Understanding Reproduction in Social Contexts Caitlin Killian,2025-06-12 In today s post Roe world U S maternal mortality is on the rise and laws regarding contraception involuntary sterilization access to reproductive health services and criminalization of people who are gestating are changing by the minute Using a reproductive justice framework Understanding Reproduction in Social Contexts walks students through the social landscape around reproduction through the life course Chapters by cutting edge reproductive scholars practitioners and advocates address the social control of fertility and pregnancy the promises and perils of assisted reproductive technologies experiences of pregnancy miscarriage abortion and birth and how individuals make sense of and respond to the cultural social and political forces that condition their reproductive lives The book takes an intersectional approach and considers how gender sexuality fatness disability class race and immigration status impact both an individual s health and the healthcare they receive The inclusion of timely topics such as increased legal limitations on abortion transpeople and reproduction and new developments in assisted reproduction and family formation speaks to the current generation of students An essential text for undergraduate and graduate courses on families gender public health reproduction and sexuality

Real Love Mary Beth Bonacci,2012-03-28 Mary Beth Bonacci has spoken to hundreds of thousands of people across the country and around the world about friendship about relationships about marriage about God s plan for sexuality and about finding real honest love And they speak back to her They ask her questions about sex about dating about healing after a shattered relationship about marriage about their struggles to live love In this newly updated and expanded edition of Real Love Mary Beth shares those questions and her answers in an even more comprehensive guide which addresses the details of the very real struggle we all face in trying to live real love in a world gone mad Through these questions and her answers Mary Beth offers a comprehensive catechesis of the Church s teaching in the areas of marriage and human sexuality She tackles the toughest issues premarital sex contraception divorce homosexuality internet pornography and others She gives practical advice on living the Church s teachings And throughout it all she demonstrates that living respect for God s gift of sexuality is the way the only way to find real honest love

Intimate Japan Allison Alexy,Emma E. Cook,2019-01-31

How do couples build intimacy in an era that valorizes independence and self responsibility How can a man be a good husband when full time jobs are scarce How can unmarried women find fulfillment and recognition outside of normative relationships How can a person express their sexuality when there is no terminology that feels right In contemporary Japan broad social transformations are reflected and refracted in changing intimate relationships As the Japanese population ages the low birth rate shrinks the population and decades of recession radically restructure labor markets Japanese intimate relationships norms and ideals are concurrently shifting This volume explores a broad range of intimate practices in Japan in the first decades of the 2000s to trace how social change is becoming manifest through deeply personal choices From young people making decisions about birth control to spouses struggling to connect with each other parents worrying about stigma faced by their adopted children and queer people creating new terms to express their identifications Japanese intimacies are commanding a surprising amount of attention both within and beyond Japan With ethnographic analysis focused on how intimacy is imagined enacted and discussed the volume's chapters offer rich and complex portraits of how people balance personal desires with feasible possibilities and shifting social norms Intimate Japan will appeal to scholars and students in anthropology and Japanese or Asian studies particularly those focusing on gender kinship sexuality and labor policy The book will also be of interest to researchers across social science subject areas including sociology political science and psychology

Human Reproductive Biology Mark M. Jones, 2012-12-02 Human Reproductive Biology focuses on the processes concerns and trends in human reproduction Divided into four parts with 19 chapters the book starts by tracing the history of human reproduction biology and the questions and choices involved The first part focuses on the male and female reproductive systems The text notes the different organs involved in reproduction including the penis scrotum vagina oviducts and mammary glands The book discusses sexual development and differentiation particularly noting the variance of sex ducts and glands external genitalia and disorders of sexual development and determination The text also looks at puberty Concerns include gonadal changes from birth to puberty mechanisms that influence puberty and puberty and psychosocial adjustment The second part deals with menstrual cycle fertilization pregnancy labor and birth Some of the concerns include length of menstrual cycle absence of menstruation transport of sperm and ovum in the oviduct and semen release The text also highlights labor and birthing processes as well as the relationship of neonates and parents The third part looks at the medical aspects of human reproduction infertility and sexually transmitted diseases Concerns include contraception abortion herpes genitalis and vaginitis The text folds with discussions on human sexual behavior population growth and family planning Concerns include sexual dysfunction the effects of overpopulation and population control The book is a vital source of data for readers interested in human reproduction

