Instructions in the Book of Tobit Francis M. Macatangay,2011-03-29 Despite the resurgence of scholarly interest in the Book of Tobit in recent years an important aspect of this deuterocanonical book has been largely overlooked Within it there is an instruction manual for an effective way of being and living in exile namely the wisdom instructions in Tobit 4 With glances at Tobit 12 and Tobit 14 where the wisdom instructions are repeated in shorter form this monograph discusses the function of the wisdom discourse in the literary design of the narrative Moreover it examines how the wisdom instructions of Tobit demonstrate the vital role of the sapiential tradition in forming and maintaining Jewish identity in the Diaspora Contextualizing the wisdom instructions not only within the narrative but also within the realities of Second Temple Judaism it is argued that the author of Tobit saw the validity and employed the resources of the Jewish wisdom tradition in reinterpreting some of the traditional claims of covenant faith Using the Sinaiticus as the textual basis of study it shows that the lengthy wisdom lecture of Tobit displays an inner logic that structures the collection of seemingly unrelated sayings The instructions reinterpret a major deuteronomic concern to remember the Lord always For Tobit the practice of righteousness the practice of wise behavior and the practice of prayer realize and concretize such remembrance Addressed to those in the Dispersion Tobit s wisdom instructions are meant to foster and shape a distinct ethos of truth righteousness and mercy

Wills,2015-03-11 Lawrence M Wills here traces the literary evolution of popular Jewish narratives written during the period 200 BCE 100 CE In many ways these narratives were similar to Greek and Roman novels of the same era as well as to popular novels of indigenous peoples within the Roman Empire Yet as a group they demonstrated a variety of novelistic innovations the inclusion of adventurous episodes passages of description and of dialogue concern with psychological motivation and the introduction of female characters Wills focuses on five novels

Greek Esther Greek Daniel Judith Tobit and Joseph and Aseneth Drawing on a wide range of theoretical works he delineates the techniques and motifs of the Jewish novel shows how the genre both initiated and distanced itself from nonfictional prose such as historical and philosophical writing discusses its relation to Greco Roman romance and describes the social conditions governing its emergence and reception Wills also places the novels in historical context situating them between the Hebrew Bible on the one hand and subsequent developments in Jewish and Christian literature on the other Wills sees the Jewish novel as a popular form of writing that provided amusement for an expanding audience of Jewish entrepreneurs merchants and bureaucrats In an important sense he maintains it was a product of the novelistic impulse the impulse to transfer oral stories to a written medium to reach a more literate audience
