**Index to Short Stories** ,1929     **Index to Short Stories--Supplement** Ina Ten Eyck Firkins,1929     Bazaars and Fair Ladies Beverly Gordon,1998 Tracing their development from the early 1800s to the present day Gordon shows how women's fairs have reflected and influenced American culture including styles of display and presentation forms of public entertainment attitudes about consumption and commodities and perceptions of other cultures and of the past     *Bazaar Literature* Leslee Thorne-Murphy,2022-11-21 Bazaar Literature reorients our understanding of Victorian social reform fiction by reading it in light of the copious amount of literature generated for charity bazaars Bazaars were ubiquitous during the nineteenth century part of the vibrant and massive private sector response to a rapidly industrializing society Typically organized and run by women charity bazaars were often called fancy fairs since they specialized in ladies hand crafted fancy work Indeed they were a key method women used to intervene in political social and cultural affairs Yet their conventional purpose to raise money for charity has led to their being widely overlooked and misunderstood Bazaar Literature remedies these misconceptions by demonstrating how the literature written in conjunction with bazaars shaped the social political and literary movements of its time This study draws upon a wide variety of texts printed to be sold at bazaars including literature by Robert Louis Stevenson Harriet Martineau and Elizabeth Barrett Browning alongside fictional depictions of fancy fairs by Charlotte Yonge George Eliot Frances Trollope and Anthony Trollope The book revises our understanding of the larger literary market in social reform fiction revealing a parodic self critical strain that is paradoxically braided with strident political activism and its realist sensibilities     **Keeper of the Tales Stories from 1001 Arabian Nights** Tim Wright,2001 When a spoiled young princess comes across the storytelling beggar in the marketplace she gets more than what she came for and is forever changed by it     *36 Love Stories: A unique collection of stereotype breaking tales of passion* Himanshu

Ranjan,2019-01-17 36 Love Stories is an attempt to break the stereotypes that cluster around the emotion called love Love has no one definition and it can't be limited to only one dimension of teenage love or conjugal love It can be very ordinary fleeting and yet a fragment of our soul This anthology is a collection of such short stories based on a common theme Anything any activity any person or living being that who makes life passionate and meaningful To be all inclusive this book should be better named as Infinite Love Stories but isn't love infinite in it qualitatively To ponder more on such questions let's embark on a journey to discover the infiniteness of love contained in our finite passionate tales **Reading on Location** Luisa

jurisprudence daunting impersonal dry and seemingly detached from practical affairs William Twining believes that many jurists have been fascinating people struggling with questions that are both historically significant and relevant to contemporary issues This book brings together previously published essays that centre on three related themes reading Juristic texts the role of narrative in law and relations between theory and practice Building on a pragmatic view of jurisprudence the author explores different ways of reading and using Juristic texts to set them in context to bring them to life and to engage with the reader's own concerns He applies this approach to throw fresh light on four familiar figures Holmes Bentham Hart and Llewellyn Challenging limited agendas and parochial points of view Twining outlines a programme for a broad approach to legal theory in the context of globalization He satirizes some bad habits in jurisprudence and explores in depth how stories can be seductive vehicles for cheating in legal contexts yet are essential for making sense of disputes about fact or law **A Family-text Book for the Country** John Lauris Blake,1853 **A Family-Text Book for the Country; or, the Farmer at home: being a cyclopaedia of the more important topics in modern agriculture, etc**
