Take Charge of Your Life Brian Tracy,2023-12-12 One of the hallmark s of Brian Tracy s philosophy is that you are 100% responsible for the results in your life While Brian Tracy has discussed this philosophy since the 1980 s it is increasingly out of place in our current cultural moment Today there are numerous voices telling you that any of your

struggles or challenges are due to other people or societal conditions that are beyond your control But as you ll read in this life changing book the philosophy of complaint and blaming others is ultimately a dead end path that leads to despair In *Take Charge of Your Life The 12 Master Skills for Success* Brian will show you how putting yourself in the driver s seat of your own life and not delegating responsibility for your results to others will separate you from the pack faster than ever before Brian will teach you the attitudes mindset and most importantly the specific skills that will enable you to overcome any forces that others perceive may hold them back whether it be your education level current income level gender or socio economic background Here are just a few of the things you will learn Maximum Performance When you re firing on all cylinders nothing can stop you so why waste any more time at half speed Get more out of yourself and generate better results than ever before Personal Strategic Planning Success is inevitable when you have a plan All you have to do is follow it I cover how to plan and how to stay on track no matter what life throws at you Time Management Time management is really life management When you become a super efficient machine you complete the highest value tasks in the least amount of time and you flourish Personal Dynamism and Energy When you exude confidence and energy it s contagious You attract other dynamic energetic people and together you experience more More success more fun greater results Creating Wealth Once you create a personal plan and then maximize your efficiency performance and time management your income will increase automatically But what do you do with it To create wealth you must have a wealth plan and that s what we cover here Communication Power Even if you re not in sales you re in sales Whenever you talk with someone you have the opportunity to convince him to think the way you think and to help you achieve your goals I teach you my proven time tested strategies for communicating effectively And MUCH More
