wright,2013-02-08 His book helps readers reflect upon and discuss questions on Evangelism Suffering in General Economic Suffering Political Suffering Christian Unity Women s Role in Church and Society Marriage and Divorce Homosexuality Abortion Christianity and Other religions and Death and the After Life There are over 200 questions contained therein that are all the questions Christians should need to cover all of life s concerns *Herald of Gospel Liberty* Elias Smith,1903 **The Claim to Christianity** Hannah Strømmen,Ulrich Schmiedel,2020-06-30 The far right is on the rise across Europe pushing a battle scenario in which Islam clashes with Christianity as much as Christianity clashes with Islam From the margins to the mainstream far right protesters and far right politicians call for the defence of Europe s Christian culture The far right claims Christianity This book investigates contemporary far right claims to Christianity Ulrich Schmiedel and Hannah Strømmen examine the theologies that emerge in the far right across Europe concentrating on Norway Germany and Great Britain They explore how churches in these three countries have been complicit complacent or critical of the far right sometimes intentionally and sometimes unintentionally Ultimately Schmiedel and Strømmen encourage a creative and collaborative theological response To counter the far right Christianity needs to be practiced in an open and open ended way which calls Christians into contact with Muslims **Ex Auditu - Volume 01** Thomas W Gillespie,2004-06-23 *Ex Auditu* began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of

Holy Writ Dr Arie-Jan Kwak,2013-02-28 It has often been remarked that law and religion have much in common One of the most conspicuous elements is that both law and religion frequently refer to a text that has authority over the members of a community In the case of religion this text is deemed to be holy in the case of law some such as the American constitution are widely held as sacred In both examples priests and judges exert a duty to tell the community what the founding document has to say about contemporary problems This therefore involves an element of interpretation of the relevant authoritative texts and this book focuses on such methods of interpretation in the fields of law and religion As its starting point scholars from different disciplines discuss the textualist approach presented here by American Supreme Court Judge and academic scholar Justice Antonin Scalia not only from the perspective of law but also from that of theology The result is a lively discussion which presents a range of diverse perspectives and arguments with regard to interpretation in law and religion

Toronto Journal of Theology ,1995 **Index to Book Reviews in Religion** ,1995 **Contemporary Biblical Hermeneutics** Manfred Oeming,translated by Joachim Vette,2017-09-29 Appearing in English for the first time this classic introduction to the field of hermeneutics covers a wide range of approaches to biblical interpretation Presenting a brief history of philosophical hermeneutics Manfred Oeming uses a clear structure to emphasize why there are and why there must be different and differing approaches to the interpretation of a text in this case particularly the biblical text The often

confusing multiplicity of approaches to biblical interpretation are introduced along accessible lines concluding with an argument for an acceptance of a multiplicity of approaches to account for the many layers of the biblical text Incorporating discussion of the German hermeneutical tradition exemplified by the work of Heidegger Bultmann and Gadamer this book helps to bridge Anglo American and German scholarly traditions It will be of great assistance to students teachers and preachers
