sultan and we suppose lives happily ever after No one knows where the tales originated Burton suggests that the earliest may date from the 8th century A D and the latest may have been as recent as the 16th century only 200 years before Antoine de Galland translated the tales into French and unfolded them like a magic carpet before the astonished and delighted eyes of his European readers Burton translated them into English in 1885 and they have been weaving their own spell of enchantment for us ever since When we open The Arabian Nights we step onto our own magic carpet and we re off on a ride of fun and fantasy that lasts until the last page when we close the book and come back down reluctantly to earth