Choosing A Contraceptive Rodolfo A. Bulatao, 2019-04-11 This book presents evidence from investigations of contraceptive method choice in a variety of countries focusing on Asia and the United States Included are discussions of psychosocial and economic approaches to understanding method choice and

descriptive and statistical analyses of choices **Applications of Feminist Legal Theory to Women's Lives** D. Kelly Weisberg, Ronnie J Steinberg, 2009 This book the second of two volumes examines the pressing issues that affect women pornography prostitution battery rape pay equity sexual harassment motherhood abortion adoption new reproductive technologies and considers them through the lens of feminist legal theory It features more than sixty articles by well known legal scholars and feminists The contributions are arranged thematically and include an introduction and comprehensive literature review by the editor Applications of Feminist Legal Theory to Women s Lives will be a valuable text for students a resource for scholars and policy makers and a useful introduction for general readers **The International Family Planning Protection Act** United States. Congress. House. Committee on Foreign Affairs. Subcommittee on International Operations, 1991 *Unwanted Pregnancy and Counselling* Juliet Cheetham, 2022-02-16 There was a growing concern in the 1970s about the number of unwanted pregnancies and the problems these posed for parents children and society Originally published in 1977 this was the first book which with extensive reference to research material and illustrative case studies provided a comprehensive analysis of the social and psychological background to unwanted pregnancy and a guide to ways of helping the people concerned It should still be useful to doctors nurses midwives teachers social workers and other professional and lay people whose work brings them into contact with those who are unhappy about a pregnancy Juliet Cheetham whose previous contributions to the problem areas of social welfare are widely respected discusses the different meanings of unwanted pregnancy and goes on to explore its relationship to the changing position of women to the role of the contemporary family to the special problems experienced by natural children and their parents to existing social and medical provisions She examines the possibilities risks and limitations of the various responses to unwanted pregnancy and the services available at the time and analyses the difficulties men and women experience in using contraception Juliet Cheetham shows how the beliefs and attitudes of lay and professional people can influence their understanding of and response to these highly controversial and emotional subjects She offers suggestions about the ways in which this influence may be appropriately modified and the book concludes with a discussion of the special opportunities and problems of counselling those faced with an unwanted pregnancy **On the Pill** Elizabeth Siegel Watkins, 2001-09-14 In 1968 a popular writer ranked the pill s importance with the discovery of fire and the developments of tool making hunting agriculture urbanism scientific medicine and nuclear energy Twenty five years later the leading British weekly the Economist listed the pill as one of the seven wonders of the modern world The image of the oral contraceptive as revolutionary persists in popular culture yet the nature of the changes it supposedly brought about has not been fully investigated After more than thirty five years on the market the role of the pill is due for a thorough examination from the Introduction In this fresh look at the pill s cultural and medical history Elizabeth Siegel Watkins re examines the scientific and ideological forces that led to its development the part women played in debates over its application and the role of the media medical profession and pharmaceutical industry in

deciding issues of its safety and meaning Her study helps us not only to understand the contraceptive revolution as such but also to appreciate the misinterpretations that surround it *No Real Choice* Katrina Kimport,2021-10-15 No real choice Policies poverty and the organization of abortion care Privileging the fetus Choosing irresponsibility and harm Fearing the experience of abortion Choosing a baby Toward reproductive autonomy **Reproduction, Medicine and the Socialist State** Alena Heitlinger,1987-06-18 **Pregnancy and Power, Revised Edition** Rickie Solinger,2019-07-16 A sweeping chronicle of women s battles for reproductive freedom Reproductive politics in the United States has always been about who has the power to decide lawmakers the courts clergy physicians or the woman herself Authorities have rarely put women s needs and interests at the center of these debates Instead they have created reproductive laws and policies to solve a variety of social and political problems with outcomes that affect the lives of different groups of women differently Reproductive politics were at play when slaveholders devised breeding schemes when the US government took indigenous children from their families in the nineteenth century and when doctors pressured Latina women to be sterilized in the 1970s Tracing the main plot lines of women s reproductive lives the leading historian Rickie Solinger redefines the idea of reproductive freedom putting race and class at the center of the effort to control sex and pregnancy in America over time Revisiting these issues after more than a decade this revised edition of *Pregnancy and Power* reveals how far the reproductive justice movement has come and the renewed struggles it faces in the present moment Even after nearly a half century of reproductive rights a cascade of new laws and policies limits access and prescribes punishments for many people trying to make their own reproductive decisions In this edition Solinger traces the contemporary rise of reproductive consumerism and the politics of free market health care as economic inequality continues to expand in the US revealing the profound limits of choice and the continued need for the reproductive justice framework *Why Knocked Up?* CAROL CASSELL, PhD,2015-09-24 *Why Knocked Up* The Paradox of Sex Magical Thinking and Accidental Pregnancy in This Age of Contraception The United States birth rates are at record lows yet our rates of accidental pregnancy are still sky high 1 out of 2 is unplanned unwanted Peeling back the layers of conflict denial hope dreams and myths about pregnancy this provocative book unravels the paradox of why we have so much Knocked Up pregnancy even though contraceptives are readily available Dr Cassell illustrates how magical thinking about sex and our cultures quirky sexual norms combined with the far rights efforts to block contraception abortion and sex education escalates the crisis She uniquely describes the Knocked Up Paradox as a Black Elephant a cross between a black swan an unexpected event with huge complications and the elephant in the room a problem no one wants to admit is there She delivers a powerful argument as to why unwanted pregnancy merits our concern even if we arent directly involved we all pay a high price dealing with the complex tangle of personal dilemmas and the domino effect on families it creates Cassell assures us that reducing Knocked Up pregnancies isnt a hopeless challenge and endorses a range of effective and edgy resolutions The Best Intentions Institute of Medicine,Committee on Unintended Pregnancy,1995-07-02 Experts

