Chasing Tales Corinne Fowler, 2007-01-01 Chasing Tales is the first exclusive study of journalism travel writing and the history of British ideas about Afghanistan It offers a timely investigation of the notional Afghanistan's that have prevailed in the popular British

imagination Casting its net deep into the nineteenth century the study investigates the country's mythologisation by scrutinising travel narratives literary fiction and British news media coverage of the recent conflict in Afghanistan This highly topical book explores the legacy of nineteenth century paranoias and prejudices to contemporary travellers and journalists and seeks to explain why Afghans continue to be depicted as medieval murderous warlike and unruly Its title *Chasing Tales* conveys the circulation and indeed the circularity of ideas commonly found in British travel writing and journalism The tales component stresses the pivotal role played by fictionalised sources especially the writing of Rudyard Kipling in perpetuating traumatic nineteenth century memories of Afghan British encounter The subject matter is compelling and its foci of interest profoundly relevant both to current political debates and to scholarly enquiry about the ethics of travel Descriptive List[s]
