

A dramatic illustration of a castle under construction. The castle features two prominent towers on the left and a large central archway. The entire structure is enveloped in a dense network of wooden scaffolding. A massive, swirling fire, rendered in vibrant orange and yellow, erupts from the center of the castle, its flames reaching towards the top of the frame. In the lower right foreground, a lone figure in a dark, hooded cloak stands on a rocky outcrop, looking out over the scene. The ground is dark and uneven, with some sparse vegetation. The overall atmosphere is one of intense action and historical drama.