estimate that nearly 60 percent of all U S pregnancies and 81 percent of pregnancies among adolescents are unintended Yet the topic of preventing these unintended pregnancies has long been treated gingerly because of personal sensitivities and public controversies especially the angry debate over abortion Additionally child welfare advocates long have overlooked the connection between pregnancy planning and the improved well being of families and communities that results when children are wanted Now current issues health care and welfare reform and the new international focus on population are drawing attention to the consequences of unintended pregnancy In this climate The Best Intentions offers a timely exploration of family planning issues from a distinguished panel of experts This committee sheds much needed light on the questions and controversies surrounding unintended pregnancy The book offers specific recommendations to put the United States on par with other developed nations in terms of contraceptive attitudes and policies and it considers the effectiveness of over 20 pregnancy prevention programs The Best Intentions explores problematic definitions unintended versus unwanted versus mistimed and presents data on pregnancy rates and trends The book also summarizes the health and social consequences of unintended pregnancies for both men and women and for the children they bear Why does unintended pregnancy occur In discussions of reasons behind the rates the book examines Americans ambivalence about sexuality and the many other social cultural religious and economic factors that affect our approach to contraception The committee explores the complicated web of peer pressure life aspirations and notions of romance that shape an individual s decisions about sex contraception and pregnancy And the book looks at such practical issues as the attitudes of doctors toward birth control and the place of contraception in both health insurance and managed care The Best Intentions offers frank discussion synthesis of data and policy recommendations on one of today s most sensitive social topics This book will be important to policymakers health and social service personnel foundation executives opinion leaders researchers and concerned individuals

The Regulation of Sexuality Carole Joffe, 2010-06-25 Takes us from the private aspects of sexuality into the arena of public policy and state regulation

Feminist Social Thought Diana Tietjens Meyers, 2014-06-03 First published in 1998 Feminist Social Thought brings together key articles by prominent feminist thinkers offering students sophisticated treatment of the theoretical topics central to feminist social thought This reader highlights salient concerns in contemporary feminist scholarship and the advances feminist philosophers have made The editor s introduction outlines alternative routes through the text allowing instructors to easily adapt this reader to their particular courses and the interests of their students Each article is prefaced with a short introduction by the editor placing it in context highlighting the principle issues and the conclusions reached Students will find these headnotes helpful when tackling the challenging theoretical issues addressed Representing a spectrum of feminist thinking Feminist Social Thought is organized around seven topics constructions of gender theorizing diversity figurations of women subjectivity agency and feminist critique social identity solidarity and political engagement care and its critics and women equality and justice Students will be exposed to a wide variety of feminist philosophy and

encouraged to think critically about challenging questions around pivotal subjects including How are gender norms instilled enforced and perpetuated What are the relationships between gender and other socially demarcated positions such as race class and sexual orientation What resources do women have at their disposal for recognizing their subordination and resisting it What goals should feminist politics pursue How can social and legal equality be reconciled with difference

Taking Chances Abortion And The Decision Not To Contracept Introduction

In the digital age, access to information has become easier than ever before. The ability to download Taking Chances Abortion And The Decision Not To Contracept has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Taking Chances Abortion And The Decision Not To Contracept has opened up a world of possibilities. Downloading Taking Chances Abortion And The Decision Not To Contracept provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Taking Chances Abortion And The Decision Not To Contracept has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Taking Chances Abortion And The Decision Not To Contracept. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Taking Chances Abortion And The Decision Not To Contracept. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Taking Chances Abortion And The Decision Not To Contracept, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Taking Chances Abortion And The Decision Not To Contracept has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Taking Chances Abortion And The Decision Not To Contracept Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Taking Chances Abortion And The Decision Not To Contracept is one of the best book in our library for free trial. We provide copy of Taking Chances Abortion And The Decision Not To Contracept in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Taking Chances Abortion And The Decision Not To Contracept. Where to download Taking Chances Abortion And The Decision Not To Contracept online for free? Are you looking for Taking Chances Abortion And The Decision Not To Contracept PDF? This is definitely going to save you time and cash in something you should think about.
