King Saul John C. in the Hebrew Bible use male bodies to form friendships and alliances to advance female power status and rank The book concludes by arguing that women are essential to the toxic biblical hegemonic masculinity we find in the Hebrew Bible but only because their bodies are used to make it possible in the first place This book is intended for scholars of the Hebrew Bible as well as advanced undergraduate and graduate students in religious studies women and gender studies masculinity studies queer studies and like fields The book can also be read profitably by lay students of biblical literature seminary students and clergy
